	<p><b>Cars using electric charging spaces</b></p>	<p>During the CPR meeting on 8 November 2018, Cllr Devine asked:</p> <p>"How does WLDC police the fact that once a car is charged the owner moves it from the charging space?"</p> <p>WLDC officers offered to consult with car parks to see if there was an answer to this.</p>	<p>It is intended for the two spaces at Roseway car park to allow 20 minutes grace following a charge of the vehicle. If that isn't adhered to, then the wardens will issue parking tickets in the same way as for all other spaces.</p> <p>There is no charge for the space, but there is a cost for the electricity.</p>	<p>13/12/18</p>	<p>David Kirkup</p>
