Mr. Chairman.

During the eight and a half years I have been a west Lindsey Councillor there have been many changes. As a council we have evolved into a caring and creative council.

Significant work has been done by officers and members, past and present.

As indicated in our corporate plan, our aspirations are still high.

We revel in what we do.

We volunteer as councillors and take responsibility for which we are rewarded through members' allowance.

Outside of this council but within West Lindsey there are lots of people who give their time free in many instances, helping communities and individuals. They either stand alone or work in groups. Parish Cllrs, clerks, carers for the young, elderly and disabled to name a few.

Mr. Chairman.

As part of our Localism Agenda, I believe it is time we recognised these outstanding contributors to our communities and I propose a paper is taken to the Prosperous Communities committee for members to discuss what criteria and format should be applied to a "West Lindsey Award for outstanding community work", presented at annual council annually.

I so move.

Jeff. Summers. Cllr. Waddingham and Spital.
