<p><b>Black</b></p>	<p><b>response to supplementary questions regarding depot facilities</b></p>	<p>extract from mins of mtg 24/1/22</p> <p>Leader in terms of the planning and approval process for the facility Members were assured that this was a state-of-the-art facility and that it was future-proof. It is concerning that reports I am receiving from public and staff regarding such things as doors not being wide enough to take vehicles, platforms not high enough for machines such as the sand bagger and the facility does not take items such as brick rubble, or no provision has been made – that is a real concern given the level of fly-tipping. Can I ask Leader what are your views on that?</p> <p>The Leader of the Council responded, indicating that this was the first time he had been made aware of such issues. As such he indicated that he would need to speak with relevant Officers and provide further information outside of the meeting to Councillor Young.</p>	<p><b>The questioner has been provided with a full response to the supplementary question.</b></p>	<p>25/02/22</p>	<p>Ady Selby</p>

O Bierley</p>

			<p>regarding street lighting motion, passed by the Council, and which was important to many residents. He commented on the noticeable absence of any media coverage regarding the motion, surmised at the reasons for this, and spoke of opportunities missed by the Leader.</p> <p>The Chairman interjected and advised that he would request the Leader to respond in writing, but that Leader's announcements were concluded and not for debate.</p> <p>22/10 - Up to the time of writing Lincolnshire County Council has not responded to my (the Leaders) letter; however I have been informally advised that requests for specific lighting to be turned on overnight, made through the normal channels, will be considered. This clearly remains work in progress.</p> <p>Further communications have been issued to the Leader of LCC requesting engagement - it is hoped a report can be made to the Prosperous Communities Committee before the end of the civic year</p>
