	Improvement to street scene across the district	Work item requested by C&I cttee. Extract of mins 09/01/2018: "A Member of Committee enquired about whether there was any scope to look at aspects of towns and villages that incorporated such things as public artwork or fountains. It was suggested that these could be looked at as street furniture or as part of the overall street scene... [it was suggested that] ... it might be possible to undertake a separate piece of work to look specifically at grants available for improvement of area through public artwork or installations. It was requested that this be noted as a future work point."	Date extended for consideration in 2018/19 committee work plan. UPDATE: discussed in Chair's Briefing 19 Dec 2018. With the completion of the public realm work, pending recommendations to committee, it was suggested for the item to be considered for inclusion in the 19/20 cttee work plan as a follow on project.	28/06/19	Mark Sturgess
