WEST LINDSEY DISTRICT COUNCIL

LICENSING ACT 2003

Reference Number:	TBC
Application type:	Application for the Grant of Premises Licence
Premise:	Gainsborough Grill, 168 Trinity Street, Gainsborough, Lincolnshire, DN21 1JW
Applicant:	Nazilyarim Ltd
Date of Hearing	14th May 2025

1 The Application

- 1.1 The application made is for the grant of a new premises licence under Section 17 of the Licensing Act 2003.
- 1.2 The application submitted is requesting authorisation for the provision of late-night refreshment. The full application with all the relevant details is attached as Appendix 1. The proposed area to be licensed can be seen from the plan which forms part of the application within Appendix 1 for 168 Trinity Street.

2 Background

- 2.1 168 Trinity Street, Gainsborough was previously licensed for the provision of late-night refreshments until 02:00hrs operating under the authorisation of premises licence number 32UHB01805. However, at a licensing hearing to determine a review application submitted by Lincolnshire Police, held on 17th December 2020, members of the licensing sub-committee resolved to revoke that licence, due to not complying with the premises licence conditions and failure to adhere to legislation introduced as a result of the Covid pandemic.
- 2.2 The Current applicant was not the licence holder at that time but is related to that licence holder.

3 Promotion of the Licensing Objectives

- 3.1 In submitting the application the applicant is required to describe any steps intended to be taken in order to promote the following 4 licensing objectives, which are:

- The Prevention of Crime and Disorder
- Public Safety

- The Prevention of Public Nuisance
- The Protection of Children from Harm

3.2 The steps the applicant intends to take are detailed in section M (a-e), of the application form (Appendix 1).

4 Representations – Responsible Authorities

- 4.1 Three representations have been submitted –
- Licensing Team, West Lindsey District Council at Appendix 2.
 - Lincolnshire Police at Appendix 3.
 - Home Office Immigration at Appendix 4.

5 Representations – Other Persons (previously known as Interested Parties)

5.1 None

6 Considerations

6.1 Each application must be considered on its own merits; **standardised conditions cannot be applied across the board** to all licences of a similar type.

6.2 Each representation must be considered and in each case the committee must satisfy themselves whether or not the licensing objectives are being met by the applicant with respect to each matter.

6.3 Therefore, before any conditions can be imposed on a licence, they have to be *appropriate for the promotion of the licensing objectives and where there are other legislative provisions which are relevant and must be observed by the applicant, no additional conditions are appropriate to promote the licensing objectives.* Conditions must be *proportionate, reasonable, and capable of being directly complied with by the licensee.* Furthermore, conditions should be clear and understandable, not be imposed to achieve an ulterior motive outside the scope of the legislation, not over generalised and cannot override primary legislation. If the Sub-Committee are minded that a condition is not appropriate for the promotion of the licensing objectives, then it should not be imposed.

6.3.1 Clearly, the Sub-Committee have to *consider extremely carefully* whether or not additional conditions need to be attached in order for the promotion of the licensing objectives?

6.4 In making its decision the committee must consider the application in line with the following:

- The Licensing Act 2003
- The Section 182 Guidance made under the Act
- The Licensing Authority's Licensing Policy Statement

- Decisions handed down from any relevant case law by the Courts where relevant

6.5 Policy Considerations

6.5.1 When considering the application and representations received, attention is drawn to the Licensing Authority's Policy which can be found at the link below by clicking on the Download Tab, then downloading the Policy:

<http://www.west-lindsey.gov.uk/businesses/licensing/licensing-and-gambling-policies/licensing-policy/104810.article>

6.6 Statutory Guidance

6.6.1 Attention is also drawn to the contents of the section 182 statutory guidance which can be found at the link below:

<https://www.gov.uk/government/publications/explanatory-memorandum-revised-guidance-issued-under-s-182-of-licensing-act-2003>

7 Options

7.1 Licensing Act 18(2) Subject to subsection (3) below, the authority must grant the licence in accordance with the application subject only to –

- such conditions as are consistent with the operating schedule accompanying the application, and
- any conditions which must under section 19, 20 or 21 be included in the licence.

(3) Where relevant representations are made, the licensing authority must –

- hold a hearing to consider them, unless the authority, the applicant and each person who has made such representations agree that a hearing is unnecessary, and
- having regard to the representations, take such of the steps mentioned in subsection (4) (if any) as it considers necessary for the promotion of the licensing objectives.

(4) The steps are –

- to grant the licence subject to-
 - the conditions mentioned in subsection (2)(a) modified to such extent as the authority considers appropriate for the promotion of the licensing objectives, and
 - any condition which must under section 19, 20 or 21 be included in the licence.
- to exclude from the scope of the licence any of the licensable activities to which the application relates.
- to refuse to specify a person in the licence as the premises supervisor.
- to reject the application.

(5) For the purposes of subsection (4)(a)(i) the conditions mentioned in subsection (2)(a) are modified if any of them is altered or omitted or any new condition is added.

Conditions cannot be attached with respect to any part of the application on which no representation(s) have been received.

This is a matter for the committee to determine in light of the above matters and any others it considers relevant.

N.B. Whatever decision the Members of the Licensing Sub-Committee arrive at, they are reminded about the comments made in a recent court case, known as Hope and Glory, in relation to reasons for their decision making. The comments noted from this case stated: “*The fuller and clearer the reasons, the more force they are likely to carry*”. Therefore, taking these comments into account, Members are strongly advised to give good, clear, justifiable reasons in relation to their decision, which will have more chance of being upheld, should the decision be appealed against.

Details of representation

West Lindsey District Council's Licensing Team has evidence that Gainsborough Grill has been opening regularly beyond 23:00hrs without a premises licence with the provision for Late-Night Refreshment (LNR) in the period directly before and whilst they were making this application for a premises licence. We have evidence that the premises has opened beyond 23:00hrs multiple times during December 2024 and in January/February 2025.

By opening beyond 23:00hrs the premises has committed offences under Section 136 of The Licensing Act 2003 relating to unauthorised licensable activity - "carries on or attempts to carry on licensable activity on or from the premises other than under and in accordance with an authorisation".

The current premises licence application is in the name of Nazilyarim Ltd. Companies House shows that the business has two directors – Taner Ozcan appointed 1st December 2023 and Ramazan Ozcan appointed 21st July 2022, both having responsibility for and control of the business during the period that the illegal activity took place.

No real explanation has been offered by either of the Ozcan's relating to the evidence of illegal activity collected by the Council's Licensing Team, either when Ramazan Ozcan was interviewed by licensing Officers on 17th March 2025 or at any time after this.

It is an expectation within the Licensing Act 2003 that a premises licence holder will actively work with the responsible authorities to resolve any issues that arise at or are linked to their business. The applicant has demonstrated that they cannot be relied upon to do this based on the evidence of how they behaved when approached in relation to trading beyond 23:00hrs without a LNR licence.

Alongside the concerns raised by the business trading without a LNR Licence are the concerns raised by the application itself. It fails to identify any risk involved with operating a premises beyond 23:00hrs.

The provision of late-night refreshment is regulated “primarily” because it is often linked to alcohol-fuelled crime and disorder in the night-time economy, such as at fast-food takeaways where late-night drinkers congregate after leaving other licensed premises. The licensing team would identify Gainsborough Grill as one of these premises and as such would expect conditions to be offered by the applicant to mitigate this increased risk.

In the Section 182 Guidance to the Licensing Act 2003 Part 8 deals with “Steps to promote the licensing objectives”. Similarly West Lindsey District Council’s own Licensing Policy states in relation to Late Night Refreshment at 8.6.1 – “With regard to premises providing late night refreshment for consumption off the premises, the Licensing Authority will (on the receipt of relevant representations) carefully consider the level of nuisance likely to be caused by way of noise and litter/food refuse being deposited in the vicinity of the premises. Applicants should consider proposing practical steps in their operating schedule to reduce the likelihood of such problems.” Both the Section 182 Guidance and the council’s own Licensing Policy if read contain information that would help advise and inform an applicant to demonstrate how they intend to actively promote the licensing objectives.

The applicant has failed to identify the clear risk involved with operating post 23:00hrs, failed to offer any conditions that would mitigate against the risk and failed to offer some reassurance that they have done the research suggested around their business and the proposed operating hours.

The premises was previously licensed by West Lindsey District Council, holding a premises licence with provision for late-night refreshment until 17th December 2020. Their licence was revoked by West Lindsey District Council’s Licensing Committee following a licence review application made by Lincolnshire Police. The premises was found to have breached conditions of its licence, as well as having failed to comply with regulations and restrictions imposed by the Government in the interest of public safety during the ongoing Coronavirus pandemic. The licence holder at the point the licence was revoked was Ramazan Ozcan, who is now one of the directors of the company making this new application.

Despite the business previously holding and operating a premises licence with the provision for LNR and having had that licence revoked, the applicant fails to show that anything has been learnt from that revocation or that any steps have been taken to increase knowledge of the Licensing Act 2003 or the promotion of the licensing objectives.

In support of this application, I include the following documents –

KJE5 – reply from Mr R Ozcan.
KJE6 – Menu leaflet from March 2025.

Gainsborough Grill is a pizza/fast food takeaway business located at 168 Trinity Street, Gainsborough, DN21 1JW. The business does not hold a premises licence with provision for late-night refreshment so all sales of hot food or drink to the public should cease at 23:00hrs daily.

The premises was previously licensed by West Lindsey District Council, holding a a premises licence with provision for late-night refreshment until 17th December 2020. Their licence was revoked by West Lindsey District Council's Licensing Committee following a licence review application made by Lincolnshire Police. The premises was found to have breached conditions of its licence, as well as having failed to comply with regulations and restrictions imposed by the Government in the interest of public safety during the ongoing Coronavirus pandemic.

The owner and licence holder of the business at the time that the licence was revoked was Mr Ramazan Ozcan.

Following the revocation of their licence we became aware on 10th August 2022 that Gainsborough Grill were still advertising that they were open and trading past 23:00hrs. A member of staff at the council had a menu leaflet delivered through their door which showed Gainsborough Grill opening hours as Sunday – Thursday 4pm till 11:30pm and Friday-Saturday 4pm till 1am. Exhibit KJE1 refers.

At that time, we had no other information or intelligence other than the leaflet to indicate that they were opening beyond 23:00hrs so were unable to take any further action. However, we did continue to have concerns that the premises was still trading illegally after 23:00hrs, as in January 2024 we obtained another menu leaflet which displayed the opening times as Sunday – Thursday 4pm till 11:30pm and Friday-Saturday 4pm till 1am. Exhibit KJE2 refers.

On 20th December 2024, a member of West Lindsey District Council's Licensing Team was returning from election duties at a polling station in Gainsborough. At approximately midnight they drove past Gainsborough Grill and could see that the lights inside and outside the premises were illuminated with staff still visible behind the counter. They believed that the activity they observed was because the business was open and trading.

Because of what had been observed I spoke with the operators at the Council's CCTV department, asking if they could monitor the premises to see if there was any activity after 23:00hrs which might indicate that they were remaining open. They agreed to do so.

The CCTV camera able to monitor the premises found that they appeared to be open and trading after 23:00hrs on the following dates –
30th, 31st December 2024,
1st, 2nd, 3rd, 4th, 5th, 7th, 8th, 9th, 10th, 11th, 27th, 28th January 2025.

On each occasion footage showed the premises had all internal lights illuminated with the external shop sign also lit up. A combination of delivery drivers and members of the public could be seen entering the shop, then leaving a few minutes later with what appeared to be items for delivery or food they had purchased. On one occasion this activity was still taking place at 01:00hrs. I believed having watched the footage that the premises were regularly opening and serving hot food beyond 23:00hrs.

On 29th January 2025 at approximately 18:25hrs a colleague and myself visited Gainsborough Grill. There were a number of males behind the counter area. After I had identified myself one of them came forward to speak with me. He identified himself to me as Ramazan Ozcan, the manager of the business. I explained to him that I was from the Licensing Team at West Lindsey District Council and just wanted a quick word with him.

I asked if he opened after 11pm and he replied "No".
I then pointed to a menu leaflet on the counter which was a different design to the one from 2022 (KJE1). I asked about the timings on the menu on the counter and he replied – "old menu."
Ozcan then asked me if I wanted to inspect his shop, so I explained again that I was from Licensing Team not Food Hygiene Team. He nodded and I said to him – "I just want to check that you aren't opening after 11 at night". He replied – "No, only staff inside prepping food and cleaning."
I then said – "Because you know you do not have a late-night refreshment licence."
He responded – "Yes – we don't open."
I pointed to the menu leaflet on the counter and said – "So these are old ones." He replied – "Yes just using them up."
I could see the opening times on the menu leaflet were Sunday – Thursday 4pm till 11:30pm and Friday-Saturday 4pm till 1am. I took one of the menu leaflets as I left the store, Exhibit KJE 3 refers.

Ramazan Ozcan was the person in charge of Gainsborough Grill when it held a late-night refreshment licence and at the point that the licence was revoked. It would appear he was still in charge. Having previously held a licence he would be expected to have some understanding of licensing legislation and that for a business like his selling hot food or drink after 23:00hrs a late-night refreshment licence is required.

Having had the opportunity to compare the leaflet menus KJE1, KJE2 and KJE3 it was obvious that were different designs. KJE1 had the cheapest priced pizzas, KJE2 show an increase and KJE3 a further increase in price. This clearly demonstrates that the menu leaflets were separately produced over a period of time as prices went up. They were not old leaflets as Ozcan tried to suggest. All show the premises as being open beyond 23:00hrs.

I was concerned that despite the business losing its licence in 2020 it continued to advertise that it was open and available to sell/deliver food after 23:00hrs, and that it was selling food beyond that time.

Following my visit to the premises I checked with the CCTV operators to see if the visit had deterred the activity being monitored at the premises. They informed me that they appeared to be open past 23:00hrs on the evenings of, 4th, 5th, and 6th February 2025.

Again, all lights were on at the store with a combination of delivery drivers and members of the public seen to enter and then leave with food items for delivery or personal consumption.

On 14th February 2025, a member of my team made me aware of social media postings from Gainsborough Grill for Valentines Day. Exhibit KJE4 refers. These showed they had used a flame emoji to cover up on their menus where they were advertising opening beyond 23:00hrs, which demonstrated to me that they were well aware that they should not be selling or offering food for sale beyond 23:00hrs.

Having assessed all the available evidence, I decided to arrange a test purchase of hot food from the premises to establish if the premises were committing offences under Section 136 of The Licensing Act 2003 of unauthorised licensable activity - "carries on or attempts to carry on licensable activity on or from the premises other than under and in accordance with an authorisation".

On Tuesday 18th February at approximately 23:15hrs I arranged a test purchase at Gainsborough Grill. We had driven past the premises at 23:07hrs, the store had all its lights turned on both inside and out, an open sign was illuminated in the front window and there were staff behind the counter and customers stood in front of it. We parked further down Trinity Street from Gainsborough Grill, at 23:15hrs my colleague Andrew Tucker left the vehicle and went inside Gainsborough Grill to attempt to order food. He was gone for approximately seven minutes and then returned to the vehicle with three portions of chips and three cans of drink that he had purchased from the store. As we drove past the store again we could see that all the lights were still illuminated.

By selling hot food to my colleague after 23:00hrs an offence had been committed under Section 136 of the Licensing Act 2003.

On 24th February 2025 I sent a letter to Mr Ramazan Ozcan inviting him to attend an interview so we could put our evidence to him. He replied by email with a letter attached on 26th February 2025. In the letter he denied opening after 23:00hrs, Exhibit KJE5 refers.

On 4th March 2025, a member of staff at the council had a menu leaflet delivered through their door which showed Gainsborough Grill opening hours as Sunday – Thursday 4pm till 11:30pm and Friday-Saturday 4pm till 1am. Exhibit KJE 6 refers. This was the same leaflet menu design as Exhibit KJE3 and demonstrates that the premises are continuing to advertise that they are open and trading beyond 23:00hrs.

An email exchange was made with Mr Ramazan Ozcan and it was arranged that he attend at West Lindsey District Council's offices to be formally interviewed on 17th March 2025.

On 17th March Ramazan Ozcan attended at the Council Offices at The Guildhall, where he was interviewed by myself and my colleague Tracy Gavins. His brother Taner Ozcan was also in attendance as his "friend" in the interview.

When questioned Ramazan Ozcan initially denied that his premises opened beyond 23:00hrs, that it was always closed at the right time. Then as the evidence was put to him he made various explanations for why the premises was opening after 23:00hrs.

He claimed that it was delivery drivers collecting food that had been ordered before 23:00hrs – when he was shown that on some occasions the store was open an hour or an hour and a half after 23:00hrs he then said the staff must have been doing this behind his back without his knowledge.

He then went on to claim that he had sacked all his old staff after I visited the premises, despite still claiming that he knew nothing about the shop opening after 23:00hrs.

Finally, he claimed he had not been at the premises in an evening for some time as one of his children had been ill.

Despite the evidence they would not accept they had opened after 23:00hrs.

Dear Mr Enderby,

I refer to your letter dated 24th of February 2025 with much surprise.

Please can you provide me with evidence that you are stating in your letter that I have opened my take away after 11pm?

I normally finish orders at 11 pm and close the shop after cleaning and sorting all essential work inside putting everything away and doing my taking then I close the shop to go home.

I look forward to hearing from you to write to you for the explanation that you are expecting from me to put my record straight that I do not trade beyond my time 23.00 hour and then I can make appointment to meet with you to discuss your concerns.

Kind regards

R Ozcan.

Representation:

In relation to this application, the following guidance, policies, and legislation have been considered.

Revised Guidance issued under Section 182 of the Licensing Act 2003

Section 1.8, The police remain key enforcers of licensing law.

Section 1.15, It is recommended that licence applicants contact responsible authorities when preparing their operating schedules

Section 1.17, Each application must be considered on its own merits and in accordance with the licensing authority's statement of licensing policy.

Section 8.43, Applicants are expected to include positive proposals in their application on how they will manage any potential risks. Where specific policies apply in the area (for example, a cumulative impact assessment), applicants are also expected to demonstrate an understanding of how the policy impacts on their application; any measures they will take to mitigate the impact; and why they consider the application should be an exception to the policy.

Section 8.46, While applicants are not required to seek the views of responsible authorities before formally submitting their application, they may find them to be a useful source of expert advice on local issues that should be taken into consideration when making an application. Licensing authorities may wish to encourage co-operation between applicants, responsible authorities and, where relevant, local residents and businesses before applications are submitted in order to minimise the scope for disputes to arise.

WLDC licensing policy 2020

2.4 In reaching a decision of whether or not to grant a licence/certificate, the Licensing Authority will take account of any non-compliance with other statutory requirements brought to its attention, particularly where these undermine the licensing objectives. Non-compliance with statutory requirements may demonstrate that the premises are unsuitable for the activities proposed or that the management of the premises is not adequate to protect the public from harm or nuisance

3.0.7 In an effort to avoid unnecessary hearings, applicants are strongly advised to

prepare risk assessments and from these formulate any steps they consider appropriate to promote the licensing objectives and then to consult with the responsible authorities as defined within the Act before submitting their applications. Failure to do so may lead to representations which can only be determined by the Licensing Sub-Committee.

5.0.1 Each of the four licensing objectives is of equal importance and no one objective will take precedence over the others whilst considering applications. The Licensing Authority considers the effective and responsible management of the premises, instruction, training and supervision of staff in the adoption of best practice to be amongst the most essential control measures for the achievement of the licensing objectives. For this reason, these elements should be specifically considered and addressed within an applicant's operating schedule. The West Lindsey Community Safety Partnership Codes of Practice for the Gainsborough Evening Economy may be of some assistance in ensuring that premises are well managed and operated. The Licensing Authority recommends that applicants carry out their own risk assessments in relation to the four licensing objectives in order to assist them in deciding whether any steps are required to be taken in order to meet those objectives.

5.1.3 The Licensing Authority recommends applicants to include in their operating schedules the steps they propose to take to reduce/deter crime and disorder. These steps will vary from premises to premises and according to the type of licensable activities that are to be carried on.

5.3.4 When addressing the issue of prevention of public nuisance, applicants are encouraged to demonstrate that those factors that impact on the likelihood of public nuisance have been considered. These may include:

- The location of premises and proximity to residential and other noise sensitive premises, such as hospitals, hospices and places of worship*
- The hours of opening, particularly between 23.00 and 07.00*
- The impact of service vehicles, particularly outside of business operating hours. e.g. delivery vehicles, waste and bottle collection etc.*

5.3.5 The following examples of control measures are given to assist applicants who may need to take account of them in their operating schedule, having regard to their particular type of premises and/or activities:

- Appropriate instruction, training and supervision of those employed or engaged to prevent incidents of public nuisance e.g. to ensure customers leave quietly,*
- Provision of CCTV,*

8.6 Late night refreshment

8.6.1 With regard to the premises providing late night refreshment for consumption off the premises the Licensing Authority will (on receipt of relevant representations) carefully consider the level of nuisance likely to be caused by way of noise and litter/food refuse

Gainsborough Grill currently operates as a takeaway serving fast food, opening 7 days a week. This application seeks to obtain a licence to authorise late night refreshment between the hours of 23:00 and 01:00 hours Sunday to Thursday and 23:00 to 02:00 on Friday and Saturday.

The applicant is Nazliyarim Ltd company number 14249503. The two company directors are listed as Ramazan Ozcan and Taner Ozcan. Ramazan has been a director since July 2022 and Taner was appointed to join him in December 2023. Information held on Police systems would suggest that Taner Ozcan has been connected with Gainsborough Grill since at least April 2021.

Gainsborough Grill previously held a late-night refreshment licence between 2018 and 2020 during which time the licence holder was Ramazan Ozcan.

The premises has a concerning licensing history due to previous issues which lead to a formal licence review in 2020. During the Coronavirus pandemic Lincolnshire Police found that the premises was trading beyond the 22:00 curfew imposed by the government. Breaching the Health Protection (Coronavirus, Restrictions) (England) Regulations 2020 was deemed to be a criminal offence, undermining the efforts to prevent the spread of COVID 19.

Further to the above concern, the premises was also found to be in breach of annex 2 conditions relating to CCTV. The CCTV system was not working. This breach is classed as an offence under s.136 Licensing Act 2003.

Lincolnshire Police submitted a licence review application, and the licensing sub-committee decided to revoke the licence. (*See appendix A – Decision notice.*)

Ramazan Ozcan clearly understands that he must have a late-night refreshment premises licence if the business is to open and serve hot food beyond 23:00. He is aware because he previously applied for a licence in 2018 (which was granted) and he was also party to the review process in 2020 whereby the licence was revoked.

Lincolnshire Police work closely with other responsible authorities and are aware that an investigation into the unauthorised licensable activity is ongoing by the West Lindsey District Council licensing team. It is understood that both Ramazan and Taner Ozcan have been interviewed in relation to this s.136 LA 2003 offence.

Lincolnshire Police are concerned that Gainsborough Grill has been open beyond 23:00 hours regularly between December 2024 and February 2025 despite not having a premises licence to permit late night refreshment. There can be no excuse for this unauthorised licensable activity.

Aside from the issues highlighted above, the application is poor with no real acknowledgment of the licensing objectives nor any attempt to offer conditions to mitigate risks associated with the operating style (a takeaway operating into the early hours.) Taner Ozcan did contact Police Licensing to ask if there would be any objections to the application – during this phone call Taner was told that there would be concerns due to the history and the recent evidence of unauthorised licensable activity. It was explained that a representation by Police

was likely. There has been no other consultation in relation to appropriate conditions.

The poor quality of the application submitted would suggest that the applicants have had little to no regard for the Licensing Act 2003 or the Licensing Policy of West Lindsey District Council. Both documents are public and offer guidance to potential applicants.

There has been no change in ownership or management of this premises since problems have been highlighted and Lincolnshire Police have no confidence in the applicant and their ability to uphold the licensing objectives.

Lincolnshire Police respectfully request that the application is rejected due to the reasons outlined above.

If possible, please suggest alterations to the application that would resolve the problem mentioned above, again paying attention to the Licensing Objectives:

Lincolnshire Police do not have any confidence in the applicant or their ability to trade responsibly and uphold the licensing objectives, thus it does not seem appropriate to suggest further conditions at this time.

Licensing Act 2003

Decision Notice for Review of Premises Licence

Date of Hearing	17 December 2020
Members of Panel	Councillor Jessie Milne (Chair) Councillor Angela Lawrence Councillor Tim Davies

Applicant(s) Name	Chief Constable of Lincolnshire Police
Date of Application	04 November 2020
Premises Licence Holder's Name	Mr Ramazan Ozcan
Premises Address	Gainsborough Grill - 168 Trinity Street, Gainsborough, Lincolnshire DN21 1JW
Details of Application	Application for Review of Premises Licence under section 51 of the Licensing Act 2003 Relevant Licensing Activities: Late night refreshment (indoors and outdoors)

RESOLVED

that the premises licence for Gainsborough Grill be **REVOKED**

REASON

In reaching their decision the Licensing Sub Committee heard from the Applicant (Lincolnshire Police), the Premises Licence Holder (Mr Ozcan), and the Senior Licensing Officer (Tracy Gavins). Additionally, ahead of the hearing, the Sub Committee received the hearing agenda, along with additional information and an evidence bundle supplied by the Applicant and the Premises Licence Holder.

In reaching their decision, the Sub Committee had due regard for all that they have read and heard, along with the S182 Guidance, the Licensing Objectives, and the Council's Licensing Policy.

The Sub Committee heard how the Applicant had sought the review of the premises licence following several visits to the premises due to witnessing breaches of the covid-19 restrictions in place in respect of takeaway restaurants, and how those visits had also uncovered breaches of the premises licence conditions in relation to CCTV.

Having had due regard to all that they have read and heard, the Sub Committee remain unconvinced that the Premises Licence Holder is capable of promoting or upholding the Licensing Objectives, and accordingly have decided it is reasonable and proportionate to revoke the premises licence in this instance.

In reaching this decision, the Sub Committee felt strongly that the Premises Licence Holder has not accepted responsibility for the breaches found at the premises. The Sub Committee recognise that these days more than ever, but also generally, a premises licence holder is ultimately responsible for a premises and the safety of staff and customers, and ought to accept responsibility for any failings encountered. Additionally, in accepting responsibility for any failings, a premises licence holder should act swiftly to resolve any such issues.

The Sub Committee were disappointed to hear how it took three visits to the premises by the Applicant before the Premises Licence Holder took any evidenced action to remedy the breaches found at the premises. Indeed, the Sub Committee would have expected a premises licence holder to take immediate action following the first visit by the Applicant to the premises. Additionally, the Sub Committee were very concerned that the premises has been in breach of the CCTV conditions on the premises licence on a number of occasions over the past 18 months, and the Premises Licence Holder had continued undertaking licensable activities despite being aware of the breach.

The Sub Committee did note the evidence bundle submitted by the Premises Licence Holder ahead of the hearing documenting the legally required covid-19 risk assessment, and staff training log etc. but agreed with the Applicant and considered it to be generic and not tailored to the premises; by his own admission the Premises Licence Holder had paid for the documents to be drawn up on his behalf.

Given the pandemic and the incredible risk posed to public safety at present, the Sub Committee feel that now more than ever there is a need for premises licence holders to ensure their premises are run legally and safely, and having heard from the Premises Licence Holder that he relies heavily on his wife and accountant for assistance, the Sub Committee are not convinced that the documents promoting covid compliant behaviours and restrictions will be vigorously applied at the premises by the Premises Licence Holder going forwards.

Taking everything into consideration, the Sub Committee unanimously agreed that there were no conditions on the premises licence that they could modify that would give them confidence in the Premises Licence

Holder's ability to uphold and promote the licensing objectives, nor did they consider that simply suspending the premises licence would achieve any change. The Sub Committee therefore felt that it was reasonable and proportionate to the promotion of the licensing objectives that the premises licence should be revoked. In reaching their decision, the Sub Committee stress to the Premises Licence Holder of the need to continue to adhere to the covid-19 risk assessment, and to strictly comply with all regulations and restrictions imposed by the Government in the interest of public safety, not only to staff but also customers.

Right of Appeal

1. All parties were reminded of the right to appeal the above decision to the Magistrates Court within 21 days of being notified.
2. All parties will be given a written copy of the decision notice within five working days of this hearing.

LICENSING SUB-COMMITTEE HEARING SUBMISSION

Date of Hearing: 14th May 2025

Premises: Gainsborough Grill – Takeaway, Gainsborough

Applicant: Nazilyarim Ltd (Directors: Mr. Ramazan Ozcan & Mr. Taner Ozcan)

Applicant Representative: Mr Bahram Shok, Mackenzie friend

1. Opening Statement

Chair, Members of the Sub-Committee,

Thank you for the opportunity to represent Gainsborough Grill in this application. We are here to respectfully request a modest two-hour extension to the current licensing hours, from 11:00 PM to 1:00 AM, for a well-established takeaway located in Gainsborough.

This request is rooted not in ambition, but in fairness and consistency. The premises previously operated with these extended hours until 2020, when the licence was revoked without the benefit of a hearing. This denied the operators their right to a fair process and an opportunity to present mitigating evidence.

Moreover, several comparable establishments in the area—particularly around Trinity Street—continue to trade until 2:00 AM. Granting this application would align Gainsborough Grill with those businesses and ensure a level playing field in Gainsborough’s late-night economy.

2. Supporting Arguments

Legal

- The 2020 revocation was made without due process. There was no hearing or opportunity to defend the business.
- The Licensing Act 2003 promotes fairness, transparency, and the right to be heard. This application restores that opportunity.

Practical

- There is genuine customer demand for Turkish food past 11 PM, particularly from shift workers and late-night visitors.
- The business has operated compliantly since 2020, with no public complaints during standard hours.

- Late-night staff presence was for cleaning and preparation, not public service. A new protocol ensures future compliance.

Community-Focused

- Extending hours can improve safety by staggering closing times and reducing crowd congestion.
- The business agrees to adopt CCTV, litter patrols, and staff training to uphold licensing objectives.

3. Anticipated Objections & Rebuttals

Objection: The takeaway has been witnessed serving after 11 PM without authorisation.

Rebuttal: Staff remained on-site for private cleaning and preparation. Internal controls are now in place to prevent recurrence.

Objection: Concerns about antisocial behaviour or noise.

Rebuttal: No complaints have been linked to this premises. The business proposes measures to prevent disruption.

Objection: Revocation in 2020 reflects prior non-compliance.

Rebuttal: That decision occurred without a hearing. The applicant has demonstrated lawful conduct since then.

Objection: Granting the application may set a precedent.

Rebuttal: Several nearby takeaways already trade until 2:00 AM. This request seeks parity and fairness.

4. Closing Statement

Chair and Members,

In closing, this application is not about seeking advantage but about restoring fairness and opportunity. The operators recognise past issues and are committed to working closely with the Council to ensure compliance moving forward.

Denying this request would punish the business for actions taken without the benefit of due process. Approving it with reasonable conditions provides oversight, safety, and fairness.

We respectfully request you grant the extension to 1:00 AM and apply any conditions you see fit.

Dear Members of the Licensing Sub-Committee,

14/05/2025

We write further to the recent communication regarding the adjournment of the hearing scheduled for 14 May 2025 concerning our application to extend the operating hours of Gainsborough Grill.

We have only recently been made aware that the premises licence was revoked in December 2020. To our knowledge, we were never properly notified of that decision, nor given the opportunity to attend a hearing or respond to the allegations at the time. We believe that this represents a serious procedural shortcoming and an unfair outcome for our business.

In the interests of fairness and efficient use of Council resources, we respectfully request that the Sub-Committee consider reinstating the previous two-hour extension (11:00 PM to 1:00 AM) without the need for a further hearing. We are committed to working closely with the Licensing Authority to address any historical concerns and to fully comply with all licensing objectives moving forward.

We have submitted a new application for the requested hours and paid the required fee. We would welcome the opportunity to resolve this matter without delay, and to agree to any reasonable conditions that the Sub-Committee may feel appropriate to ensure ongoing compliance.

We further note that other nearby premises on Trinity Street are currently licensed to operate until 2:00 AM, and our request merely seeks parity and fairness in supporting Gainsborough's late-night economy.

In light of all the above, we ask:

- Whether a hearing is necessary under these circumstances, and
- That the Council consider reinstating the previous extended hours (to 1:00 AM) by way of resolving this issue fairly and proportionately.

We remain committed to full cooperation with the Council and thank the Sub-Committee for its attention and fairness in reviewing this matter.

Yours faithfully,

Nazilyarim Ltd

Subject: Request for Consideration of Application Without Hearing – Mr. Taner Ozcan

Dear Tracy,

I kindly ask that you forward this message, along with the attached statement in support of Mr. Taner Ozcan, to the Head of your Department for consideration.

Given the clear and compelling case outlined in the statement, I believe it would be fair and proportionate to grant the requested two-hour extension to the premises licence without the need for a formal hearing. Doing so would not only save time and resources for all involved but also reflect a sensible and just decision in support of a local business striving to operate responsibly and equitably.

I respectfully urge the Council to consider this request seriously and to take the necessary steps to approve the application in the interest of fairness, consistency, and efficiency.

Thank you for your attention and cooperation

Kind regards

Bahram Shok

Statement in Support of Mr. Taner Ozcan

Application to Extend Licensed Closing Time from 11:00 PM to 1:00 AM

Dear Members of the Licensing Sub-Committee,

I am writing in support of Mr. Taner Ozcan and his application to extend the licensed closing time of his takeaway premises in Gainsborough from 11:00 PM to 1:00 AM.

This application is submitted in good faith and at significant financial cost by Mr. Ozcan, a young entrepreneur who has demonstrated clear intent to operate within the framework and expectations set by the Council. He has shown willingness to cooperate, comply, and communicate—core values any licensing authority should encourage.

It is important to distinguish Mr. Taner Ozcan's application and current business from historical matters involving another individual, Mr. Ramazan Ozcan, in 2020. At that time, a previous licence was revoked. While that revocation is said to have followed a remote hearing during the COVID period, Mr. Taner Ozcan continues to maintain—and rightly so—that the process was experienced as unfair and that the impact of that decision has been allowed to cast a long and unjust shadow over any subsequent applications, including the current one. That is fundamentally incompatible with the principles of procedural fairness.

This is a new company, a new applicant, and a fresh effort to serve the local community in accordance with the law. The Council must not allow past issues involving another operator to bias its consideration of this application. To do so would be to penalise Mr. Taner Ozcan for matters over which he had no control. This would not only be legally questionable but also ethically indefensible.

Moreover, it is necessary to place this application in the context of the local trading environment. There are other takeaway establishments in the vicinity currently permitted to operate until 2:00 AM. Denying Mr. Ozcan the same opportunity, despite his compliance and professionalism, creates an uneven playing field and undermines the principles of fairness and competitive neutrality. In today's fragile economic climate, such inequity can mean the difference between the survival and closure of a small business.

Mr. Ozcan has been transparent throughout the process. When the need for an interpreter became apparent, he notified the Council. Any delay caused by this request was in the interest of ensuring full understanding and meaningful participation at the hearing—something that benefits not only the applicant but also the integrity of the proceedings.

I urge the Sub-Committee to judge this application on its own merits. Mr. Ozcan is not seeking a privilege; he is seeking parity, fairness, and a genuine opportunity to contribute to the local economy. He is ready to meet any conditions the Council deems appropriate to uphold the licensing objectives. What he seeks is the chance to operate under a reasonable and fair closing time—one that matches his peers and reflects modern trading realities.

For these reasons, I respectfully request that the Council grant Mr. Taner Ozcan's application for an extension of trading hours from 11:00 PM to 1:00 AM.

Thank you.
