4. REPRESENTATIVES TO SERVE ON OTHER BODIES

- (a) To note that appointments are to be made on the following basis :
- i) In the first instance any Member with a specialist interest or expertise in the particular field of the Outside Body should be appointed (the appointment should not be party political), Failing this, where possible, appointments should be made geographically involving a local Ward Member. Where neither of these criteria can be met, any other Member should be appointed;
 - ii) appointments are to be made for a four year period to be in line with District elections. However, a number of bodies have their own arrangements for a four yearly cycle of appointments, these are indicated in the table below.
 - iii) where a body shows that the Leader, Chairman and/or Vice-Chairman of a particular committee is the representative, this is because either the constitution of the body concerned requires it or there has been a previous Council decision that the office-holder will serve. Where a body indicates that this has traditionally been the case, there is no actual requirement; and
 - iv) those Members appointed to serve on an outside body would be expected to provide a short report on the achievements, finance and forward plans for inclusion in a booklet prior to Annual Council. (circulated separately to members)
- (b) to agree that places which have traditionally been filled by the Leader, Chairman and/or Vice-Chairman of a particular committee or their nominee continue to be so filled.
