In almost half of the Gainsborough South West Ward, waste is collected through an authorised weekly black bag system.

This council notes that this system results in poor environmental health issues and poor living conditions for many residents, it also recognises that it negatively impacts on the appearance of the town.

There is an urgent need for this council to consider the welfare of the residents, I therefore request this council:

1. Reviews its current operational delivery of waste services in the Gainsborough South West Ward and provide an in-depth options analysis for alternative collection methods.
2. Consults with local residents regarding solutions for local waste collection.

I so move.

Cllr Trevor Young
