Agenda Item 6d

FEES AND CHARGES REPORT

APPENDIX 9 - LICENSING SERVICES

1. Service description

The Licensing service processes many different types of licences, (the majority of which but not all) incur a fee for the service we provide and can be broken down into the following categories;

- Licensing Fees – which are statutory set fees dependent upon type of application, the details of which are known by the Team Manager each year. The majority of these are derived from alcohol, entertainment and late night refreshment, all of which are governed by the Licensing Act 2003. It is important to note that the mandatory fees applied under this legislation have not been amended since the regime commenced in 2005 and in some cases we cannot recover our costs. Typically fees within this category are set for the sale of alcohol and entertainment in pubs, clubs, off-licences and supermarkets.
- Licensing Fees – which are totally discretionary gives us the opportunity to set the fees accordingly to recover the costs incurred. Typically fees within this category are set for dog breeding, boarding, pet shops, riding establishments, sex establishments and scrap metal etc.
- Licensing Fees – which are partially discretionary which allows us to set the fees to recover costs, however the fees we set are limited to prevent going beyond a statutory ceiling. Typically fees within this category are set for betting shops, betting tracks, bingo and adult gaming premises etc. all of which are governed by the Gambling Act 2005.
- There are also a number of applications that we process whereby we are prevented from setting any fee, such as house to house collections, street collections and some caravan site licences.

Whilst some of the fees are partially statutory charges the authority has the flexibility to set the fee up to a maximum. As with other service areas we are required to comply with the relevant regulations when compiling the fees and must be ready to justify the levels.

2. Prior years analysis, current financial year projections

The graph below illustrates income received v applications received over the last three years (please note that Sept 18 to Mar 19 is a forecast). A full Analysis of fees and charges has been undertaken with a view to achieving full cost recovery. Some fees are limited as they have a price ceiling that we can't go over.

The table below highlights actual income achieved against budget for the last three financial years (estimated for 2018/19).

	Total	Budget	Under/(over)
Income received 2016/17	136,215	131,300	(4,915)
Income received 2017/18	126,811	111,800	(15,011)
Income received 2018/19	120,500	118,500	(2,000)

Many of the fees within the Licensing service are statutory or statutory with a ceiling range as to what we can charge.

3. Pricing

There has been one reduction in Fees charged for the year.

The reduction relates to the scrap metal New/Renewal site fee for the year 2 annual inspection costs, which have been halved.

An inflationary increase has been applied of 3.4% for all non-statutory fees that WLDC have the powers to set.

New legislation came into force with effect from 01 October 2018 which governs Animal Welfare. The legislation is referred to as the Animal Welfare (Licensing of Activities Involving Animals) (England) Regulations 2018. The new legislation aims to control Dog Breeding, Hiring of Horses, Sale of Animals, and Animal Boarding which includes Dog Day Care and the Exhibition and Training of Animals. Operators will now be inspected and awarded a STAR rating and granted a licence ranging

from 1 to 3 years depending on their risk rating. The previous legislation which governed some of these activities will either be amended or repealed.

				Variation to the licence			£63.00 per hour or part of

The table below illustrates the impact on income of the RPI increase:

Current	120,500
Impact 1 - No change of Fees	120,500
Impact 2 - RPI increase (3.4%)	124,597

4. Understanding Customers and Markets

The service has not carried out any customer satisfaction surveys relative to fee setting. 98% of licence applications are processed within the agreed timescales, the majority of which are from the statutory regime, which in turn have their own set turnaround times which we have to comply with, therefore it is highly unlikely that there is any scope for applicants to pay more for a faster turnaround.

5. Proposed Charges

Statutory charges will be applied in accordance with legislation.

For other charges the Licensing Service proposes to apply inflationary increases of 3.4%.

6. Recommendation

* To comply with legal requirements relevant licence fees are now made up of two parts. Part A is payable upon application, and Part B is only payable if the licence is granted and must be paid prior to the licence being issued. Applicants may, if they wish, pay both parts together at the time of the application but are under no obligation to do so. If an applicant does pay both parts of the fee at the time of the application and the licence is subsequently refused Part B will be refunded.
