## LICENSING ACT 2003

**Application type:** Application for the Grant of a Premises Licence

**Premises:** "Indian Curry Pot" Sanderlings, Willingham Road, Market Rasen, Lincolnshire LN8 3RE

**Applicants:** Dr Sreenath Krishnan Nair & Dr Arya Madhavan

---

A hearing shall take the form of a discussion led by the authority and cross-examination shall not be permitted unless the authority considers that cross-examination is required for it to consider the Representations, Application or Notice as the case may require.

### **1 The Application**

- 1.1 The application is for the grant of a new premises licence for the above named premises, made under Section 17 of the Licensing Act 2003. The statutory consultation period relative to this application ended on 18 January 2021.
- 1.2 The applicants have placed a notice in the local press and attached a blue notice external to the premises, in order to advertise the application. WLDC also published a notice on its website.
- 1.3 The application submitted is requesting authorisation for the playing of recorded music (indoors and outdoors), the provision of late night refreshment (indoors and outdoors) and the supply of alcohol (for consumption on and off the premises). A copy of the full application is provided at Appendix 1.

### **2 Background**

- 2.1 The premises has been licensed on a few occasions in November and December 2020 via Temporary Event Notices, to allow sale of alcohol alongside their takeaway business.
- 2.2 Lincolnshire Police Licensing Officers visited the premises prior to the premises licence application being submitted and gave advice to the applicants, which they duly took on board and included in their operating schedule.

### **3 Promotion of the Licensing Objectives**

3.1 In submitting the application the applicants are required to describe any steps intended to be taken in order to promote the following 4 licensing objectives, which are:

- The Prevention of Crime and Disorder
- Public Safety
- The Prevention of Public Nuisance
- The Protection of Children from Harm

3.2 The steps the applicants intend to take are detailed in section M of the application form (Appendix 1).

### **4 Representations – Responsible Authorities**

4.1 None.

### **5 Representations – Other Persons**

5.1 Eight representations have been received from individuals which are attached at Appendix 2, 3, 4, 5, 6, 7, 8 and 9 for Members' perusal. Between all received, it has been indicated that the representations are in relation to all four licensing objectives.

5.2 Officers have included a location plan at Appendix 10 to show the wider area to give context to the representations.

### **6 Correspondence in Support**

6.1 Ten e-mails have been sent to the licensing department in support of the application, these are attached at Appendix 11.

### **7 Considerations**

7.1 Each application must be considered on its own merits, **standardised conditions cannot be applied across the board** to all licences of a similar type.

7.2 Each representation must be considered and in each case the Members of the Sub-Committee must satisfy themselves whether or not the licensing objectives are being promoted by the applicant with respect to each matter.

7.3 The authority may only interfere with the operating schedule if it considers it appropriate in order to promote the licensing objectives. If it does interfere, then it must do so proportionately.

7.3.1 Therefore, before any conditions can be imposed on a licence, they have to be *appropriate for the promotion of the licensing objectives and where there are other legislative provisions which are relevant and must be observed by the applicant, no additional conditions are appropriate to promote the licensing objectives*. Conditions must be *proportionate, reasonable, and capable of being directly complied with* by the licensee(s). Furthermore, conditions should be clear and

understandable, not be imposed to achieve an ulterior motive outside the scope of the legislation, not over generalised and cannot override primary legislation. If the Sub-Committee are minded that a condition is not appropriate for the promotion of the licensing objectives, then it should not be imposed.

7.3.2 The Sub-Committee should always be mindful of the burdens/costs of additional conditions and if a lesser step can be taken, it should be.

7.3.3 Clearly, the Sub-Committee have to *consider extremely carefully* whether or not additional conditions need to be attached for the promotion of the licensing objectives.

7.4 In making its decision the Sub-Committee must consider the application in line with the following:

- Licensing Act 2003
- WLDC's Statement of Licensing Policy
- The Section 182 Guidance made under the Act

7.5 Policy Considerations

7.5.1 When considering the application and representation received, attention is drawn to the Licensing Authority's Statement of Licensing Policy which can be found at the link below, under the download section:

<http://www.west-lindsey.gov.uk/businesses/licensing/licensing-and-gambling-policies/licensing-policy/104810.article>

7.6 Statutory Guidance

7.6.1 Attention is also drawn to the contents of the section 182 statutory guidance which can be found at the link below:

<https://www.gov.uk/government/publications/explanatory-memorandum-revised-guidance-issued-under-s-182-of-licensing-act-2003> (please select the April 2018 document)

## **8 Options**

8.1 Exert from the Licensing Act 2003:

18(2) Subject to subsection (3) below, the authority must grant the licence in accordance with the application subject only to –

- (a) such conditions as are consistent with the operating schedule accompanying the application, and
- (b) any conditions which must under section 19, 20 or 21 be included in the licence.

18(3) Where relevant representations are made, the licensing authority must –

- (a) hold a hearing to consider them, unless the authority, the applicant and each person who has made such representations agree that a hearing is unnecessary, and

(b) having regard to the representations, take such of the steps mentioned in subsection (4) (if any) as it considers necessary for the promotion of the licensing objectives.

(4) The steps are –

(a) to grant the licence subject to-

(i) the conditions mentioned in subsection (2)(a) modified to such extent as the authority considers appropriate for the promotion of the licensing objectives, and

(ii) any condition which must under section 19, 20 or 21 be included in the licence;

(b) to exclude from the scope of the licence any of the licensable activities to which the application relates;

(c) to refuse to specify a person in the licence as the premises supervisor;

(d) to reject the application;

(5) For the purposes of subsection (4)(a)(i) the conditions mentioned in subsection (2)(a) are modified if any of them is altered or omitted or any new condition is added.

**Conditions cannot be attached with respect to any part of the application on which no representation(s) have been received.**

This is a matter for the committee to determine in light of the above matters and any others it considers relevant.

**N.B.** Whatever decision the Members of the Licensing Sub-Committee arrive at, they are reminded about the comments made in a court case, known as Hope and Glory, in relation to reasons for their decision making. The comments noted from this case stated: "*The fuller and clearer the reasons, the more force they are likely to carry*". Therefore, taking these comments into account, Members are strongly advised to give good, clear, justifiable reasons in relation to their decision which will have more chance of being upheld should the decision be appealed against.

## M

Describe the steps you intend to take to promote the four licensing objectives:

### a) General – all four licensing objectives (b, c, d and e) (see guidance note 10)

All four licencing objectives will be maintained throughout during on premises and off premises sale of alcohol. A responsible consumption of the alcohol will be encouraged on premises and all the following measures will be undertaken to promote the licencing objectives.

### b) The prevention of crime and disorder

A CCTV system shall be installed, recording and maintained in working order and operated at the premises to the satisfaction of Lincolnshire Police, specifically:

- a) There shall be a minimum of one high resolution colour camera, fitted in a weatherproof housing, for external coverage of the entrance.
- b) There shall be a minimum of one high-resolution colour camera fitted to each public entrance/exit. To provide a quality head and shoulder image for facial recognition/identification purposes of all persons entering the premises.
- c) There shall be sufficient cameras able to cope with the normal operating illumination to reasonably cover all licensed public areas.
- d) Recordings must be kept for a minimum of 28 days and endorsed with the accurate, correct time/date (BST/GMT adjusted).
- e) Police and/or Authorised Licensing Officers shall be able on attendance to view immediate playback of any incident without the necessity for download.
- f) Recordings of incidents at the premises must be provided to the police following lawful request.
- G) A member of staff shall be on the premises at all times they are open to the public who is capable of operating the CCTV system and providing recordings on request. When this is not possible recordings shall be provided within 24 hours of the original request.
- H) Recording equipment shall be housed in a secure room/cabinet where access and operation is strictly limited to authorised persons.
- i) All equipment shall have constant time/date generation, which must be checked for accuracy on trading days.
- j) The CCTV system should be maintained and checked every 12 months, with the installing company, or if this is not possible another reputable company, producing a letter of compliance.
- k) In the event of a system malfunction, the Designated Premises Supervisor or the Premises Licence Holder must record details of this malfunction in the premises refusals/incident book.

Alcohol will only be served as ancillary to food (to clarify, no sales of alcohol unless accompanied with food)

All food will be pre-ordered on take away orders.

All special events, admittance only to persons who have pre booked.

On special events all drinks will be served and decanted in plastic drinking vessels.

Patrons shall not be allowed to enter or leave the premises whilst in the possession of any alcoholic drink in unsealed containers. For the purpose of clarity, this means any

drink that contains alcohol and leaving the premises includes leaving for any reason whether temporarily or otherwise.

### **c) Public safety**

An incident/refusals book shall be kept at the premises, in which details of crime and/or disorder relating to the premises shall be recorded. The Incident book shall contain the following details;

- Time, date and location of incident/refusals.
- Nature of the Incident/refusal.
- Names, addresses and contact details of persons involved.
- Result of the incident/refusals.
- Action taken to prevent further such incidents.

Each entry signed by the DPS or other responsible person employed at the premises and so authorised by the DPS; and

Retained for a period of no less than 12 months and made available to Lincolnshire Police for inspection upon request.

### **d) The prevention of public nuisance**

Refuse such as bottles shall be disposed of from the premises at a time when it is not likely to cause a disturbance to residents.

Customer notices to be displayed at all exits asking patrons to please leave the premises quietly and to respect the needs of the local residents.

All deliveries of stock must be between the hours of 0800-1800 Monday to Friday.

### **e) The protection of children from harm**

The premises shall operate the "Challenge 25" Proof of Age Policy to prevent the sale or supply of alcohol to persons under 18 years of age. The policy shall require any person who appears to be under the age of 25 years to produce one of the following forms of identification:

A recognised proof of age card credited under the British Retail Consortiums Proof of Age Standards Scheme (PASS);

Photo driving licence;

Passport.

Notices shall be prominently displayed advising customers of the "Challenge 25" policy. All point of sale staff shall undergo training in the challenge 25 proof of age scheme and all other relevant policies with a record kept of the date of training, signed by the member of staff and the trainer. Each entry shall be retained for a period of 12 months from date of completion. This record shall be made available for inspection by Lincolnshire Police Officers or other relevant authority.

All payment for online/telephone orders must be by way of Credit Card or Pay Pal. (Debit Card and Cash payments will be only be accepted on orders picked up from or special events held on the premises.)

Details of representation.....

We request that the application for the new premises licence for the home The Sanderlings is rejected on the following grounds:-

**The Prevention of Crime and Disorder**

To introduce the supply of alcohol from 3pm until midnight will likely lead to inebriated customers having a diminished awareness of their noise levels and groups of people meeting to drink can result in disorderly conduct and bring the possibility of criminal activity on the approach to and from The Sanderlings.

**Public Safety**

The concern here is an increased amount of motor vehicles turning into The Sanderlings especially at 3.30pm- 4pm when De Aston school students use the footpath as the cars have to cross a public footpath, which is a safety issue as it could increase the possibility of an accident. The School also hosts many evening events where the footpath is in regular and repeated use.

As the Sanderlings property has limited parking of approximately 5 vehicles, parking ones vehicle on the street at night has its inevitable risks attached. If that risk of possible damage is increased by introducing a considerable number of people, late at night and having been in an environment where alcohol and possibly other substances are involved, then this is not an acceptable risk to have placed on existing residents.

**Prevention of Public Nuisance**

There are three areas of concern i) increased litter in the surrounding area from the sale of alcohol and takeaway food every day until midnight ii) increased noise levels from the necessary customers and their vehicles to make the Curry Pot viable, would disturb the peace in an area of private dwellings every evening and into the night. Bedrooms from surrounding properties look onto the Sanderlings and sleep will be disturbed iii) increased noise due to the playing of recorded music from 3p till midnight will be negative for those families in the vicinity of the Sanderlings who bought homes to be in a quiet residential area.

Generally any activity involving increased numbers of people, vehicles, music and alcohol after 11:30 at night is not appropriate for a residential area and it increases the possibility of becoming a public nuisance and significantly raises the risk of criminal and disorderly behaviour.

If possible please suggest alterations to the application that would resolve the problem mentioned above, again paying attention to the licensing objectives

MY PARTNER & I OBJECT TO THIS APPLICATION AS WE BOTH GO TO BED EARLY & GET UP EARLY FOR WORK SO ANY NOISE WOULD BE DETRIMENTAL TO US AND AFFECT OUR SLEEP. ALSO THE TRAFFIC WOULD INCREASE WHICH RAISES THE DANGER AS NEAR TO THE SCHOOL WHICH IS ALREADY HEAVILY CONGESTED AT 3.30 - 4 PM.

THIS IS A QUIET RESIDENTIAL AREA & THE REASON WE CHOSE TO LIVE HERE. TO HAVE MUSIC & ALCOHOL AVAILABLE FROM 3PM TO MIDNIGHT IS NOT ACCEPTABLE IN THIS QUIET RESIDENTIAL AREA & THIS SORT OF APPLICATION WOULD BE MORE SUITED IN THE TOWN MAKING USE OF EMPTY BUILDINGS & SHOPS THERE.

ALSO OUR GARDEN BACKS ONTO THIS PROPERTY WHICH WOULD MAKE THE NOISE FACTOR VERY ANNOYING IN THE BETTER WEATHER WHEN RELAXING IN OUR GARDEN

The proposed site is close to our secondary school of 1000 students. We have already significant concerns regarding safety of children on Willingham Rd with parents picking up at 3:30pm. There has been an accident injuring a child seriously. Our campaign for the traffic safety on the road near school is well documented & supported by Mayor & local council. This proposal would bring greater traffic at a time when traffic is dangerous

on this road with pupils crossing.  
It risks adding further impediments  
to the safety of children leaving  
school at 3.30pm,

**Details of representation.....**

We request that the application for the new premises licence for the home The Sanderlings is rejected on the following grounds:-

**The Prevention of Crime and Disorder**

To introduce the supply of alcohol from 3pm until midnight will likely lead to inebriated customers having a diminished awareness of their noise levels and groups of people meeting to drink can result in disorderly conduct and bring the possibility of criminal activity on the approach to and from The Sanderlings.

**Public Safety**

The concern here is an increased amount of motor vehicles turning into The Sanderlings especially at 3.30pm- 4pm when De Aston school students use the footpath as the cars have to cross a public footpath, which is a safety issue as it could increase the possibility of an accident. The School also hosts many evening events where the footpath is in regular and repeated use.

As the Sanderlings property has limited parking of approximately 5 vehicles, parking ones vehicle on the street at night has its inevitable risks attached. If that risk of possible damage is increased by introducing a considerable number of people, late at night and having been in an environment where alcohol and possibly other substances are involved, then this is not an acceptable risk to have placed on existing residents.

#### Prevention of Public Nuisance

There are three areas of concern i) increased litter in the surrounding area from the sale of alcohol and takeaway food every day until midnight ii) increased noise levels from the necessary customers and their vehicles to make the Curry Pot viable, would disturb the peace in an area of private dwellings every evening and into the night. Bedrooms from surrounding properties look onto the Sanderlings and sleep will be disturbed iii) increased noise due to the playing of recorded music from 3p till midnight will be negative for those families in the vicinity of the Sanderlings who bought homes to be in a quiet residential area.

Generally any activity involving increased numbers of people, vehicles, music and alcohol after 11:30 at night is not appropriate for a residential area and it increases the possibility of becoming a public nuisance and significantly raises the risk of criminal and disorderly behaviour.

If possible please suggest alterations to the application that would resolve the problem mentioned above, again paying attention to the licensing objectives

We totally agree with the points raised by Mr. Mas Bissy, and wish to endorse them.

#### ② Public Safety

The Highways Department have very properly posted plans to ban parking close to the entrance on The Willingham Rd to Sanderlings. This proves that there is already concern for road safety on that stretch of road.

③ Prevention of Public Nuisance, we are very concerned by the proposals to have outdoor music until 00:00 hours.

This will be very disruptive to elderly neighbours

PTD

and begs the question, are they going to provide outdoor dining? Potentially very noisy as alcohol diminishes reasonable inhibitions & manners. \* P.S.

Details of representation.....

**Prevention of Crime and Disorder**  
 I would like to voice my objection to the granting of the above licence in view of this objective on the ground of personal experience.  
 Living on the walk home from town it is not uncommon for us to hear people behaving unsocially on the walk home from the pub on a typical Friday and Saturday night between 11.00pm and 1.00am. Behaviour such as shouting, singing, arguing is common place, typical behaviour of being under the influence of alcohol.  
 Having to park our cars on the roadside this behaviour has also lead to damage to our property. This has included flat tyres, minor dents, scuffed paintwork, broken window wipers and wing mirrors. Discarded food smeared over the cars is not uncommon.  
 I feel that an additional licensed premises, within a residential area can only exacerbate this further.

**Public Safety**  
 I would like to draw attention to increased public safety concerns. Entrance to the Sanderlings is unmarked and is situated in close proximity to a road crossing bollard, therefore reducing the width of the road. Although situated within a 30mph speed limit drivers frequently drive in excess of this limit especially in the evenings.  
 It is reported that parking availability within the Sanderlings curtilage is very limited so would obviously lead to increased parking on the roadside on what is a busy main thoroughfare. This would again lead to increased noise, late at night, as customers would make their way home.  
 It is common knowledge that the pavement running in front of the Sanderlings is busy with pedestrian traffic, predominantly with school children walking home from 3.30pm onwards.

Public Nuisance

Aspects of public nuisance that are of concern include increased noise resulting from (a) music playing from 3.00pm - Midnight, (b) increased traffic from those arriving and departing the premises (c) unsociable behaviour resulting from customers who have drunk too much.

All 3 have the potential to cause disturbance to the tranquility of the wider neighbourhood.

In addition there is the possibility of odours emanating from the kitchens, polluting the atmosphere of those living nearby.

If possible please suggest alterations to the application that would resolve the problem mentioned above, again paying attention to the licensing objectives

Dear Licensing Dept

It has been brought to our attention that a Dr Sreenath Krishnanair & Dr Arya Madhavan T/A ? Curry Pot Sanderlings, Willingham Rd, LN8 3RE.

This application has been poorly advertised as many of us who live adjacent to the CURRY POT? In Willingham Rd, were unaware that this application even existed.

That said, my partner and I strongly object to this proposal for the following reasons:

- The location is extremely close to quiet residential housing.
- Where alcohol is involved, the possibility for inappropriate behaviour is increased.
- As there are residential properties and gardens in the immediate vicinity this proposal will have the effect of disturbing people generally and especially the children, who will have been unable to sleep because of the noise.
- The selling of alcohol would also encourage a drinking culture on those Market Rasen race nights, invariably making its way out into the local streets.

We object to this premises license being granted.

Good evening Tracy

Hope you are ok. Happy new year.

I am writing to you in regards to Dr Nair who is the Indian Curry Pot.

As you will remember Tracy I have been the victim of a hate campaign [REDACTED]  
[REDACTED]

Very sadly it seems that people in market Rasen are doing the same to the Indian curry pot and it upsets me very much to see this. They are suffering abuse on the real Rasen chat.

I would just like to say to you that both Sree and his wife Araya have helped me health wise throughout this pandemic more than anyone could ever appreciate.

Their cooking is of the highest medicinal standard that you can get. Dr Nair has helped me as he is an Ayurvedic Dr.

I am absolutely appalled at what they are being put through and I would like you to accept this email from in in support of 2 wonderful people.

If you google Ayurveda you will see that all people that follow the Ayurvedic lifestyle are kind and peaceful.

I have absolutely no doubt whatsoever that what they are applying for will bring some much needed culture to Market Rasen.

I find it so so sad Tracy that 2 such lovely people are being put through this.

If you want any further information you have my number.

Best Wishes

Danielle

Application for Indian curry pot public notice - DR Nair and Dr Madhavan.

Dear Whom it may Concern,

I'm writing to give my view on the above proposal for selling food and alcohol along with outdoor events.

We have bought from and supported this new business many times.

We have been very satisfied with their professionalism, service and quality of food especially during Covid 19. They have gone above and beyond to keep their customers happy and safe. I have heard many more amazing reviews in relation to their food and service.

With this in mind I feel they will continue to act professionally and will ensure noise levels do not to hinder their neighbours.

I feel this is a real gem for Market Rasen, as a small town this is something completely new and different at which is a great asset to the local area.

We are completely supporting the Indian curry pots application for holding small events throughout the year at which I feel as a community that has shown it can all pull together in dia times, this is vital for small businesses like the Indian curry pot to succeed and progress. I feel their application for selling alcohol and outdoor events will enhance the profile of Market Rasen due to their business being something we do not have anywhere locally. Looking forward to future months or years these events will bring our community together again after difficult times, while enjoying what this local business has to offer.

Please don't hesitate to get in touch further.

Kind Regards

Vicki Whittaker

Dear Tracy,

We understand that Drs Nair and Madhavan are applying for permission to offer alcoholic beverages with the indian cuisine which they provide from their home business, The Indian Curry Pot, and that they would like to hold occasional cuisine events in the car park at their address (Sanderlings, Willingham Road, Market Rasen, LN8 3RE).

We have been regular customers of Drs Nair and Madhavan since they started selling indian cuisine a few months ago and have been very happy with the service that they offer. They seem to us to be a very honest and responsible couple, providing a very popular service, and we are happy to support their application.

Yours sincerely,

Dear Tracey

I am writing to you in relation to the application that you are handling from Indian Curry Pot Market Rasen.

Having used them on numerous occasions through the lockdown we have got to know them as a home-based takeaway service providing lovely authentic Indian food and of the highest quality. The owners are lovely upstanding citizens of Market Rasen and a cut above any of the other takeaways. They set the standard. Which can only be good for the area.

What we love about them apart from the excellent food is the fact that we can park in a safe environment and wait in our cars for the food to be brought to us. That may not say a lot, but to be perfectly honest we never feel safe at night in the main street of Market Rasen, because of the drunks, junkies and trouble makers with no police presence.

We are sure that the events that Indian Curry Pot are planning will be a genuine and rich addition to our community life. Their activities will enrich the culinary choices that we have in this town and I wholeheartedly support them and their forthcoming events.

We have lived in Market Rasen for over 20 years.

Yours sincerely

**CAUTION:** External email, think before you click!

I'd like to put a note in about the Indian curry pots application. I see no problem at all with what they want to do. I accept the arguments against it when looking at the wording on the license. However, when looking at what they want to do it's no detriment to the area. Basically all they want to do is have a small number of events at the premises nothing like creating another pub in town and certainly not in to the night. Possibly having live music at the events and some alcohol served with their banquets. I would say as long as there are restrictions and stipulations, as long as they have taken the precautions and exams needed, CCTV, incident book etc, time restrictions, numbers, eating with food. There should be no reason why they can't have the events they do. They have had legitimised events with the temporary ones, which have not been an issue, I feel that this one is just because of the wording and as such the restrictions just need be clear.

Many thanks

Nicola

Indian Curry Pot Market Rasen is a home based takeaway that newly started in the town as we came off the first lockdown. This takeaway is an excellent addition to the eating culture of the town and is used by a good proportion of the community.

The success of this takeaway is proof of the authentic taste that it offers and the honesty of their cooking.

They have been contributing to the communities food bank for the past two months and have become an integral part of Market Rasen.

I am sure that the events that Indian Curry Pot is planning will only help to bring the community together through food.

I have lived in Market Rasen for 24 years and I have engaged in community work with Market Rasen Action Group which I am the chair of.

I know how important Indian Curry pot and their activities are central to the food diversity of this community and I wholeheartedly support them and their forthcoming events.

I look forward to seeing what new ideas they have planned, I also hope they can become involved in our towns own food markets which I help organise

I am a regular patron of the Indian Curry Pot in Market Rasen. I am writing to you re. their application for a licence to sell alcohol with their food.

Their food is delicious, authentic, in fact the best Indian food I have ever tasted. I'm sure a great experience would be enhanced by serving appropriate drinks. Dr Nair and Dr Madhaven work incredibly hard at their business and are to be congratulated for making such a success of it, and wanting to progress with it. It is a credit to them, and also the way they have changed to deliveries because of the present situation, not to mention the fact they are so helpful to everyone. I am thoroughly looking forward to future events being held at their home, when circumstances allow.
