Green	Update Report on the target number of visited establishments	From Minutes of Regulatory Committee meeting on 9 June 2022: "...a Member asked a question about the resources available. In response, the Officer stated that there were additional temporary resources, and these depended on additional factors, in order to achieve the '477' target of visited establishments. Members would be kept up to date and it was suggested a six month position update report would be of assistance."	Please see the action required.
