MEETING OF FULL COUNCIL – 1 NOVEMBER 2021

AGENDA ITEM 7

QUESTIONS RECEIVED PURSUANT TO COUNCIL PROCEDURE RULE NO. 9

1) *Question to the Leader of the Council, from Councillor John McNeill – Local Ward Member for Market Rasen*

"One of the many achievements of the current administration at West Lindsey was to build a dry-sided leisure facility at Market Rasen, a decision I fully supported and an outcome I am very proud of. This fulfilled a manifesto commitment made by West Lindsey Conservatives to complete the leisure centre last year.

"However, West Lindsey Conservatives also made a manifesto commitment to support bringing forward plans to deliver a swimming pool at the Market Rasen site, where this was able to be done on a sustainable and economic basis. This is something I continue to fully support.

"I am given to understand that the Assistant Director, Finance Business Support & Property Services has recently completed work on the viability of building and operating a swimming pool at the leisure centre in Market Rasen.

"Is the Leader aware of the detail of this work and can he share this with the Council?"

"If bringing a swimming pool to Market Rasen Leisure Centre has been determined as unviable, is this on an operational basis – i.e. there is insufficient evidence to suggest that enough users will make use of a swimming pool – or, on the longer term capital financing requirements of such a project – i.e. how we afford the £4-6m required?"

"If the viability of a swimming pool at Market Rasen rests upon the capital financing requirements, would the Leader agree that action to consider innovative ways of funding a swimming pool is needed? Would the Leader agree that, for example, one of the properties in our commercial investment property portfolio could be sold and the internal borrowing applied to the construction of a swimming pool at Market Rasen?"

Thank you
Councillor J McNeill"
