78 MEMBERS' DECLARATIONS OF INTEREST

Declarations of interest were sought before moving to the civic proceedings for the evening, but none were declared at this point in the meeting.

79 TO ELECT A CHAIRMAN OF THE DISTRICT COUNCIL FOR THE 22/23 CIVIC YEAR

Before commencing the process of electing a new Chairman, the outgoing Chairman addressed Council for the final time, speaking of his honour and privilege at having served in the role since 2019. There were too many highlights to share from his time in office but he wished to pay personal thanks to the Officers who had supported him, Trudi Hayes, Sue Norman, Ele Snow and Katie Storr. Referencing his recent ill-health, he paid thanks again to Officers and Councillor Mrs Diana Rodgers for the support they had shown his wife Kathryn during worrying times and finally, to his wife, for her unwavering support and understanding.

Presiding over his final item, Councillor England sought nominations for the position of Chairman of Council.

It was proposed and seconded that Councillor Angela Lawrence be appointed the Chairman of Council for the civic year 2022/23.

Councillor Mrs Lawrence thanked Council for her appointment and advised it was an honour to have been elected Chairman for the coming year. She looked forward to meeting many

people from the District, from throughout Lincolnshire and beyond, indicating she would do all she could to uphold the good name of West Lindsey in all the duties she carried out.

84 MINUTES OF THE PREVIOUS MEETING

(a) Minutes of the Meeting of Full Council held on 7 March 2022

RESOLVED that the Minutes of the Meeting of Full Council held on 7 March 2022 be confirmed and signed as a correct record.

Note: Technical issues were being experienced in the Chamber and therefore a short adjournment was sought at 7.50 pm to allow Officers the opportunity to resolve these.

The meeting re-convened at 8.00 pm, with the Chairman advising that some Members may continue to experience issues with their microphones, offering apologies to those watching on-line.

85 REVIEW OF THE ALLOCATION OF SEATS TO POLITICAL GROUPS ON COMMITTEES/SUB -COMMITTEES

The Chairman presented the report, which set out details of the political groups on the Council, the number of Members to be appointed to serve on each Committee, and the allocation of seats on each of the Committees based on political groupings.

There had been no changes in the political balance since Council last considered the matter in January 2022, and as such the allocations remained unchanged.

This was a matter, which had been determined by the Head of Paid Service under his delegated authority, in Consultation with the Group Leaders, all of which had indicated their agreement, as such, there was no requirement for a vote.

With no questions posed, the following was **DULY NOTED**: -

- (a) the details of the political groups, as set out in Appendix A of the report,
- (b) the number of Members to be appointed to serve on each committee and sub-committee; and
- (c) the allocation to different political groups of seats on committees/sub-committees, as set out in Appendix B of the report.

86 APPOINTMENT OF COMMITTEES FOR THE 2022/23 CIVIC YEAR

The Chairman of the Council presented the report which set out the wishes expressed by the political groups in respect of the appointment of Members to serve on each of the Council's formal Committees for the 2022/23 Civic Year.

The report also sought to suspend the rules relating to proportionality in respect of the Overview and Scrutiny Committee, as had been the case since Annual Council in May 2019. Members were reminded the suspension of political balance required all Members to vote in favour, as opposed to a "majority" decision.

The Leader of the Opposition indicated immediately that he would not be supporting the suspension of political balance, nor would he be making nominations to the Overview and Scrutiny Committee, outlining the reasons for his position, namely the Administration's decision to seek a reduction in the number of Vice-Chairmen on the Scrutiny-Committee, and in his view the Leader having reneged on his commitment to make no changes to the make-up of committees.

Advice was sought from the Monitoring Officer, given the position expressed by the Leader of the Opposition. Members were advised the previous report noted by Council had set out the number of seats afforded in the event that balance was not suspended. As such the Administration Group were afforded three more seats, the allocations afforded to the other Groups remained unchanged. The Monitoring Officer further advised that the nomination of Councillor Mrs Lawrence to the Scrutiny Committee was not constitutionally acceptable. As such three further nominations were made by the Leader, Councillor Mrs T Coulson, Mrs C McCartney and R Waller. Councillor P Morris would replace Councillor Mrs A Lawrence.

The report when published had not included the nominations of the Liberal Democrat Group, these had been received by the Monitoring Officer, earlier in the day and were read aloud to the meeting.

RESOLVED that

- (a) the rules relating to proportionality in relation to the Overview and Scrutiny Committee be not suspended;
- (b) In accordance with the provisions of section 16 of the Local Government and Housing Act 1989 and the wishes expressed by political groups, Members be appointed to serve to the Council's Committees for the 2022/23 civic year as follows: -

87 APPOINTMENT OF COMMITTEE CHAIRMEN AND VICE-CHAIRMEN FOR THE 2022/23 CIVIC YEAR AND TO AGREE THE NORMAL COMMENCEMENT TIME FOR EACH COMMITTEE.

Having re-appointed the Committees the report under consideration sought to appoint Chairman and Vice-Chairmen to each of the Committees and for Council to agree the normal commencement time for each.

No nominations for the position of Vice-Chairman of Overview and Scrutiny had been received in advance, and on seeking nominations none were forthcoming. However, the Leader of the Opposition indicated he had submitted counter proposals, to those written in the report, for each of the other positions named and these were shared with the Meeting.

At the request of the Chairman, the Monitoring Officer outlined the process to be taken, given the multiple nominations individual votes would need to be taken for each of the positions. The stance was challenged by Point of Order with Members suggesting the verbal nominations should be treated as amendments and taken first. The meeting was directed to Procedure Rule 14.6 - Voting on appointments which outlined the process, the Chairman indicated her agreement.

Noting the advice provided by the Monitoring Officer, but also the way in which votes had been cast up until this point in the meeting, for efficiency, it was proposed and seconded that nominations for positions detailed in recommendation (2) of the paper be taken en-bloc. Those voting “for” being in support of the names in the report, those voting “against”, preferring the names provided verbally.

A Member requested that, in the first instance, the decision to take nominations en-bloc be a recorded vote, with the request duly seconded.

On being put to the vote, votes were cast in the following manner: -

For:- Councillors Bierley, Coulson, Davies, Devine, Ellis, Fleetwood, Grimble, Hill, Lawrence, McCartney, J McNeill, Milne, Morris, Patterson, Regis, Rodgers, Summers, Waller and Welburn (19)

Against:- Councillors Boles, Bunney, Clews, Cotton, Darcel, Dobbie, Oliver, Panter Rainsforth, Rollings, J Snee, M Snee and Young (13)

Abstain: - Councillor White (1)

With a total of 19 votes in favour, 13 votes against and 1 abstention, the motion was carried and it was therefore: -

RESOLVED that nominations for the positions detailed in recommendation 2 (a) – (i) of the report be taken en-bloc.

The Monitoring Officer again read aloud the nominations received verbally, for each position as follows:

Liberal Democrat Group Nominations		
	Chairman	Vice / Chair
Chief Officer	Cllr A White	Cllr T Young
Employment	Cllr S Bunney	Cllr M Boles
Corporate / Policy	Cllr D Cotton	Cllr D Dobbie
Planning	Cllr S Bunney	Cllr A White
G&A		

Licensing	Cllr J Snee	Cllr L Clews
Overview & Scrutiny	n/a	n/a
Regulatory	Cllr J Snee	Cllr L Clews
Prosperous	Cllr T Young	Cllr L Rollings
Standards Sub	Cllr D Cotton	Cllr M Snee

Members were advised that those voting “for” would be voting for the nominations as in the printed report, those against for the names provided verbally and detailed above.

Again a Member requested that the decision be subject to a recorded vote, with the request duly seconded.

On being put to the vote, votes were cast in the following manner: -

For:- Councillors Bierley, Coulson, Davies, Devine, Ellis, Fleetwood, Grimble, Hill, Lawrence, McCartney, J McNeill, Milne, Morris, Patterson, Regis, Rodgers, Summers, Waller and Welburn (19)

Against:- Councillors Boles, Bunney, Clews, Cotton, Darcel, Dobbie, Oliver, Panter Rainsforth, Rollings, J Snee, M Snee and Young (13)

Abstain: - Councillor White (1)

With a total of 19 votes in favour, 13 votes against and 1 abstention, the motion was carried and it was therefore: -

RESOLVED that those persons detailed at Table 1 of the report be appointed to the positions stated.

Council’s attention turned to determining the start times for each of the Committees, with suggested start times, for each set, out within the report.

A Member of Council expressed concern, at the proposed start time of the Governance and Audit Committee, which he considered was not inclusive and purposely excluded some Members for taking part in the Committee. This concern had been raised previously, at a number of Committee meetings and through the Rule 9 Question to Council Procedure. The Member further referenced best practice visits which had been arranged to visit a neighbouring Council, noting the start time there was 5pm, something he considered far more appropriate, and would allow a greater number of members to engage and take part in the Committee.

The current Chairman of the Governance outlined the history in the proposed change of time, the lengthy prior consultation which had been undertaken, also referring the Councillor to the previous responses he had received when raising these concerns.

An amendment to the start time of the Governance Audit Committee, namely that the Committee start at 5pm not 10.00am as stated was proposed and duly seconded. Again, a request for a recorded vote on the matter was made and duly seconded.

On being put to the vote, votes were cast in the following manner: -

For - Councillors Boles, Bunney, Clews, Cotton, Darcel, Davies, Dobbie, Hill, Oliver, Panter, Patterson, Rainsforth, Regis, Rollings, J Snee, M Snee and Young (17)

Against:- Councillors Bierley, Coulson, Devine, Ellis, Fleetwood, Grimble, Lawrence, McCartney, J McNeill, Milne, Morris, Rodgers, Summers, Waller and Welburn (15)

Abstain: - Councillor White (1)

With a total of 17 votes in favour, 15 votes against and 1 abstention, the amendment was **CARRIED** with it now being proposed the Governance and Audit Committee commence at 5pm.

Further debate ensued, with Members continuing to express differing views, points around the commencement time of the Committee. With continued reference to best practice visits and the comparison of the start times being used, the Chairman of the Governance and Audit Committee called for a Point of Order, noting that the Councillor was misleading Members. He outlined the purpose of visits to the neighbouring authority, noting the services the two authorities shared and which were subject to joint audits and it had been for this reason the authorities had considered working more closely together, at no time had it been suggested one operated to "best practice" standards whilst the other didn't.

With continued disagreement, a further amendment was proposed, namely that Governance and Audit Committee meet at 2pm, accepted by a show of hands. With all the other Committees' start times not being disputed it was proposed and seconded that the start times as detailed in the report, with the Governance and Audit Committee amended to 2pm be accepted.

A request for a recorded vote on the matter was again made and duly seconded.

On being put to the vote, votes were cast in the following manner: -

For:- Councillors Bierley, Boles, Coulson, Davies, Devine, Ellis, Fleetwood, Grimble, Lawrence, McCartney, J McNeill, Milne, Morris, Patterson, Rodgers, J Snee, Summers, Waller, Welburn and White (20)

Against - Councillors Cotton, Darcel, Dobbie, Hill, Oliver, Rainsforth, Rollings, M Snee and Young (9)

Abstain: - Councillors Bunney, Clews, Panter and Regis (4)

With a total of 20 votes in favour, 9 votes against and 4 abstentions, the amendment was **MOTION** was carried.

Noting that recommendation 1 of the report remained undealt with, it was proposed and seconded that the number of Vice-Chairmanships on the Overview and Scrutiny Committee be reduced from two to one.

The Leader of the Opposition again challenged the Leader of the Council, as to why such a stance was being taken but having heard his response, which related to a reduced work load for the Committee, indicated his unwillingness to accept the response.

A further recorded vote was sought by two Members.

On being put to the vote, votes were cast in the following manner: -

For:- Councillors Bierley, Coulson, Darcel, Davies, Devine, Ellis, Fleetwood, Grimble, Hill, Lawrence, McCartney, J McNeill, Milne, Morris, Patterson, Regis, Rodgers, Summers, Waller, and Welburn (20)

Against - Councillors Boles, Bunney, Clews, Cotton, Dobbie, Oliver, Panter, Rainsforth, Rollings, J Snee, M Snee and Young (12)

Abstain: - Councillor White (1)

With a total of 20 votes in favour, 12 votes against and 1 abstention, the **MOTION** was carried.

On that basis and following much debate it was

RESOLVED that: -

- (a) the number of Vice-Chairmanships on the Overview and Scrutiny Committee be reduced from two to one;
- (b) the Chairmen and Vice-Chairmen, as detailed below be appointed for the 2022/23 Civic Year to the following Committees: -

Note: Councillor White left the meeting following consideration of the above item of business and did not return to the meeting.

88 APPOINTMENT OF WORKING GROUPS, BOARDS AND OTHER BODIES (INCLUDING ANY OUTSIDE BODIES DUE TO EXPIRE)

Consideration was given to report which sought to appoint Members to Sub-Committees, Working Groups, Panels, Boards and Outside Bodies which were due to expire or where notification has been received from the main Group Leaders.

Whilst there was no constitutional requirement to appoint to these on annual basis, the two main Group's Leaders were, at least annually, provided with a full list of such internal bodies and provided with an opportunity to amend membership where they considered it necessary.

Council noted that Group Leaders had not given prior indication that they wished to amend memberships on these internal groups at the current time, and no verbal nominations were made.

There were however five outside body appointments due to expire at Annual Council May 2022, detailed in the report, and the Charities concerned had requested a continuation of membership wherever feasible.

Having been proposed and seconded on being put to the vote, it was

RESOLVED that Councillors Jessie Milne and Paul Howitt Cowan be re-appointed, for a further four-year term, expiring Annual Council 2026 (subject to re-election in May 2023) to the following positions:

- (a) Trustees of Charles Cooper Trust – 2 places - Councillor Milne and Howitt-Cowan;
- (b) Trustees of Francis Barker Trust – 1 place - Councillor Milne;
- (c) Trustees of WG Rose Memorial - 1 place - Councillor Milne; and
- (d) Trustees of Gainsborough Education Charity – 1 place – Councillor Milne.

89 RECOMMENDATION FROM THE GOVERNANCE AND AUDIT COMMITTEE - ANNUAL REVIEW OF THE CONSTITUTION 21/22 AND MONITORING OFFICER ANNUAL REPORT

Council gave consideration to a report which presented the 21/22 Annual Review of the Constitution and arising recommendations, as considered by the Governance and Audit Committee on 12 April and recommended for approval.

The report also included an Annual Report from the Monitoring Officer for the period 21/22. The report aimed to provide an holistic view of all governance associated matters.

The Governance and Audit Committee Chairman in presenting the report advised Members Article 14 of the Constitution stipulated how such a review should be conducted, detailed at Section 1.2

Comprehensive Reviews had been undertaken in 2011, 14, 17 and large sections of the document had also been amended in 2018, as such a number of relatively minor amendments, as detailed in Section 3 of the report were being proposed. Reviewing the Public Participation at Planning Committee Scheme, Virtual first meetings, and Review of Working Groups had also resulted in some proposed amendments, also contained in Section 3 of the report. All changes included a rationale for doing so. The comparative appendices, informing some of the work and recommendations, were highlighted to

Members.

As part of the last Annual Review considered by Council in June 2021, Members had agreed a list of associated work to be undertaken during 21/22 civic year summarised at Section 1.5 . Section 2 of the report provided a brief update on progress achieved against each work stream over the period and the arising outcomes.

Whilst undertaking the annual review of the Constitution a number of other associated actions for further work, development or “a watching brief” had been identified, detailed at Section 7 of the report. Members noted that progress and any arising recommendations from this work would form part of the 22/23 review reportable to Governance and Audit Committee by no later than April 2023.

No changes had been made to the Financial Regulations or Contract Procedure Rules within the year. As these remained unchanged they had not been included in the report to Council. The S151 Officer had advised that housekeeping amendments (job titles) would be required as the new management structure was implemented but that these could be dealt with under already approved delegation.

The remaining sections of the report 8 -13 made up the Monitoring Officer’s Annual Report which aimed to provide an holistic overview of all governance associated matters and included information on such matters as, data analysis of the number, nature and outcome of complaints received under the Code of Conduct and details of the support the Monitoring Officer had provided to a number of Parish Councils to ensure their continued functioning.

Section 10 of the report sought Council approval to a number of lay vacancies.

The Chairman of the Governance and Audit Committee drew Members’ attention to the decision made by Mr Peter Walton, after over 70 years involvement with Local Government, to not seek re-appoint to the Governance and Audit Committee. He considered Mr Walton’s services to Local Government were something to be in awe of, as such he moved a vote of thanks, asked Members to join him in a round of applause and sought Council agreement to a letter of thanks for Mr Walton’s services being sent to him from the Council.

Several Members echoed the comments of the Chairman of Governance Audit Committee commenting on Mr Walton’s legend like presence in Local Government in Lincolnshire. The Chamber were more than content that a letter of thanks be issued.

Having been proposed and seconded on being put to the vote

RESOLVED that the recommendation from the Governance and Audit Committee be accepted and as such: -

- (a) the outcome of the annual review detailed within the report be noted;
- (b) the amendments detailed throughout Section 3 of the report, identified during the 21/22 review be approved, adopted and implemented with immediate effect;

- (c) the appointments of Mr Richard Quirk, Pat Kennedy and Trevor Hall to the Council's Remuneration Panel for a period of 4 years, commencing from Annual Council 2022, ceasing at Annual Council in May 2026, and the appointment of Mr Stephen Beard, as the Standards Independent Person, for a period of 4 years commencing from Annual Council 2022 ceasing at Annual Council in May 2026 (Section 10) be approved;
- (d) the progress made with regards to the areas of work agreed for further development in the previous review (Section 2); the areas considered but not taken forward (Section 6); the further planned work for 2022/23 (Section 7); the statistical data provided within the report in respect of the number, nature and outcome of Code of Conduct Complaints (Section 9); the support offered to Parish Councils (Section 11); and the use of the Council's RIPA powers during the period (section 13) be received and noted; and
- (e) the Monitoring Officer be permitted to use current delegated powers, engaging the Chief Executive, and in consultation with Chairman of the Governance and Audit, to re-align the scheme of Officer delegation, on implementation of a new senior management structure (Section 4)

Note: Councillor David Cotton declared a personal interest, and indicated he would not vote on the above, as he had known a number of those referred to in the lay members section of the report on a personal level for a significant number of years.

90 OVERVIEW & SCRUTINY ANNUAL REPORT

The outgoing Chairman of the Overview and Scrutiny Committee presented her Committee's Annual Report to Full Council.

The report summarised the visits from outside agencies, the Committee had received, such as Lincolnshire Police and the NHS, and also highlighted internal review work that has been undertaken for example with disabled facilities grants.

The Committee had benefitted from the return to face-to-face meetings, with it being more natural to work with outside agencies in the Chamber setting rather than via Teams.

A major piece of work, carried forward from previous years, was the focus on flood risk management and how the Council could better support residents at risk of flood. The Member working group had worked closely with Officers and external agencies, leading to a co-ordinated approach for flood risk management as well as how to reduce the risk of flooding in the first place. Recommendations were expected to be presented to the Prosperous Communities Committee in the early part of the civic year 22/23.

The first meeting of the civic year 22/23 would see the Committee agree its initial work plan, as well as review its Operating Methodology, the guidelines for how work could be chosen by, or allocated to, the Committee.

Agenda Item 7

MEETING OF FULL COUNCIL – 4 July 2022

AGENDA ITEM 7

QUESTIONS RECEIVED PURSUANT TO COUNCIL PROCEDURE RULE NO. 9

1) *Question to the Leader of the Council, from Councillor John McNeill – Local Ward Member for Market Rasen*

"Leader

The equipment that makes the current landline network run is not fit for the future and needs to be upgraded. The technology currently used to make calls on telephone landlines, called 'analogue', is being replaced with an internet-based version, called an 'IP network' (which means Internet Protocol Network).

The changeover has been mandated to happen by December 2025, as this is when the old technology will stop working. Everyone who has a landline will move over to the new system. Phone providers have already started work on switching over the network, but residents and businesses in West Lindsey do not need to do anything until their provider gets in touch with them.

Landlines will still exist, and it will still be possible to have a telephone line in our homes and businesses - but the system that underpins it will be different. Phone and broadband companies are leading this change. The Government and Ofcom (the communications regulator) are supporting it.

For lots of people, the change will be as simple as plugging their phone into their broadband router and in most cases residents and businesses will be able to keep their current phone numbers.

However, if a phone handset is very old, it might need to be changed. Phone providers will be able to advise their customers on this. Also, things that currently use the landline network - like telecare, personal alarms, burglar alarms and fax machines - will be affected by the change. If a device is relatively modern, it should still work fine - but older devices may need to be reconfigured or replaced, again providers should be able to advise their customers on this.

As the new system runs off the internet, residents and business will not be able to make calls without an internet connection at their home or place of work.

BT, which provides most landlines, have committed to not raising prices above inflation for 'voice only' customers – those who do not have home broadband. This commitment is for at least the next 5 years and will mean that whatever technology a customer's landline uses, the old system or the new, their bill should not rise significantly.

As the new system will work off the premises' electricity supply, if there is a power cut it will mean that residents and businesses cannot make phone calls. In these instances, phone companies are advising that residents and businesses should use a mobile phone as a backup. If residents or businesses do not have a mobile or are located in an area where there is no or poor signal, or depend on their landline, for example because they are disabled, their phone provider should offer them a solution like a battery-operated handset. This will mean that residents and businesses can make emergency calls during a power cut."

Was the leader aware of this change to a vital part of the infrastructure in West Lindsey? Is he able to confirm what, if any, proportion of the district has already been switched over to the new system? If this change has not yet commenced, is he able to confirm when it may begin? This change is likely to have several direct effects on West Lindsey's operations, what assessment has been made of this and do we know what, if any, direct costs will be attributable to this change?

Thank you.
Councillor John McNeill"

**2) Question to the Chairman of Council, from Councillor Jim Snee –
Local Ward Member for Gainsborough North**

"Why are we still waiting for the "Opening" of the Riverside Walkway (June 13th '22), when we the Council have clearly indicated to the members of the public that this project would see a completion date of Sept 21.

The Comm's team have made further announcements , Dec21 & Mar 22 indicating that opening was imminent.

After numerous contacts with the CEO and Officers , chasing up and constantly raising concerns over the lack of contract management, could the Chairman please advise what the current status is with regards to this project and provide an opening date.

Can the procurement team please reassure members that when we award contracts to companies, due diligence is followed and that mechanisms are in place to ensure everyone is accountable and transparent in their actions.

I look forward to your response.

Councillor Jim Snee."

**3) Question to the Leader of Council from Councillor Lesley Rollings –
Local Ward Member for Scotter and Blyton Ward**

“The decision by Lincoln College to cease providing Post 16 education at Gainsborough College has come as a shock and disappointment to many of us who have worked in Education in Gainsborough over the last 30 years.

For the elected members from the Gainsborough wards, who see first-hand, the impact education has on the life chances of its’ residents, such a decision appears to demonstrate a complete disregard for the people of Gainsborough – in particular, its’ young people.

Made in Gainsborough

West Lindsey District Council has done a brilliant job leading on the Made in Gainsborough project – giving local young people the opportunity to take up apprenticeships with Gainsborough manufacturing and engineering companies. Instead of building on this project, establishing a manufacturing base in Gainsborough, it appears that Lincoln College have decided that it is more cost effective to simply expect the learners to travel into Lincoln and forget Gainsborough.

Alternative provision on the Gainsborough College site

The proposal to make money on the site by renting the facility out to an alternative provision company, is, quite honestly, the very last thing Gainsborough needs. Bussing in large numbers of young people with the most challenging behaviour and attempting to keep these young people on site, can only create additional social challenges in the town.

The Levelling up agenda

Post 16 Education and Skills sit at the heart of attempts to create greater equality in our communities, yet the decline in local provision, in public transport links and failure to provide free transport for all 16-19 learners, means that only the most privileged and aspirational access education. Too many young people fall by the wayside. Without effective Post 16 education provision, the Levelling up agenda is really just an expensive gimmick.

Post 16 GCSE courses, Automotive engineering, Construction, Hair and Beauty, Hospitality, Performing Arts, Sport, Health and Social Care...

All these courses could take place in Gainsborough, indeed Lincoln College has run some of these courses at Gainsborough, in the past, and dangled the possibility of starting others only to pull out just before the courses were due to start, leaving learners in an uncertain position.

The narrow constraints of how the funding can be used, leaves it highly unlikely that the huge gaps in post 16 education and Adult education will not be met by Levelling up funding.

What can be done about this?

Other towns in Lincolnshire are linking with Lincoln University . Is this not a possibility in Gainsborough? Why have Lincoln College been allowed to build up its provision in Lincoln at the expense of running down its' provision in Gainsborough?

We have a grammar school in Gainsborough. Are we not exploring the possibility of them taking over the running of vocational courses on the Gainsborough College site?

Whilst I very much appreciate the support that West Lindsey District Council has always given to education in Gainsborough, Can the Leader outline to the Chamber what involvement he has had to date? what actions, the District Council have taken to date and plan to take in the coming weeks,? Leader is it not time we invited the Chief Executive of Lincolnshire County Council to account for the lack of provision in Gainsborough, I would welcome your view?

Thank you
Councillor Lesley Rolling”
