

# FEES AND CHARGES REPORT

## APPENDIX 12 – STRATEGIC HOUSING

### 1. Service Description

Housing and Communities has a number of Fees and Charges namely:

- Housing Enforcement Charges
- Selective Licensing

#### Housing Enforcement Charges

The Housing Act makes provision for the Council to recover its costs when carrying out certain enforcement functions. This is generally in relation to the serving of notices and the carrying out of works in default. A more proactive approach to enforcement is resulting in more cases where charges can be applied, therefore there is more potential to recover certain costs.

The Council can also now issue Civil Penalties for certain housing offences and the income derived from these is ring fenced to resource further private sector housing work.

#### Selective Licensing

The Council's existing scheme ended on the 18<sup>th</sup> of July 2021. Without a scheme the scope to issue Civil Penalties for offences is greatly reduced and therefore has an impact on the income that can be achieved.

A feasibility exercise is underway in relation to whether a new scheme will be designated and any revised fee for this will be go through the necessary approvals.

### 2. Prior years analysis, current financial year projections

The table below illustrates income achieved 2019/2020, 2020/2021 and 2021/2022. A forecast for 2022/2023 is provided.

Income achieved	2019-20 (£)	2020-21 (£)	2021-22 (£)	2022-23 Forecast (£)

Income Achieved (Above)/Below Budget	(2,786)	8,419	14,251	-

### 3. Pricing

Housing Enforcement Charges only represent a small element of the Housing and Communities Service.

The costing for each element has been calculated based on a proportionate hourly rate for staff time with absorption of overheads and additional costs.

### 4. Understanding Customers and Markets

#### Housing Enforcement Charges

The scope for increasing income within housing enforcement charges is limited. Charges can only be applied in set situations and our policy approach is to resolve matters reasonably and cooperatively. Charges are only applied when formal notices are served which is usually only as a last resort measure.

#### Selective Licensing

The legislation for selective licensing is very prescriptive in regard to fees and charges therefore the current scheme is in line with this. Should any other schemes be considered in the future the fees will be reviewed accordingly.

### 5. Proposed Charging

#### Housing Enforcement Charges

It is proposed to apply inflation at 6% to the current years' fee.
