Details of representation.....

The proposed site is close to our secondary school of 1000 students. We have already significant concerns regarding safety of children on Willingham Rd with parents picking up at 3.30pm. There has been an accident injuring a child seriously. Our campaign for the traffic safety on the road near school is well documented & supported by Mayor & local council. This proposal would bring greater traffic at a time when traffic is dangerous

on this road with pupils crossing.
It risks adding further impediments
to the safety of children leaving
school at 3.30pm,

If possible please suggest alterations to the application that would resolve the problem mentioned above, again paying attention to the licensing objectives

Not within hours of school leaving.

Once the Licensing Team has received this form you will receive a written acknowledgment and you may be contacted to discuss the issue prior to any referral to a sub-committee hearing.

Please tick this box if you consent to any notice of any hearing being sent to you to the e-mail address provided by you above. (Please note if any notice is sent to you by electronic means, you will also receive confirmation of the same in writing).

Please tick this box if you do not intend to attend or be represented at any hearing.

If you wish to withdraw any representations you may do so confirming this in writing to the address given below, providing you do so no later than 24 hours before any hearing, or otherwise orally at the hearing.
