# FEES AND CHARGES REPORT

# **APPENDIX 5 – CEMETERIES**

### 1. Service Description

West Lindsey District Council currently maintains 2 open cemeteries – Legsby Road, Market Rasen and School Lane, Springthorpe.

Costs for maintaining the grounds at these sites have been steadily increasing, but the income received from the sites is small and therefore the council heavily subsidises the service. In 2020/2021 the net cost was £84,742.

There are two service charges applied to the cemeteries:

- Exclusive Right of Burial (EROB) allocation of grave space for period of 99 years
- Memorials and inscriptions permission for erection of memorial or adding of inscription to existing memorial

#### 2. Prior years analysis, current financial year projections

The Cemetery service is demand driven and cannot be influenced. The table below illustrates volumes for 2018/2019, 2019/2020, 2020/2021 and actuals to Mid July 2021.

### 3. COVID Impact

There has been no impact on the service or income levels as a direct result of Covid-19.

#### 4. Pricing

Recent benchmarking shows the fees set for this service are now more in alignment with neighbouring councils. The 2019/2020 approved increase was the final step towards the charges set by other councils. With effect from 2022-23 the proposal is to increase fees by inflation at 3.9%, rounded to the nearest 50p.

### 5. Understanding Customers and Markets

The table below shows the last 3 financial year volumes data for burials for West Lindsey District Council and volumes Mid July for the current year. There has been a small decline in numbers over the last financial year.

The service is one that is linked to the demographics of the area and the space available.

<b>Financial Year</b>	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec	Jan	Feb	Mar	Total
2018/19	1	1	0	2	1	0	1	1	4	3	1	3	18
2019/20	2	4	3	1	1	2	1	0	2	2	1	2	21
2020/21	2	0	2	1	2	1	0	1	1	1	1	1	13
2021/22	1	3	2	1									7

#### 6. Proposed Charging

The proposed charges are outlined in the table below. The significant amendment to note is that a new fee schedule for non-West Lindsey residents has been introduced which doubles the standard charge in place for residents. This change has been introduced to bring the fee schedule in line with other areas and to ensure that space within these cemeteries remains focussed on local provision. This approach is common for other cemetery fees in similar areas.

There will be a discretionary aspect to this, for example, in cases where someone was a resident and was moved to a care home outside of the district. A guidance note will be placed onto the website with the fees to outline the position on this.
