10 FOOD HEALTH AND SAFETY SERVICE PLAN (LR.16 13/14)

Members gave consideration to a report which presented the 2014/2015 Food, Health and Safety Service Plan for approval.

The production of the Food and Health and Safety Service Plan was a statutory requirement.

Tables in the report set out the demand on the service over the last four years and also the planned inspection/intervention programme for 2014-15. The service was not currently resourced to deliver all of the inspections required under the FSA guidance, however all risk category A and B premises were inspected, along with any new premises or following a complaint.

An update on the delivery of the plan would be presented to the Committee after six months.

RESOLVED that

- i) the Food, Health and Safety Service Plan be received, noted and approved; and
- ii) a progress and delivery update be provided to the Committee in September that informs members of performance against the plan.

The meeting concluded at 6.41 pm

Chairman
