

Overview and Scrutiny Work Plan

Purpose:

The table below provides a summary of meetings scheduled throughout 2022/23 and notes items of business that are due to be heard.

Members of the Committee are asked to consider additional items of business. Suggestions include a review of the previously introduced Parish Charter and a summary report of the outcome of the review regarding the process for Disabled Facilities Grants.

Members are requested to be mindful of allowing scope for referrals from the policy committees or Council, as well as the regular review of the full forward plan for all committees.
