1.0 Background to the Riseholme Neighbourhood Plan

- 1.1 The Riseholme Neighbourhood Plan area was designated on the 6th March 2015. After this, the Neighbourhood Plan Steering Group undertook a significant amount of public consultation to identify the core issues that the local community would like to see included within the Neighbourhood Plan.
- 1.2 Several consultations have taken place, as well as public meetings, public events, community days, discussions with local businesses and talk within the local schools.
- 1.3 The Neighbourhood Plan Group identified and commissioned a number of technical reports and evidence base studies in order to support the emerging Neighbourhood Plan. The evidence base was also used to inform the planning policies and justification for the various issues raised by the community.

Issues and policies included within the Neighbourhood Plan, include:

- Location of future housing
- Type and design of new development
- Protection of open spaces and landscape
- Landscape character

2.0 Examination and Public Referendum

- 2.1 There are two statutory final stages in completing the Neighbourhood Plan that are the responsibility of West Lindsey District Council to organise and cover the costs for; i) the independent examination, and ii) the referendum. The independent examination has now been completed and the Independent Examiner (Andrew Ashcroft) has advised that the plan should proceed to public referendum.
- 2.2 Accordingly, it is now recommended that members support and approve this next stage of the process and, in line with regulations, agree the date for this to happen. The District Council must give at least 28 working days notice in advance of the start of the referendum. The qualifying body (Neighbourhood Plan Group) may campaign before the referendum, subject to rules over expenses.
- 2.3 The Riseholme Public Referendum has been arranged to take place on **Thursday the 27th October 2016.**

2.4 Members will recall from the two successful previous referendums that if more than 50% of those voting in the referendum vote 'yes', then the council will bring the plan into legal force.

3.0 Next Steps after the Referendum

3.1 If the outcome of the public referendum is supportive of the plan (i.e. more than 50% of the people who vote, vote in favour of the Plan) the Local Planning Authority must formally 'make' the Neighbourhood Plan. Again, as with the two previous 'made' plans, this will be formalised by bringing the Neighbourhood Plan back before Council for a final time. Subject to a positive outcome at public referendum, it is likely that this will be at the November Full Council meeting.

3.2 Once this has been undertaken the Neighbourhood Plan form part of the statutory planning policy requirements for the Riseholme parish area.

4.0 Recommendation

4.1 **Members formally approve the Riseholme Neighbourhood Plan advancing to Public Referendum, in line with the advice received from the independent Examiner.**
