West Lindsey District Council has in recent years held an awards Ceremony to celebrate the contribution and achievements of both individuals and groups within the district.

No awards ceremony took place in the previous civic year.

Following a meeting of the Community Awards Panel it was felt that it was important to have a scheme of community awards, supported by the Council. On the basis that new members of the Council, elected in May 2015, may not be aware of the current awards system, the Panel felt it would be best to run a scheme of community awards, along similar lines as in previous years; so that all councillors can evaluate and make recommendations in the future to improve the scheme.

Therefore we move that the Council:

- > runs a Community Awards scheme and present awards in the current civic year
- > encourages Councillors and other stakeholders to make nominations
- > encourages Members to use opportunity to evaluate the Community Awards scheme and make recommendations to the Panel to improve any future scheme
