9. MOTIONS PURSUANT TO COUNCIL PROCEDURE RULE NO. 10

The residents of West Lindsey expect and deserve quality, effective and responsive services. Over the past few years we have seen some of our local communities change and more often there is a need for services outside of the normal 9-5 working day.

In the past local Police have responded very effectively with issues such as low level anti social behaviour, noise nuisance, drink related incidents however now they state it is a local authority responsibility?

West Lindsey have failed to put the necessary resources in place to deal with the impact of these changes and meeting the growing demand.

Residents are left feeling powerless, resulting in them having to report incidents the WLDC 'Out of Hours Service' knowing that it offers no more than a tokenistic service.

Recently one of us had experience of contacting the 'out of hours service' in the early hours of the morning following a disturbing incident. West Lindsey failed to respond after the initial call?

We are informed residents share similar poor experiences, very little action being offered to them and having to 'put up' with unacceptable situations.

Residents are having to live in fear.

We believe residents deserve better, and would like to request that an indepth review be carried out of our 'out of hours services', We so move.
