Overview and Scrutiny Procedure Rules

1. Number and Arrangements for Overview and Scrutiny Committee

1.1 The Council will have one Overview and Scrutiny Committee.

‘Overview and Scrutiny Committee’

It will perform all overview and scrutiny functions on behalf of the Council and will be politically balanced.

1.2 The terms of reference of the Overview and Scrutiny Committee will be as detailed in Article 7 and Part IV of the Constitution.

2. Seats on Overview and Scrutiny Committee

2.1 All Councillors, with the exception of the Chairman, Leader of the Council, Deputy Leader of the Council, and Leader of the Opposition, may be members of the Overview and Scrutiny Committee. However, no member may be involved in scrutinising a decision in which he/she has been directly involved.

2.2 A member must if he/she is involved in the consideration of a matter at a meeting of the Overview and Scrutiny Committee of the Authority or a sub-committee of that Committee, regard himself/herself as having a personal and a prejudicial interest if that consideration relates to a decision made, or action taken, by another of the Council's –

- committees or sub-committees; or
- joint committees or joint sub-committees.

of which he/she may also be a member and took part in that decision making.

2.3 Sub-paragraph (2.2) above shall not apply if that member attends that meeting for the purpose of answering questions or otherwise giving evidence relating to that decision or action.

3. Co-optees

3.1 The Overview and Scrutiny Committee shall be entitled to appoint a number of people as non-voting co-optees.

4. Meetings of the Overview and Scrutiny Committee

4.1 Special meetings may be called from time to time as and when appropriate.

- 4.2 An Overview and Scrutiny Committee meeting may be called by the Chairman of the Committee, by a simple majority of members of the Committee or by the Proper Officer if he/she considers it necessary or appropriate.

5. Quorum

- 5.1 The quorum for the Overview and Scrutiny Committee shall be one quarter of the whole numbers of members provided that in no case shall the quorum of the committee be less than four voting members.

6. Work Programme

- 6.1 The Overview and Scrutiny Committee will be responsible for reporting annually to the Council on both its proposed work plan and its work in the preceding year and, in doing so, shall take into account wishes of members on the Committee who are not members of the largest political group on the Council.

7. Agenda Items

- 7.1 Any member of the Overview and Scrutiny Committee shall be entitled to give notice to the Proper Officer that he/she wishes an item relevant to the functions of the Committee to be included on the agenda for the next available meeting of the Committee. On receipt of such a request, the Proper Officer will ensure that it is included on the next available agenda.
- 7.2 The Overview and Scrutiny Committee shall also respond, as soon as its work programme permits, to requests from the Council and policy committees to review particular areas of council activity. Where it does so, the Overview and Scrutiny Committee shall report their findings and any recommendations back to the relevant policy committee and/or Council. The Council and/or the relevant policy committee shall consider the report of the Overview and Scrutiny Committee at the next available meeting.
- 7.3 There will be a standing item on the agenda of all ordinary meetings of the Overview and Scrutiny Committee which will allow for consideration to be given to the work programme.

8. Policy Review and Development

- 8.1 The role of the Overview and Scrutiny Committee in relation to the development of the Council's budget and policy framework is set out in detail in the Budgetary and Policy Framework Procedure Rules in Part V of this Constitution.
- 8.2 In relation to the development of the Council's approach to other matters not forming part of its policy and budgetary framework, the Overview and Scrutiny Committee may make proposals to policy committees for developments in so far as they relate to matters within its terms of reference.

- 8.3 The Overview and Scrutiny Committee may hold inquiries and investigate the available options for future direction in policy development and may appoint advisers and assessors to assist in this process. It may go on site visits, conduct public surveys, hold public meetings, commission research and do all other things that it reasonably considers necessary to inform its deliberations. It may ask witnesses to attend to address it on any matter under consideration and may pay to any advisers, assessors and witnesses a reasonable fee and expenses for doing so.

9. Reports from the Overview and Scrutiny Committee

- 9.1 Once it has formed recommendations on proposals for development, the Overview and Scrutiny Committee will prepare formal reports and submit them to the Proper Officer for consideration by the relevant policy committee (if the proposals are consistent with the existing budgetary and policy framework), or to the Council as appropriate (e.g. if the recommendation would require a departure from, or a change to, the agreed budgetary and policy framework).
- 9.2 If the Overview and Scrutiny Committee cannot agree on one single final report to the Council or the relevant policy committee as appropriate, then up to one minority report may be prepared and submitted for consideration by the Council or policy committee with the majority report.
- 9.3 The Council or policy committee shall consider any report of the Overview and Scrutiny Committee at the next available meeting after being submitted to the Proper Officer.

10. Consideration of Overview and Scrutiny Committee's Reports by Policy Committees

- 10.1 Once an Overview and Scrutiny report on any matter which is the responsibility of a policy committee has been completed, it shall be included on the agenda of the next available meeting of the relevant policy committee.

11. Rights of Overview and Scrutiny Committee Members to Documents

- 11.1 In addition to their rights as Councillors, members of the Overview and Scrutiny Committee have the additional right to documents and to notice of meetings as set out in the Access to Information Procedure Rules in Part V of this Constitution.
- 11.2 Nothing in this paragraph prevents more detailed liaison between the relevant policy committee and the Overview and Scrutiny Committee as appropriate depending on the particular matter under consideration.

12. Members and Officers Giving Account

- 12.1 The Overview and Scrutiny Committee may scrutinise and review decisions made or actions taken in connection with the discharge of any council functions within its remit. As well as reviewing documentation, in fulfilling the

scrutiny role, it may require any member of a policy committee, the Head of Paid Service or an Assistant Director to attend before it to explain in relation to matters within its remit –

- (a) any particular decision or series of decisions; and
- (b) the extent to which the actions taken implement Council policy

and it is the duty of those persons to attend if so required.

More junior officers may be invited to assist the Committee.

- 12.2 Where any member or officer is required to attend the Overview and Scrutiny Committee under this provision, the Chairman of the Committee will inform the Proper Officer. The Proper Officer shall inform the member or officer in writing giving at least five working days' notice of the meeting at which he/she is required to attend. The notice will state the nature of the item on which he/she is required to attend to give account and whether any papers are required to be produced for the Committee. Where the account to be given to the Committee will require the production of a report, then the member or officer concerned will be given sufficient notice to allow for presentation of that documentation.
- 12.3 Where, in exceptional circumstances, the member or officer is unable to attend on the required date, and then the Overview and Scrutiny Committee shall, in consultation with the member or officer, arrange an alternative date for attendance.

13. Attendance by Others

- 13.1 The Overview and Scrutiny Committee may invite people other than those people referred to in paragraph 12 above to address it, discuss issues of local concern and/or answer questions on issues within the remit of the committee. The committee may, for example, wish to hear from residents, stakeholders and members and officers in other parts of the public sector and shall invite such people to attend.

14. Call-In

- 14.1 Call-in should occur where members of the Overview and Scrutiny Committee have evidence which suggests that the policy committee(s) for which it is responsible did not take the decision in accordance with the principles set out in Article 12.
- 14.2 Five working days are to be allowed for the call-in of decisions. The procedure is as follows –
 - (a) If four members on the Overview and Scrutiny Committee wish to call in a decision with a view to requesting that the relevant policy committee reconsiders the decision, this must be done within five

working days of publication of the decision, provided the issue in question has not been recorded as urgent.

- (b) Any request to call in a decision must be in writing, be signed by the four members and set out the resolution to be considered. The call-in notice should also set out the reason(s) why the decision should be reconsidered. The notice should be sent to the Head of Paid Service no later than 5pm on the fifth working day following publication of the decision.
 - (c) Decisions can only be called in once and must be considered at the next meeting of the Overview and Scrutiny Committee unless the agenda for that meeting has already been published. If the agenda has been published, the issue will be considered at the subsequent Overview and Scrutiny Committee meeting unless the matter is considered urgent by the Chairman of the Overview and Scrutiny Committee, taking into account any views of the Chairman of the Committee whose decision has been called in.
 - (d) The date of publication of the decision will be deemed to be the day on which the minutes were published on the Council's website.
 - (e) If having considered the decision the Overview and Scrutiny Committee may:
 - (i) refer back to the relevant policy committee for further consideration, setting out in writing its recommendations; or
 - (ii) not refer back to the relevant policy committee and the decision shall take effect on the date of the overview and scrutiny meeting.
- 14.3 Where a matter is to be referred to another committee, call-in only applies after the matter has been considered by that other committee.
- 14.4 Call-in does not apply to recommendations to Council nor to Council decisions themselves.
- 14.5 The Chairman of the committee whose decision has been called in shall be invited to the Overview and Scrutiny Committee meeting when the item is considered. The Chairman of the Overview and Scrutiny Committee (or his/her representative) shall attend the policy committee meeting when the called-in item goes back for consideration.
- 14.6 Where a policy committee does not wish to accept the recommendation(s) of the Overview and Scrutiny Committee on a called-in decision, the decision shall be referred to Council.
- 14.7 The call-in procedure set out above shall not apply where the decision being taken by the policy committee is urgent. A decision will be urgent if any delay likely to be caused by the call-in process would seriously prejudice the Council's

or the public interest. The record of the decision shall state whether, in the opinion of the decision-making committee, the decision is an urgent one and, therefore, not subject to call-in. The committee taking the decision must agree both that the decision proposed is reasonable in all the circumstances and to it being treated as a matter of urgency. The Chairman of the Overview and Scrutiny Committee shall be consulted before any matter is dealt with under this urgency procedure.

14.8 Urgency in this context goes further than the urgency provisions contained in the Local Government (Access to Information) Act 1985 relating to late reports. A report may well have been submitted to the relevant committee in good time but the implementation of the decision is nevertheless considered urgent.

14.9 The operation of the provisions relating to call-in and urgency shall be monitored annually.

15. Procedure at Overview and Scrutiny Committee Meetings

15.1 The Overview and Scrutiny Committee shall consider the following business –

- (a) minutes of the last meeting;
- (b) declarations of interest;
- (c) consideration of any matter referred to the Committee for a decision in relation to call-in of a decision;
- (d) (responses of the policy committee(s) to reports of the Overview and Scrutiny Committee;
- (e) the business otherwise set out in the agenda for the meeting; and
- (f) the work programme.

15.2 Where the Overview and Scrutiny Committee conducts investigations (e.g. with a view to policy development), the Committee may also ask people to attend to give evidence at committee meetings which are to be conducted in accordance with the following principles:

- (a) that the investigation be conducted fairly and all members of the Committee given the opportunity to ask questions of attendees, to contribute and speak;
- (b) that those assisting the Committee by giving evidence be treated with respect and courtesy; and
- (c) that the investigation be conducted so as to maximise the efficiency of the investigation or analysis.

15.3 Following any investigation or review, the Committee shall prepare a report for submission to the appropriate policy committee and/or Council as appropriate and shall make its report and findings public.

16. Oversight Commissions

- 16.1 Part of the role of the Overview and Scrutiny Committee is to provide support to the two policy committees by holding commissions on specific areas as requested by those committees.

To commence a commission: -

- The Prosperous Communities Committee and/or the Corporate Policy and Resources Committee will agree the purpose, scope and terms of reference of a commission and make a formal request via the Chair of Overview and Scrutiny (by formal report) that a commission is established to investigate in detail a particular issue from a national, regional, sub-regional and local perspective.
- The proposed report and terms of reference for a commission should be agreed with the Chair of Overview and Scrutiny Committee prior to being submitted to the commissioning policy committee for agreement.'
- In undertaking such a commission, the Overview and Scrutiny Committee may hold inquiries and investigate options for future direction in policy development. They may appoint advisers and assessors to assist in this process. They may go on site visits, conduct public surveys, hold public meetings, commission research and do all other things that they reasonably consider necessary to inform their deliberations. They may ask witnesses to attend to address it on any matter under consideration and may pay to any advisers, assessors and witnesses a reasonable fee and expenses for doing so, as specified in the Constitutional operating procedures.
- If a budget is required this will need to be agreed by the commissioning Committee.
- The Overview and Scrutiny Committee will report back their findings to the Commissioning Policy Committee.

WEST LINDSEY DISTRICT COUNCIL

FINANCIAL PROCEDURE RULES

Approved by Governance and Audit Committee April 2023

INTRODUCTION

1 FINANCIAL PROCEDURE RULES

1.1 Strong financial controls are vital within any public sector organisation. The use of public funds must be transparent and both Members and officers must be held accountable for how public funds are used. These Financial Procedure Rules have been formulated having particular regard to the following –

- The financial framework operating within the Council.
- Promoting the accountability of officers for the financial resources required to deliver their services.
- Compliance with all current legislative financial standards and Codes of Practice.
- A culture of openness and scrutiny.
- The promotion of a culture of managerial flexibility within the statutory and organisational constraints of a public sector body.

1.2 The Financial Procedure Rules establish the system of control for financial decisions. They are an integral part of the Council's Constitution. The rules reflect the responsibilities arising from being entrusted with public money.

1.3 The Financial Procedure Rules consist of 2 parts:

- The first part defines the roles of Councillor and officers and sets the framework within which the Rules operate;
- The second part contains the overarching regulations, and provides the detailed 'Rules' on how those regulations are implemented.

1.4 A series of detailed guidance notes and practice support the Financial Procedure Rules. Whilst the detailed guidance is regularly updated, where there is any difference between the Financial Procedure Rules and the detailed guidance, the Financial Procedure Rules have precedence in all cases.

2 STATUS OF FINANCIAL PROCEDURE RULES

2.1 The Council must conduct its business efficiently and ensure it has sound financial management policies in place, including arrangements to monitor compliance. The Council's statutory Chief Finance Officer is also charged with ensuring that proper financial management processes are in place.

Financial Procedure Rules, together with the Budget and Policy Framework Procedure Rules, provide the basis for managing the Council's financial affairs and are part of the Council's Constitution. They apply to every

Councillor and officer of the Council and to anyone acting on its behalf. They must be followed by all of the Council's staff and all consultants or technical officers from outside the Council employed or otherwise engaged by the Council. Failure to comply may lead to disciplinary action being taken by the Council.

- 2.2 The Council's Scheme of Delegation will be taken account of in all matters relevant to these procedure rules.

PART ONE – CONTEXT, ROLES AND RESPONSIBILITIES

1 FINANCIAL MANAGEMENT

- 1.1 Financial management covers all financial accountabilities in relation to the running of the Council, including the budget and policy framework and in accordance with the Financial Management Code of Practice.
- 1.2 The processes of financial management involve:
- Complying with statutory requirements;
 - Ensuring that the Council receives value for money;
 - Development and approval of protocols, standards and financial plans (including the revenue and capital budgets);
 - Implementing policies, protocols and standards;
 - Monitoring compliance;
 - Maintaining records;
 - Reporting and providing advice;
 - Specific financial techniques and functions e.g. virement, year end balances, Statements of Account.
- 1.3 All Councillors and officers must abide by the highest standards of probity in dealing with financial issues. This is achieved by ensuring everyone is clear about the standards to which they must work and the controls in place to check that the standards are met. - Amendments will be made to financial implications on reports as requested by the Chief Finance Officer;
- Prudent risk assessment of the possible implications in terms of both affordability and service delivery.

3.4 **BUDGET MONITORING**

3.4.1 Budget monitoring will be carried out in accordance with guidance issued by the Chief Finance Officer. This guidance will lay down the Council's requirements in respect of:

- Frequency of reporting;
- The format and content of reports (including the degree of detail, risk analysis undertaken and any corrective actions taken or proposed);
- The recipients of budget monitoring reports (such as the Management Team or Corporate Policy & Resources Committee);
- The linkages with service performance monitoring.

3.4.2 Budget monitoring is an ongoing process, always under review and integral to the overall financial management of the Council. The Chief Finance Officer will present regular budget monitoring reports to Corporate Policy & Resources Committee, at least on a quarterly basis.

3.4.3 Directors/Assistant Directors will need to:

- Be fully aware of their respective budget detail and own the content.
- They will need to maintain a good knowledge of both the Purchasing and General Ledger modules of the Financial Management System.

- Be aware of all effects and influences, such as seasonal variations on their budgets.
- Inform Financial Services of material budgetary issues that cannot be controlled within normal virement parameters.

3.4.4 The Chief Finance Officer will liaise with Directors/Assistant Directors to help to identify savings and future needs. The Chief Finance Officer will also offer financial advice and guidance as well as innovative solutions to issues of a financial nature.

3.4.5 All senior officers need to be aware of those budgets that carry the most material risk and monitor these areas accordingly.

3.4.6 The Chief Finance Officer will ensure that appropriate financial information is available to Directors/Assistant Directors so as to enable them to monitor their budgets and financial aspects of their Business Plans effectively.

3.4.7 Directors/Assistant Directors are responsible for the financial resources contained in their budgets. Accountability brings with it the responsibility to inform the Chief Finance Officer of any budgetary issues. The Chief Finance Officer will provide a support mechanism to Directors/Assistant Directors which will engender a culture of ownership and strong stewardship.

3.4.8 Directors/Assistant Directors will ensure that all reports to Members or the Management Team are seen by the Chief Finance Officer, evidenced and contain clear and accurate financial implications. Any amendments to the financial implications requested by the Chief Finance Officer will be actioned. Reports for Committee and Management Team should be presented to Financial Services in sufficient time for agreement on the coverage of financial implications.

3.4.9 When monitoring their budgets, Directors/Assistant Directors should understand that delivering the outturn within budget is an important service objective. Where it appears that a variation on a service budget will exceed £10,000, the Director/Assistant Director will immediately advise the Chief Finance Officer and Management Team of the situation, together with their proposed action to recover the position. The Chief Finance Officer will then compile and submit regular budget monitoring reports together with recommendations to Corporate Policy & Resources Committee.

3.4.10 The approved budget is the financial extent of the Council's commitment to a service each year. Any breach of that limit is therefore an ultra vires act. Depending upon the severity and circumstances of any overspend, it may lead to disciplinary action as officers have exceeded their delegated authority.

3.4.11 Key Controls

The key controls are:

- There is a named budget holder who is responsible for each service budget;
- Each Director/Assistant Director nominates a responsible budget holder for each cost centre within his/her service area's revenue estimates and ensures that mechanisms are in place to provide early warnings of anticipated under or overspending;
- All budget holders, including cost centre managers, are accountable for their budgets and the level of service to be delivered and understand their financial responsibilities;
- Services are delivered within the net budget allocated as part of the budget setting process and in line with the Executive Business Plan;
- Income and expenditure are properly recorded and accounted for on a timely basis within the Council's general ledger;
- The budget and Executive Business Plan are monitored together and necessary action is taken to align service outputs and budget;
- Budget Managers are appropriately trained to carry out their budgetary control and financial management responsibilities.

3.5 AMENDMENTS TO THE REVENUE BUDGET - VIREMENTS

- 3.5.1 The overall revenue budget that reflects the Corporate Plan is drawn up by each policy Committee, with the Corporate Policy & Resources Committee giving overall scrutiny prior to recommending to the full Council for approval. Directors/Assistant Directors are authorised to incur expenditure in accordance with the estimates and service levels that make up the budget and Business Plans.
- 3.5.2 Expenditure and income for any service budget may be incurred up to the amounts included in the approved budget. It is fundamental to proper financial control that expenditure is allocated to the correct place and it is a contravention of these rules to charge expenditure to the wrong heading to avoid authorisation of an appropriate virement.
- 3.5.3 The management of services within the Executive Business Plan and budgets allows resources to be transferred between services within limits. For example, where a potential overspend in one service budget has been identified through budget monitoring, this overspend could be funded by transferring budget from a service budget where an underspend has been identified. Future monitoring will be against these adjusted budgets.
- 3.5.4 Within the parameters set out below, Directors/Assistant Directors have the ability to vire monies both within and between Service Budgets. This provides flexibility for the Council and its officers to manage overall service delivery within budgets.
- 3.5.4.1 For the avoidance of doubt, these virement rules are also applicable to the operation of the Councils earmarked reserves. However, virement is only allowed between one reserve and another and **NOT** between an earmarked reserve and revenue or capital cost centres.

3.5.5 Within a Cost Centre:

- No limit within a defined cost centre. Directors/Assistant Directors must agree in advance with the Finance Business Partner responsible for that service area.
- Virements cannot be made from non-controllable budgets such as Central Support Recharges and Capital charges.
- Virements from salary budgets can only be actioned during the current financial year. Any permanent change to salary budgets will be seen as a change to the Council's establishment requiring compliance with the Human Resources procedure rules.

3.5.6 Between costs centres (under the same Director/Assistant Director control)

- With the approval of the Chief Finance Officer, some senior managers (as set out in the register of sub-delegation) are authorised to approve virements, which, in total, transfer no more than £25,000. These virements should be minuted or otherwise documented.
- Virement exceeding £25,000 and up to £100,000 can be approved by the relevant Director/Assistant Director, Chief Finance Officer and Management Team in consultation with the Chairman of Corporate Policy & Resources Committee. These virements should be minuted or otherwise documented.
- Virements over £100,000 can only be approved by Corporate Policy & Resources Committee. They will be reported by the Director/Assistant Director, in such format as the Chief Finance Officer may prescribe.

3.5.7 Restrictions on virements:

- Virements can take place between cost centres in differing Director/Assistant Director's responsibility, with the same limit as laid out in 3.6.6, when the relevant Directors/Assistant Directors and the Corporate Policy and Resources Committee Chairman are in agreement.
- Unplanned savings in the form of unbudgeted income or unused budgets (in excess of £5,000) are not authorised to be used without prior agreement of the Management Team. The Chief Finance Officer and Management Team may consider a report to the Corporate Policy and Resources Committee.
- All virements must be in accordance with corporate and service objectives.
- The service will be as defined in the budget book.
- Evidence of all virements are to be retained by Financial Services
- Virement to or from the budgets for Recharges and Asset Rentals is not permitted unless approved by the Chief Finance Officer.

- 3.5.8 All other budgets can be vired but subject to any other Council policies. No virement may commit future additional expenditure above MTFP provision without Corporate Policy & Resources Committee approval.
- 3.5.9 If the same budget head is used for virement on more than one occasion, the application of the above rules will relate to the accumulated figure.
- 3.5.10 Any virement between an employee budget and a non-employee budget, or between an income budget and a non-income budget, must be approved by the Chief Finance Officer, in accordance with the above determined limits, who may request a report to Corporate Policy & Resources Committee for approval.
- 3.5.11 The securing of additional revenue resources (grants, etc.) must be reported to the Chief Finance Officer. The Chief Finance Officer may authorise the use of those resources to finance additional revenue expenditure where the grant conditions require such. Where there are no such requirements the Chief Finance Officer may require the use of these resources to be approved by Corporate Policy & Resources Committee and will do so in all cases where the sum is **£50,000** or more.
- 3.5.12 The Chief Finance Officer will determine whether a change to budgets is a virement (i.e. the budget is reallocated to a purpose other than originally intended) or a re-presentation or restructure where there is no change to the purpose of the spending. The virement rules set out above shall not apply to restructure or re-presentational changes.

3.5.13 Key Controls

Key controls are:

- Virement of resources between one head of account and another, whether within or between service areas is subject to approval;
- Virement does not create additional overall budget liability. Directors/Assistant Directors are expected to manage their budgets responsibly, prudently and within approved service levels. They should not support recurring revenue expenditure from one-off sources of savings or additional income, or create future commitments, including full-year effects of decisions made part way through a year, for which they have not identified future resources. Directors/Assistant Directors must plan to fund such commitments from within their own budgets;
- Virement to provide a fundamentally different service level to that approved in the Executive Business Plan can only be approved by Corporate Policy & Resources Committee.

3.6 UNAVOIDABLE EXTRAORDINARY EXPENDITURE

3.6.1 Due to unforeseen circumstances, expenditure may be required over and above existing budgets. This should only occur in extreme circumstances, for example natural disaster, as budget managers should be fully aware of any likely pressures on budgets within their remit.

3.6.2 Where possible the relevant Director/Assistant Director should consult with the Chief Finance Officer and other members of the Management Team to seek agreement before incurring any expenditure. The Chief Finance Officer should agree this expenditure in consultation with the Chairman of the Corporate Policy and Resources Committee.

3.6.3 Subsequently a report will be presented to the Corporate Policy and Resources Committee.

3.6.4 Natural disasters will often be funded by Central Government via the Bellwin Scheme. The possibility of this additional funding should be investigated by the relevant Director/Assistant Director.

3.6.5 Key Controls

Key controls are:

- Budget Managers fully trained in budget management so that the budget reflects all anticipated expenditure.
- All unavoidable expenditure is required to be reported to Corporate Policy and Resources Committee.

3.7 **CONTRACT AND WINDFALL SAVINGS**

3.7.1 Unless specific agreement with the Chief Finance Officer is obtained, contract savings and windfall savings (i.e. unanticipated income or unanticipated savings on expenditure including any figure relating to previous years) will revert to General Balances.

3.8 **FEES AND CHARGES**

3.8.1 The Fees, Charges and Concessions Policy forms the basis of all fees and charges set within the Council. The Policy establishes clear principles for charging, integrates charging into service management, linking with corporate objectives and sets clear objectives and targets. The Policy shall be reviewed by the Chief Finance Officer and reported to Corporate Policy & Resources Committee as a minimum every three years.

3.8.2 Charges should be reviewed at least annually and reported as part of the revenue budget and business plan setting process. Any in year changes resulting from a review of fee levels should be reported to the relevant committee for discussion and if agreed, be a recommendation to Corporate Policy & Resources Committee (and Full Council for new charges) for approval.

3.8.3 Fees and charges fall into two categories:

- Statutory;

- Cost related.

3.8.4 **Statutory Charges**

Statutory charges are those determined by organisations external to the Council and over which the Council has no discretion.

3.8.5 **Cost Related Charges**

- Where charges are not prescribed, the Director/Assistant Director is able to set the charge by reference to the cost of service provision;
- Constraints exist whereby the charge should be set to cover the cost of the service, e.g. Public Entertainment Licenses, Local Search Fees;
- Directors/Assistant Directors must have appropriate systems in place to support the fee- setting process, including the allocation of overheads;
- Where decisions on increases in fees and charges are taken outside the budget process for administrative reasons (e.g. where there is a statutory regulation or a duty of consultation, for example, car parking where notices have to be served) due regard must be given to the financial strategy.

3.8.6 Key Controls

The key controls are:

- Clear and consistent fees and charges strategy;
- As a minimum, annual review of strategy and levels of charges;
- All fees should be considered as part of the Service Planning process.

3.9 **INTERNAL CHARGING**

3.9.1 Internal charges are made between services within the Council. Whilst they do not directly generate external income, they do affect the total cost of individual services.

3.9.2 Internal charges should be set in accordance with the principles set out in the CIPFA Service Reporting Code of Practice (SeRCOP). There must be a clear rationale for any residual sum not recovered from services and charged to the Corporate and Democratic Core.

3.9.3 Where internal charges are made they should be fixed to recover the full cost of services and may be set at a unit/volume based amount linked to demand, or as a reallocation of costs.

3.9.4 For most services, the service manager responsible for making the charge will develop a service agreement (either formally or informally) that outlines the service provided and establishes the basis of the allocation of costs. The

service standard should be agreed with the Council's Management Team.

- 3.9.5 The Chief Finance Officer will work with service departments to ensure that recharges are accurate and periodically reviewed to ensure that the basis of charge reflects work done and up to date service costs.
- 3.9.6 Some services operate as a fully traded service. In these cases, charges could be made on the basis of a Service Level Agreement (SLA). The SLA will specify the service to be provided and the charge to be levied and will generally be a volume based charge. SLAs must be published well in advance of the start of each financial year to enable customers to negotiate with providers if they wish.
- 3.9.7 Directors/Assistant Directors must have appropriate systems in place to support the charge setting process, including the allocation of overheads.
- 3.9.8 Regard shall be had to the frequency and basis of charge to minimise the internal administrative costs involved in recharging.
- 3.9.9 Key Controls

The key controls are:

- Clear and consistent internal charging strategy;
- Annual review of strategy and basis and level of charges with specific reference to Value for Money;
- Clear guidance on forming SLAs and service agreements;
- All charges should be considered as part of the Service Planning process.

3.10 RESERVES

- 3.10.1 Reserves are amounts set aside by the Council as a result of surpluses, deferred expenditure or policy decisions to 'save' towards future expenditure. Reserves can be either specific (earmarked) or general. For each reserve established, the amount, purpose and origin of funding must be clearly identified.
- 3.10.2 The levels and requirements for reserves are reviewed annually in setting the budget and in the context of the MTFP.
- 3.10.3 The establishment of new earmarked reserves is subject to approval on a case by case basis except where such a reserve (e.g. pension's reserve) is specifically required by statute or by CIPFA's Accounting Code of Practice.
- 3.10.4 New reserves will generally be approved by Council (or Corporate Policy & Resources Committee) as part of the budget setting process or budget monitoring process and exceptionally by the Corporate Policy & Resources Committee as part of the accounts closure process on the recommendation of the Chief Finance Officer.

- 3.10.5 Contributions to reserves will be managed as a budgeted call on resources which could otherwise have been spent on services or taken to the General Reserve or used to reduce Council Tax. The timing and size of contributions will be considered in the context of the Council's MTFP and reviewed when each year's accounts are closed.
- 3.10.6 Earmarked reserves will generally fall into four categories:
- Trading account balances;
 - Time limited programmes and projects
 - To meet specific risks of a non-insurable nature or self-insured risks;
 - To carry forward under spending (or overspending) as a ring fenced amount.
- 3.10.7 **Trading account balances** will be allowed where real or quasi trading accounts are used to manage costs. Balances will be maintained to allow flexible response to changes to demand and/or to meet defined future capital expenditure needs. Generally such balances should not exceed 20% of the annual turnover. Balances in excess of this limit should be returned to the General Reserve. See also the additional provisions in section 6.12.
- 3.10.8 **Time limited programmes** may be pre-funded by the establishment of reserves. Reserves will be useful where the pace of spending is difficult to predict and where the spend will run over a number of budget years. However, the creation of reserves causes an earlier call on the taxpayer than when the benefits of the programme are derived by the taxpayer. So pre-funding requires careful consideration of the benefits of the use of a reserve as against annual revenue budgets. It would be unusual for a time-limited programme running for more than 3 years to be pre-funded. Longer programmes might be managed by a reserve to which a consistent level of contribution was made annually but where spend fluctuated from year to year. In all cases the purpose of the reserve must be clearly established at the outset and the scope and cost of the programme defined to ensure the adequacy of the reserve.
- 3.10.9 **Reserves to meet specific risks or contingencies** should have regard to a reasonable estimate of the potential costs involved and should continue to be held only while the risk remains. They should be reviewed at least annually. The Insurance Reserve falls within this category being support for the Council's self-insurance programme and a contingency in respect of any past insurance claims yet to be settled.
- 3.10.10 **At each year-end the Council may determine that an under spending (or over spending) is carried forward for use by the service in which it arose in the subsequent year.** This may be because of a delay in implementing a revenue programme or because a commitment to a future payment exists but which does not meet the test of an accrual as a creditor, or establishment of a Balance Sheet provision. In each case the relevant

Director/Assistant Director, together with the Chief Finance Officer will establish the reasonable estimate of the under-spending and the amount carried forward and approval of the Management Team will be sought.

- 3.10.11 The Council may determine that a Service may retain part of a general under spending if the Council's financial situation does not require the sum to be returned to the General Reserve. The sum retained must be identified to a programme and for a one off purpose that does not give rise to any ongoing commitment. The Chief Finance Officer will consider each case and advise whether the purpose meets the test of being spending of a one-off nature.
- 3.10.12 In all circumstances a carry forward request must not be spent without the prior approvals as those required for virements.
- 3.10.13 Approval to use earmarked reserves will be subject to formal release by the Chief Finance Officer who will confirm that planned spending remains affordable when considering any mixed funding, including call on reserves, current budgets and/or external funding packages. The Chief Finance Officer shall have delegated power to approve spending of any earmarked reserve up to a value of **£50,000**. Spend in excess of this sum must have the approval of Corporate Policy & Resources Committee.
- 3.10.14 Monitoring of spending against reserves must be subject to periodic budget monitoring arrangements. Projected variances should form part of the periodic corporate budget monitoring arrangements.
- 3.10.15 The Council may close an earmarked reserve (except where there is a statutory requirement to maintain it) at any time and appropriate any remaining balance to the General Reserve.
- 3.10.16 Key Controls

The key controls are:

- The establishment and use of reserves must be authorised by the Chief Finance Officer;
- Reserves will only be established to meet a defined purpose;
- The level and requirement of each reserve is reviewed annually.
- Any spend in excess of £50,000 to be approved by Corporate Policy & Resources Committee.

4 REGULATION 4 - ACCOUNTING RECORDS

4.1 ACCOUNTING RECORDS

4.1.1 To enable reliance to be placed on financial management information all the Council's transactions, commitments, contracts and other essential accounting information must be recorded completely, accurately, on a timely basis and in corporately approved systems.

4.1.2 Any financial systems and records used within service areas that do not interface with the corporate financial ledger must be in a form agreed by the Chief Finance Officer and must be regularly reconciled to the corporate financial ledger by the relevant service manager.

4.1.3 Directors/Assistant Directors shall ensure supporting documentation is available as required by the Chief Finance Officer.

4.1.4 Key Controls

The key controls are:

- The primary record of accounting entries and approved budget is the financial ledger;
- Reconciliation procedures are carried out to the financial ledger to ensure transactions are correctly recorded;
- Original documents are retained in accordance with legislative and other requirements including compliance with the Council's Retention of Data Policy.

4.2 ANNUAL STATEMENT OF ACCOUNTS

4.2.1 The Council has a statutory responsibility to prepare accounts that present accurately and fairly its operations during the year. This must be done in accordance with The Code of Practice on Local Council Accounting in the United Kingdom: (the Code) (CIPFA/LASAAC).

4.2.2 The Accounts will be produced within the statutory timescales.

4.2.3 Annually the Chief Finance Officer draws up a detailed timetable, guidance and instructions for final accounts preparation, approval and audit.

4.2.4 The timetable and guidance covers all areas relating to the closure of accounts, the deadlines by which each task should be completed and the format in which key information should be submitted. Directors/Assistant Directors shall ensure compliance with the timetable and guidance.

4.2.5 Key Controls

The key controls are:

- The Council's Statement of Accounts is prepared in accordance with proper practices as set out in the relevant codes of practice on local authority accounting in the United Kingdom;
- Clear and consistent advice and instructions are issued for dealing with all year-end processes, such as accruals, prepayments, treatment of year-end balances and analytical review;
- Accounts are kept up to date during the year, reconciliations are carried out on a regular basis, the revenue and capital budgets are compiled and monitored effectively and year-end processes are completed in accordance with the timetable issued;
- Year-end variances and balances are reported on within the parameters agreed with the external auditor;
- There is a clear policy for the setting up and maintenance of reserves;
- Comprehensive working papers are compiled and maintained.

4.3 RETENTION OF ACCOUNTING AND FINANCIAL DOCUMENTS

- 4.3.1 The retention periods shown in Appendix 2 represent the minimum number of complete financial years, i.e. excluding the current financial year.
- 4.3.2 This guidance refers to retention of both hard copy and electronic format. Retention in electronic format (e.g. document imaging or other electronic format) is to be encouraged wherever possible and subject to the agreement of appropriate authorities, such as External Audit and HMRC.
- 4.3.3 No documents or records should be disposed of until notification has been received from the External Auditor of the completion of the audit of accounts for the year to which the records relate. This fact should be confirmed with the Chief Finance Officer.
- 4.3.4 If in doubt, Internal Audit should be contacted for advice on specific cases.

5 REGULATION 5 - RISK MANAGEMENT AND RESOURCE CONTROL

5.1 RISK MANAGEMENT AND INSURANCE

Introduction

- 5.1.1 It is essential that robust systems are developed and maintained for identifying, evaluating and controlling all of the operational risks to the Council on an integrated basis in accordance with the Council's Risk Management Strategy.

Risk Management

- 5.1.2 The Governance and Audit Committee is responsible for approving the Council's Risk Management Strategy and for reviewing the effectiveness of risk management. The committee is also responsible for approving the Council's Strategic Risk Assessment and for ensuring that proper insurance exists where appropriate. The committee discharging the Overview and Scrutiny function has the responsibility for reviewing and scrutinising the decisions made by and performance of Committees and officers to ensure that risk management has been applied and adds value and quality to decision making.

- 5.1.3 The Director of Corporate Services will produce an annual corporate risk assessment. The Director of Corporate Services is responsible for preparing the Council's Risk Management Strategy statement and for promoting it throughout the Council. The Chief Finance Officer is responsible for advising the Corporate Policy & Resources Committee on proper insurance cover where appropriate. Copies of the Council's formal Risk Management Strategy and Corporate Risk Register are available on the intranet.
- 5.1.4 Directors / Assistant Directors shall ensure the regular identification, review and management of risk within service areas having regard to advice and instructions from specialist officers. Risk champions shall be nominated within each service area to ensure these issues are progressed.
- 5.1.5 The Council's approach to risk management is that it should be embedded throughout the organisation at both a strategic and an operational level, through integration into existing systems and processes.
- 5.1.6 Directors / Assistant Directors are responsible for ensuring that the risks to achieving the aims in their responsible areas are assessed and managed and that risk registers are updated with current issues and reviewed through service area team meetings in accordance with the organisation's risk appetite. Risks and their control measures will be included within Service Delivery Plans and updated in quarterly performance reviews.
- 5.1.7 It is also the role of Directors / Assistant Directors to ensure that common themes for business and organisational failure (e.g. capacity, resources and prioritisation) are taken into account at a service and corporate level and reflected in risk registers, as they have an effect on achieving service and organisational aims.
- 5.1.8 Directors / Assistant Directors will also ensure that all relevant staff comply with the strategy and have the necessary level of training and competence. The Risk Management Code of Practice will be complied with and risks escalated to the Director/Assistant Director where a decision at this level is needed.
- 5.1.9 The Chief Finance Officer will make provision for losses that might result from residual risks, through external insurance or internal funding and negotiate all claims in consultation with other officers.

Insurance

- 5.1.10 The Chief Finance Officer shall effect all those insurances falling within the framework of insurable risks and shall deal with all claims, in consultation with other Directors/Assistant Directors where necessary. This will also include negotiation of annual premiums, continually reviewing procedure and cover and ensuring that the Council has adequate cover against all potential risks.
- 5.1.11 The Council will determine which risks must be covered by external insurances or internal insurance provision. Other risks may be covered by insurance or carried by the service area involved at the discretion of the relevant Director/Assistant Director, having regard to advice from the Chief Finance Officer.
- 5.1.12 The Chief Finance Officer will keep an up to date list of all property including current insurance values. This list will be reviewed annually.

- 5.1.13 Each Assistant Director shall immediately notify the Chief Finance Officer of all new risks, properties, vehicles and other assets or potential liabilities for which insurance may be required; and of any changes affecting existing risks or insurance cover required.
- 5.1.14 Directors/Assistant Directors shall notify the Chief Finance Officer in writing without delay of any loss, liability or damage or any event likely to lead to a claim and shall provide such information and explanations required by the Chief Finance Officer or the Council's insurers.
- 5.1.15 Directors/Assistant Directors shall ensure that all keys (for example safe, offices, vehicles, cabinets) are kept securely and a register maintained. In the event of a loss, they must immediately inform the Chief Finance Officer.
- 5.1.16 Directors/Assistant Directors may authorise payment of up to **£60** towards employees' personal property damaged while on the Council's premises or on the Council's business. Sums greater than £60 will require approval from the Chief Finance Officer and the Management Team.
- 5.1.17 Directors/Assistant Directors shall consult the Chief Finance Officer and the Monitoring Officer concerning the terms of any indemnity which they are requested to give on behalf of the Council.
- 5.1.18 Before entering into any arrangement involving a legal relationship, the Directors/Assistant Director involved must ensure that the Council has adequate legal powers and where appropriate that there is adequate professional indemnity insurance to cover and minimise any risk to the Council and to those individuals involved (advice should be obtained from the Chief Finance Officer and /or the Monitoring Officer where necessary before proceeding).
- 5.1.19 The Chief Finance Officer shall review insurance requirements at each annual renewal date and as part of the re-tendering process at the end of the overall insurance contract period.

Self-Insurance

- 5.1.20 For some risks not covered by external insurance policies and as determined by the Council, the Chief Finance Officer will operate an internal insurance account and is authorised to charge the various Council service budgets with the cost of contributions to this account.
- 5.1.21 Risk Management is the responsibility of every Director/Assistant Director having regard to advice from specialist officers. In general, costs and losses not insured externally and not covered by the Council Fund will fall as a charge upon the budget of the service area to which the item relates. Also, claims for insured risks could result in increased levels of future premiums, and this emphasises the need for effective preventive measures against all risks.

Business Risk Management

- 5.1.22 Each Director/Assistant Director must assess all risks annually. The risk of not meeting corporate strategy targets should be evaluated and appropriate performance measures should be set for monitoring.
- 5.1.23 All risks should be recorded in the Corporate Risk Register, together with an

action plan to show how the risks are being monitored.

5.1.24 The management of risks at a cluster (Our People, Our Place, Our Council) level should be reported upon at least quarterly to the Management Team.

5.1.25 Key Controls

The key controls are:

- 5.1.25.1 Procedures are in place to identify, assess, prevent or contain known risks, and these procedures are operating effectively throughout the Council;
- 5.1.25.2 The Council has adopted the Risk Management Strategy and processes to record all identified risks;
- 5.1.25.3 A monitoring process is in place to review regularly the effectiveness of risk reduction strategies and the operation of these controls. The risk management process should be conducted on a continuing basis;
- 5.1.25.4 Managers know that they are responsible for managing relevant risks and are provided with relevant information on risk management initiatives;
- 5.1.25.5 Provision is made in the accounts for losses that might result from the risks that remain;
- 5.1.25.6 The Council has identified business continuity plans for implementation in the event of disaster that results in significant loss or damage to its resources;
- 5.1.25.7 Acceptable levels of risk are determined and insured against where appropriate.

5.2 **PREVENTING FRAUD AND CORRUPTION**

- 5.2.1 The Council will not tolerate fraud and corruption in the administration of its responsibilities, whether from inside or outside of the Council.
- 5.2.2 The Chief Finance Officer is responsible for the development and maintenance of an anti-fraud and anti-corruption policy.
- 5.2.3 The Monitoring Officer will also ensure that whistle-blowing procedures are in place and operate effectively, including regular reviews of staff training and takes account of the Public Interest Disclosure Act 1998.
- 5.2.4 The Council operates an anti-fraud and anti-corruption policy. A 'Whistle Blowing' policy supports the objectives of these policies. These, in conjunction with Councillor and Officer Codes of Conduct and registers of interest, including Register of Interest in which any hospitality or gifts accepted must be recorded, determine the overall policy of the Council with regard to prevention of fraud and corruption.
- 5.2.5 Any suspected irregularities should be reported to internal audit and, if necessary, the Chief Finance Officer, the Monitoring Officer, or the Head of Paid Service.

5.2.6 Key Controls

The key controls are:

- The Council has an effective anti-fraud and anti-corruption policy and maintains a culture that will not tolerate fraud or corruption;
- Codes of conduct exist for Councillors and Officers and are regularly reviewed by the Standards Sub-Committee;
- A Register of Interests is maintained to enable Councillors and Officers to record any financial or non-financial interests that may bring about conflict with the Council's interests;
- A register of Gifts & Hospitality is maintained to enable Councillors and Officers to record gifts and hospitality either received, or offered and declined, from the Council's contractors and suppliers;
- Whistle blowing procedures are in place and operate effectively;
- An effective disciplinary procedure is in place in case of improper behaviour;
- The Anti-fraud and Anti-corruption Policy and the Whistleblowing Policy can be found on the intranet and internet.

5.3 **GIFTS AND HOSPITALITY**

5.3.1 Part 3 of The Constitution sets out the Council's Codes of Conduct for Councillors and for Employees on Gifts and Hospitality. These must be adhered to at all times.

5.3.2 A Register of Gifts & Hospitality is maintained by Democratic Services to enable officers to record gifts and hospitality either received, or offered and declined, from the Council's existing or potential contractors and suppliers.

5.3.3 Key Controls

The key controls are:

- Relevant Codes of Conduct must be adhered to at all times;
- Registers of gifts and hospitality must be maintained and kept up to date.

5.4 **ASSETS**

5.4.1 **Assets - Acquisitions and Disposals of Land and Buildings (Freehold and Leasehold)**

5.4.1.1 Directors/Assistant Directors (including the Chief Finance Officer) may authorise an acquisition or disposal of land and buildings up to a value of **£75,000** (including leases or easements where the annual rent multiplied by the length of the lease does not exceed that figure assuming that the rent is not increased on review) which is an approved item in the approved Capital Programme.

- 6.6.6 Official orders must not be raised for any personal or private purchases, nor should personal or private use be made of Council contracts.
- Any purchase of IT software or hardware (except consumables) must be made through the ICT Service.
- 6.6.7 A Director/Assistant Director may order goods to be supplied or work to be done by requisition on another service area on any occasion where more favourable terms are obtainable by this method than would be the case by direct ordering.
- 6.6.8 It may be advantageous for supplies to more than one service area to be ordered from one source, for example to take advantage of bulk purchasing. The Procurement Team will be able to assist with these instances and shall be responsible for co-ordinating the arrangements.
- 6.6.9 The signatory of the order must be satisfied that the goods and services ordered are appropriate and needed, that there is adequate budgetary provision and that quotations or tenders have been obtained if necessary. Value for money should always be obtained.
- 6.6.10 Goods and services must be checked on receipt to ensure they are in accordance with the official order. This check should, where practicable, be carried out by a different officer to the officer who signed the original order.

In the situation where an open order has been issued e.g. for a call-off contract, the order must have a clear end date, which may be no later than 31st March following the date of issue.
- 6.6.16 Verbal orders lessen the control of the Council over expenditure and must be avoided wherever possible. Even if a supplier states that they do not require or want an electronic/written order, one should be produced and dispatched as standard. Unless there is a genuine reason e.g. for a standard utility supply, an order must always be issued.

6.7 PAYING FOR GOODS

 - Contract Procedure Rules and Financial Procedure Rules have been followed;
 - Prices and arithmetic are correct and accord with quotations, tender, contracts or catalogue prices

agreement from the Chief Finance Officer and the Legal advisors. The agreement must also be authorised by a Director/Assistant Director.

6.9.14 All non-computerised records relating to petty cash/imprest accounts shall be maintained in ink.

7 REGULATION 7 - EXTERNAL ARRANGEMENTS

7.1 INTRODUCTION

- 7.1.1 The Council provides a distinctive leadership role for the community and brings together the contributions of the various stakeholders. It must also act to achieve the promotion or improvement of the economic, social or environmental well-being of its area.

7.2 PARTNERSHIPS

General

- 7.2.1 Partnerships are likely to play a key role in delivering community strategies and in helping to promote and improve the well-being of the area. The Council is working in partnership with others – public agencies, private companies, community groups and voluntary organisations, and its distinctive leadership role is to bring together the contributions of the various stakeholders to deliver a shared vision of services based on user wishes.

- 7.2.2 The Council will mobilise investment, bid for funds, champion the needs of the area and harness the energies of local people and community organisations. The Council will be measured by what it achieves in partnership with others.

- 7.2.3 The main reasons for entering into a partnership are:

- The desire to find new ways to share risk;
- The ability to access new resources;
- To provide new and better ways of delivering services; and
- To forge new relationships.

- 7.2.4 A partner can be defined as:

- An organization (private or public) undertaking, part funding or participating as a beneficiary in a project; or
- A body whose nature or status gives it a right or obligation to support the project.

- 7.2.5 Partners participate in projects by:

- Acting as a project deliverer or sponsor, solely or in concert with others;
- Acting as a project funder or part funder; and
- Being the beneficiary group of the activity undertaken in a project.

7.2.6 Partners have common responsibilities:

- To be willing to take on a role in the broader programme appropriate to the skills and resources of the partner organisation;
- To act in good faith at all times and in the best interests of the partnership's aims and objectives;
- Be open about any conflict of interests that might arise;
- To encourage joint working and promote the sharing of information, resources and skills between public, private and community sectors;
- To hold confidentially any information received as a result of partnership activities or duties that is of a confidential or commercially sensitive nature; and
- To act wherever possible as ambassadors for the project.

Roles and Responsibilities

7.2.7 The Prosperous Communities Committee is responsible for overseeing an effective partnership approach throughout the Council. The Prosperous Communities Committee is responsible for approving protocols, delegations, including frameworks to inform decisions around partnership engagement. The Prosperous Communities Committee is the focus for forming partnerships with other local public, private, voluntary and community sector organisations to address local needs.

7.2.8 The Prosperous Communities Committee can delegate functions, including those relating to partnerships, to officers. These are set out in the Scheme of Delegation that forms part of the Council's Constitution. Where functions are delegated, the Prosperous Communities Committee remains accountable for them to the full Council.

7.2.9 The Chief Finance Officer is authorised to form a partnership arrangement with a maximum value of work/services of £25k.

7.2.10 The Council has also approved an Approved Code of Practice (ACOP) for Partnerships. To that extent, guidance has been developed that sets out a number of considerations to be explored when:

- Entering into a partnership
- Reviewing the effectiveness of a partnership during its lifespan
- Exiting a partnership

Additionally, it is important that there is a corporate view of all partnerships. To enable this a partnership register has been created on Minerva to provide colleagues with a facility to record the partnerships they are involved with and to also provide visibility of the breadth of partnership working underway across the Council. Officers are required to comply with the Partnership ACOP and enter details of all approved partnerships into the Partnership Register.

7.2.11 Members and officers will represent the Council on partnership and external bodies in accordance with the Scheme of Delegation.

7.2.12 The Chief Finance Officer:

- Is responsible for promoting and maintaining the same high standards of conduct with regard to financial administration in partnerships that apply throughout the Council;
- Will advise on effective controls to ensure that resources are effectively and efficiently employed;
- Will advise on project funding, including scheme appraisal, risk appraisal, resourcing and taxation, audit, security, control and accounting arrangements;
- Must ensure that the accounting arrangements to be adopted relating to partnerships and joint ventures are satisfactory;
- Must ensure that the risks have been fully appraised before agreements are entered into with external bodies.

7.2.13 Directors/Assistant Directors:

- Are responsible for ensuring that appropriate approvals are obtained before any negotiations are concluded in relation to work with external bodies;
- Must also consider the overall corporate governance arrangements and legal issues when arranging contracts with external bodies.
- Maintain a register of contracts entered into with external bodies;
- Comply with the provisions of the Partnership ACOP including registering the partnership details in the Partnership Register.
- Ensure a risk management appraisal has been prepared;
- Conduct and document an appropriate level of due diligence on the prospective partners;
- Ensure all agreements and arrangements are properly documented.

7.2.14 Partners will be expected to:

- Be aware of their responsibilities under the Council's Financial Procedure Rules and Contract Procedure Rules;
- Identify and assess risks;
- Appraise projects to assess viability;
- Communicate with relevant Council officers

7.2.15 Key controls

The key controls are:

- If appropriate, to be aware of their responsibilities under the Council's Financial Procedure Rules and the Contract Procedure Rules;
- Compliance with the Partnership ACOP.
- To ensure that risk management processes are in place to identify and assess all known risks;

- To ensure that project appraisal processes are in place to assess the viability of the project in terms of resources, staffing and expertise;
- To agree and accept formally the roles and responsibilities of each of the partners involved in the project before the project commences; and
- To communicate regularly with other partners throughout the project so that problems can be identified and shared to achieve their successful resolution officers.

7.3 COMPANIES, JOINT VENTURES AND OTHER ASSOCIATIONS

- 7.3.1 The Council exercises an important community leadership role, helping to bring together the contributions of various stakeholders in discharging its statutory responsibilities for promoting and improving the economic, social and environmental well-being of the area.
- 7.3.2 In exercising this important role a Director / Assistant Director may feel that it is appropriate to discharge a service or provide a function through the formation of a new legal entity (company, joint venture or other association). A joint venture is a business entity created by two or more parties, generally characterised by shared ownership, shared returns and risks, and shared governance. The term joint venture covers 'vehicles' such as limited companies.
- 7.3.3 The relevant Director/Assistant Director wishing to form a new legal entity should consult with the Chief Finance Officer in all cases prior to setting up a new entity and no commitment, financial or otherwise, should be made until this consultation has been satisfactorily undertaken.
- 7.3.4 For the purpose of this regulation, the following types of external arrangements are covered:
- purchase of existing companies
 - investment in any company (whether by share, loan or grant)
 - creation of a new company or other entity
- 7.3.5 No agreement shall be entered into which commits the Council to additional expenditure or other financial risk without the prior approval of the Corporate Policy & Resources Committee and in conjunction with the Chief Finance Officer
- 7.3.6 The Council needs to have a clear understanding of its financial risk exposure of any external arrangement including, but not limited to, meeting any trading or other losses.
- 7.3.7 Where the Council is involved as a minority interest in any external company or other association that use their own finance systems, the arrangement must include an agreement on appropriate, robust financial governance control arrangements to the satisfaction of the Chief Finance Officer. In these circumstances the controls in these Financial Regulations should be used as a starting point for that agreement.
- 7.3.8 Where the Council has a controlling interest in any companies, joint ventures, or other associations it is important to understand that the Council has a statutory responsibility to prepare group accounts (subject to certain limitations) to recognise the collaborative association. In this regard there are two main areas impacting on the entity:

- A requirement to provide certain financial information (intercompany transactions and balances etc.) in a timely manner and at a time determined by the Council.
- The possibility of being subjected to additional scrutiny by the Councils external auditor, even where the entity has its own external auditor.

7.3.9 It would also be preferred that the accounting period and accounting policies are aligned with those of the Council.

7.3.10 In view of the importance of the above and the impact on the Council should the information not be forthcoming, these specific requirements shall be written into any agreement between the Council and the entity.

Roles and Responsibilities

7.3.11 The Corporate Policy & Resources Committee is responsible for approving the creation of any new legal entity and appointments of directors or other statutory officers onto the Board of the entity together with the arrangements for equity shares.

7.3.12 The Chief Finance Officer must satisfy him/herself that the accounting arrangements for all company, joint ventures and other associations are proper and appropriate, including all audit and inspection requirements. He/she must also consider overall corporate governance arrangements and any legal and taxation issues when associations are arranged. He/she must ensure all known risks are appraised before creating new entities and any agreements should seek to ensure that VFM is obtained.

7.3.13 In conjunction with the Director/Assistant Director the Chief Finance Officer will carry out due diligence for any proposal to purchase an existing company so as to ensure the robustness of the proposal and mitigate any potential losses.

7.3.14 The Chief Finance Office is responsible for advising on the funding and financing of a project including:

- financial viability in current and future years.

7.4 EXTERNAL FUNDING / GRANTS General

7.4.1 External funding is potentially a very important source of income, but funding conditions need to be carefully considered to ensure that they are compatible with the aims and objectives of the Council. Funds from external agencies provide additional resources to enable the Council to deliver services to the local community. However, in some instances, although the scope for external funding has increased, such funding is linked to tight specifications and may not be flexible enough to link to the Council's overall plan.

Bids for external funding

7.4.2 Bids must be comprehensive and comply with relevant Council policies. If bids are successful then the grant works and administration must be properly undertaken to ensure no penalties are incurred.

7.4.3 All bids and claims must be signed by the Chief Finance Officer, through the use of a certification process.

7.4.4 Directors/Assistant Directors must obtain Management Team and/or Corporate Policy & Resources Committee approval, where appropriate, for any bids for new monies detailing the service and financial implications before grant applications are made.

7.4.5 Comprehensive project business cases must identify associated risks, internal budget provisions including matched funding and any resource implications.

7.4.6 The relevant Finance Business Partner must be involved in the preparation of all grant applications.

Grant Claims

7.4.7 Records supporting any claim, including interim and final claims, must be maintained and available and reconcile back to the Council's General Ledger.

7.4.8 All claims must be submitted in accordance with the terms and timetable of the grant.

Roles and Responsibilities

7.4.9 The Chief Finance Officer and Management Team are responsible for:

- Ensuring that all funding notified by external bodies is received and properly recorded in the Council's accounts;
- Ensuring that match-funding requirements are considered prior to entering into agreements, and that these requirements are reflected in future revenue budgets;
- Ensuring that all audit requirements are met.

7.4.10 Directors/Assistant Directors are responsible for providing the Chief Finance Officer with all necessary information to enable the proper recording to be achieved. They have the responsibility for submitting any proposed grant funded projects to the Chief Finance Officer and/or the Portfolio Board/Corporate Policy & Resources Committee for their prior approval and they must also ensure that any conditions of grant funding are met and all the statutory requirements are complied with.

7.4.11 Directors/Assistant Directors will ensure that an appropriate level of due diligence is conducted and documented on the funding organisations and any associated project(s).

7.4.12 Directors/Assistant Directors will ensure that the project proceeds in accordance with the agreed plan and that all expenditure is properly incurred and recorded;

7.4.13 Key Controls

The key controls are:

- Before any arrangements for external funding are entered into, the project must be submitted to the Chief Finance Officer and or Portfolio Board/Policy & Corporate Resources Committee for approval;
- To ensure that any match-funding requirements are given due consideration prior to entering into long-term agreements and that future revenue budgets reflect these requirements;
- To ensure that funds are acquired only to meet the priorities approved in the policy framework by the full Council;
- To ensure that key conditions of funding and any statutory requirements are complied with and that the responsibilities of the accountable body are clearly understood;

7.5 WORK FOR THIRD PARTIES

7.5.1 The Corporate Policy & Resources Committee is responsible for approving the contractual arrangements for any work for third parties or external bodies with a value of more than £25,000

7.5.2 The Chief Finance Officer is responsible for approving contractual arrangements for any work for third parties or external bodies with a value of up to £25,000.

7.5.3 Current legislation enables the Council to provide a range of services to other bodies. Such work may enable a service team to maintain economies

of scale and existing expertise. Arrangements should be in place to ensure that any risks associated with this work is minimised and that such work is intra vires.

7.5.4 Proposals for working for third parties must be costed in accordance with guidance provided the Chief Finance Officer. Proposals must clearly be in the public interest and an appropriate level of due diligence must have been conducted and documented.

7.5.5 Work for third parties should not expose the Council to any additional liabilities.

7.5.6 Contracts must be drawn up in compliance with guidance provided by the Chief Finance Officer and Monitoring Officer.

7.5.7 Key Controls

The key controls are:

- To ensure that proposals are costed properly in accordance with guidance provided by the Chief Finance Officer;
- To ensure that contracts are drawn up using guidance provided by the Chief Finance Officer and the Monitoring Officer, and that the formal approvals process is adhered to;
- To issue guidance with regard to the financial aspects of third party contracts and the maintenance of the contract register.

8 **REGULATION 8 - ENVIRONMENTAL ISSUES**

8.1 **INTRODUCTION**

8.1.1 The Council operates a culture of waste minimisation. This covers not only waste products that require disposal, but also the waste in use of all resources generally.

8.1.2 All procurement in the Council is subject to the Contract Procedure Rules, Procurement Strategy, Procurement Manual and any other guidance which may be issued. Fundamental to good procurement is the need to achieve value for money. An optimum combination of whole life costs and quality (or fitness for purpose) to meet the Council's corporate and service level aims and objectives must be considered. These will include sound environmental practice. Further information can be found in the documents referred to above or from Financial Services.

8.1.3 Paper and storage space are both expensive and unnecessary paper usage is harmful to the environment. All officers are responsible for reducing paper use wherever possible and reducing the amount of paper that is stored. However, certain financial records do need to be retained.

8.1.4 The Chief Financial Officer will:

- Maintain a list of financial records and the duration for storage;
- Advise officers as required on the archiving of financial records.

8.1.5 Directors/Assistant Directors will:

- Retain records as required;
- Minimise the usage of paper within their service.

8.1.6 Key Controls

The Key controls are:

- All officers to be aware that printing is to be kept to a minimum;
- The introduction and monitoring of the agile working policy;

APPENDIX 3

DEFINITIONS

APPOINTED

AUDITORS

Independent external auditors procured by the

Council. BUDGET

A plan that matches spending with available resources. The budget is an authorisation for future expenditure and a base for controlling expenditure and income.

BUDGET MANAGER

The budget manager is whoever is responsible for a budget within a service.

BUDGET PAGE

The page in the Annual Budget Book that sets out the budget for a service

CAPITAL EXPENDITURE

Section 40 of the *Local Government and Housing Act 1989* defines 'expenditure for capital purposes'. This includes spending on the acquisition of assets either directly by the Council or indirectly in the form of grants to other persons or bodies. Expenditure that does not fall within this definition must be charged to a revenue account. Capital Expenditure includes:

- Acquisition or disposal of land, buildings and major items of plant, apparatus and vehicles;
- Construction of roads and buildings;
- Enhancement of land, roads and buildings.

In addition the Council usually regards any item below £10,000 as revenue.

CIPFA

Chartered Institute of Public Finance & Accountancy (CIPFA) is one of the leading professional accountancy bodies in the UK and has responsibility for setting accounting standards for local government.

CONTINGENCY

Money set aside in the budget to meet the cost of unforeseen items of expenditure, or shortfalls in income, and to provide for inflation where this is not included in individual budgets.

COST CENTRE

Any unit to which costs are assigned or allocated. A cost centre is the lowest level to which the Council's budget monitoring procedures usually apply although budget managers will monitor the income and expenditure within their costs centres at detail code level.

ESTIMATES

The amounts expected to be spent, or received as income, during an accounting period. The term is also used to describe detailed budgets, which are either being prepared for the following years, or have been approved for the current year.

FEES AND CHARGES

Income raised by charging users of services for the facilities. For example, Councils usually make charges for the use of leisure facilities, the collection of trade refuse, etc. The Council levies fees and charges in accordance with the corporate Fees, Charges and Concessions Policy.

GENERAL LEDGER

The core of the Council's financial records. These constitute the central "books" of the system, and every financial transaction flows through the general ledger.

NET EXPENDITURE

Total expenditure less specific service income.

OFFICER

An employee of the Council or other person contracted to carry out functions where these Financial Procedure Rules apply.

PROVISIONS AND RESERVES

Amounts set aside in one year to cover expenditure in the future. Provisions are for liabilities or losses that are likely or certain to be incurred, but the amounts or the dates on which they will arise are uncertain. Reserves are amounts set aside which do not fall within the definition of provisions and include general reserves (or 'balances'), which every Council must maintain as a matter of prudence.

SERVICE

A cost centre or group of cost centres delivering a common function. The service is the lowest level of budget detail set out in the Budget Book.

SLIPPAGE

Where actual expenditure on a project is less than the planned spend in a financial year. VALUE FOR MONEY (VFM)

A term used to assess whether or not an organisation has obtained the maximum benefit from the goods and services it both acquires and provides, within the resources available to it. It not only measures the cost of goods and services, but also takes account of the mix of quality, cost, resource, use, fitness for purpose, timeliness, and convenience to judge whether or not, together, they constitute good value.

VIREMENT

The permission to spend more on one budget head when this is matched by a corresponding reduction on some other budget head, i.e. a switch of resources between budget heads. Virement must be properly authorised by the appropriate committee or by officers under delegated powers.

1.2 Basic Principles

1.2.1 A “contract” is any arrangement made by, or on behalf of, the Council, including arrangements for:

- a) The supply of goods;
- b) The execution of works;
- c) The delivery of services;
- d) The hire, rental, repair, maintenance or lease of goods or equipment

1.2.2 For the purpose of these CPPRs, “contracts” do not include:

- b) Agreements regarding the acquisition, disposal or transfer of land (Financial Regulations apply to these);
- c) Documents dealing with the award and use of Grant Monies

1.2.3 All contracting activity must:

- a) Comply with these CPPR’s; the Council’s Financial Procedures; applicable Grant fund spending regulations and relevant applicable legislation including the Public Contracts Regulations 2015 (PCR2015), Procurement Act 2023 (PA 2023).
- b) Have regard to statutory guidance released by the Cabinet Office and as required by PA 2023 (Procurement Policy Notes (PPN)).
- c) Have regard to national procurement objectives, the National Procurement Policy Statement (NPPS), which may be updated from time to time but currently include:
 - i. Achieving best value for public money
 - ii. Acting and being seen to act with integrity
 - iii. Maximising the public benefit
 - iv. Sharing information

- e) Be legitimate, lawful and within the budget and policy framework

1.2.4 No use of the Procurement Exception Process nor use of the Provider Selection Regime (PSR) (current Standard Selection Questionnaire (SSQ)) is to be undertaken by Officers

without obtaining prior advice on the applicability and use of such process(es) from the relevant Procurement Resource.

1.3 Joint Commissioning and Procurement

- 1.3.1 Before any contract is entered into in collaboration with other public sector bodies, such as other Local Authorities, advice should be obtained from the relevant Procurement Resource, as the procurement may require approvals through Management Team or Committee.
- 1.3.2 Where a new agreement is put in place to establish a working arrangement with another public body that goes beyond a single requirement; commercial advice should be obtained from PL prior to entering into any agreement.
- 1.3.3 When a requirement is jointly commissioned or procured with other public sector bodies the following procedures shall apply:
 - a) Officers will consult their Procurement Resource as soon as they are aware of such a requirement.
 - b) The authorities involved will decide which of them is to act as the lead authority for the particular contract to be commissioned.

- b) Complying with appropriate legislation including the PCR 2015, PA 2023; the Councils Constitution, Financial Procedures, and these CPPR's.
- c) Seek advice from the Procurement Resource to identify if a suitable existing contract or Framework Agreement exists.
- d) Ensuring compliance with transparency legislation by providing information to the Procurement Resource to ensure the details of all contracts valued at £5,000 and above are provided for completion of the Council's electronic Contract Register including any extensions and approved exceptions.
- e) When appointing a consultant, the appropriate procedures in this document are followed.
- f) Seeking to protect the Council from the commercial and operational risks of TUPE by seeking advice from the Procurement Resource if required.
- g) Using the Council's e-tendering portal for all Request for Quotations and Tendering processes above £5,000.
- h) Comply with the procurement Conflict of Interest process.

- 1.4.4 Prior to the advertisement of any procurement by the Procurement Resource, officers using the template provided, must submit a summary of their Pre-Market Engagement activity for review by the Procurement Resource.

1.4.5 **Procurement Resource Responsibilities**

The Procurement Resource is responsible for :

- a) Complying with appropriate legislation including the PCR 2015, PA 2023; The Councils Constitution and these CPPR's. The Procurement Resource must pay due regard to any relevant statutory guidance issued from time to time by the Cabinet Office.
- b) Check whether a suitable existing contract or Framework Agreement (including EPSO, CCS) exists before undertaking any commissioning activity. Where such an agreement exists an assessment should be undertaken to determine if it is the best route to market and demonstrates value for money, particularly in the case of frameworks that can be called off from without competition. The recommended route to market must be recorded within the Procurement Strategy.
- c) Complying with all Notice and Transparency obligations.
- d) Supporting and advising Officers on procurement and commercial activity that are below threshold (see financial threshold limits at Section 2, para. 2.3).
- e) Managing the procurement process for above threshold contracts shall be conducted by the shared service Procurement Resource.
- f) Manage the Council's conflict of interest process.
- g) Recording the Councils Pre-Market Engagement conclusion summaries.

1.4.6 **Contract Manager Responsibilities**

Contract Managers are responsible for:

- a) Managing contracts in accordance with the Councils Contract and Risk Management Guidance document, so that a requirement is delivered in line with the contract terms.
- b) Complying with all transparency requirements during the management of the contract including when modifying contracts.
- c) Keep under review the value of contracts that are modified where permitted by legislation and consider if they become a convertible contract or exceed £5 million in value.
- d) Seeking appropriate advice from Procurement Resource in the event of supplier poor performance.
- e) Monitoring Suppliers performance against the requirements of the Contract including monitoring performance against Key Performance Indicators (KPIs) and reporting this performance where required.

1.5 **Conflicts of Interest**

- a) The Council must act with integrity when it undertakes any procurement activity, and a conflict-of-interest process needs to be followed. This section needs to be read alongside the Members and Officers Codes of Conduct, and any other relevant Council Protocols and procedures as set out in the Council's Constitution relating to the

management of fraud, bribery, corruption, bias, conduct in public life and any other internal business or organisational rules.

- b) A conflict of interest arises in a procurement context where there is a conflict between the interests of a person acting in relation to a procurement and those of the procurement itself. Conflicts of Interest relate to 'actual' conflicts or a 'potential' Conflict of Interest which may turn into an actual conflict if certain circumstances occur. A 'perceived' Conflict of Interest may also arise where it may be wrongly understood that there is a conflict.
- c) The Procurement Resource will advise on the process and specific steps required to mitigate and manage Conflicts of Interest, particularly if there is a conflict, or a potential conflict relating to a commercial matter. Steps will include but not limited to completing declarations of interest, checks of pre-existing declarations and any central registers held within the Council.
- d) Officers and the Procurement Resource will need to identify and keep under review actual and potential conflicts of interest. A formal conflict assessment will need to be prepared and this will need to be published with transparency notices and updated as necessary during the life of the procurement. The conflict assessment statement will also address any perceived conflicts of interest.
- e) Any conflict of interests identified within a procurement will be dealt with on a case-by-case basis. Officers and the Procurement Resource will take every step to mitigate the conflict of interest, and these mitigations will be published in the conflict assessment statement.
- f) Suppliers are to be excluded from a procurement whereby a conflict of interest puts the supplier at an unfair advantage and if steps cannot be taken to avoid the advantage or the supplier refuses to take any necessary steps to remove the conflict.
- g) For below threshold procurements, the principles around Conflicts of Interest still apply however the formal publication of conflict assessment statements are not required. Officers should seek advice from the Procurement Resource where required.

Selecting the correct procurement route

Including above and below threshold contracts and exceptions to the normal tendering route.

2 Procurement Routes and Pre-Procurement Considerations

2.1 Calculating the Estimated Total Contract Value

- 2.1.1 Before undertaking a procurement, exercise or contract modification Officers must calculate the Total Contract Value. The Total Contract Value includes VAT. Officers shall follow Council guidance on how to do this and seek advice from the relevant Procurement Resource where required.
- 2.1.2 Total contract value must be the maximum value payable under the whole contract lifecycle including implementation and exit arrangements. It must also consider any potential variables including:
- a) Options to supply additional goods/services/works.
 - b) Options to extend or renew the contract.
 - c) Price rises provided for in the contract.
 - d) The value of any goods, services or works provided by the Council under the contract other than payment.
- 2.1.3 Officers must not separate a requirement into smaller contracts to avoid a higher threshold procurement. unless there is a justifiable reason and approved by MT.
- 2.1.4 Where possible Officers should look to combine requirements with other service areas to avoid duplication of contracts and to increase the commercial attractiveness of opportunities.
- 2.1.5 Where it is not possible to calculate a contract value the Contract must be treated as above threshold and Officers must seek advice from their Procurement Resource before proceeding.

2.2 Procurement Routes

The relevant Procurement Resource will advise Officers whether an existing framework or existing Council corporate contract is available and should be used to demonstrate value for money.

Contract Type	Contract Value		Process	Award Procedure based on	Contract Publication	Documentation
	From	To				
All	£0	£5,000	Request for Quotation	One quotation sought – direct approach to single supplier.	Not required.	Officer to record details Local supplier to be used where appropriate (or reason for not using recorded).
All	£5,001	£30,000	Request for Quotations	At least two written quotations sought based on a simplified RFQ document with appropriate T&Cs At least one local supplier to be invited where possible.	Not required	Local supplier to be used where appropriate (or reason for not using recorded).
All	£30,001	PA 2023 Services Threshold (see para 2.3)	Request for Quotation	At least four written quotations (no group relationship) sought based on an RFQ document with appropriate T&Cs At least two local suppliers to be invited	Must be placed on Find a Tender Service first, if in addition wherever the Council chooses to advertise,	Must be based on a written specification with appropriate terms and conditions

Contract Type	Contract Value		Process	Award Procedure based on	Contract Publication	Documentation
	From	To				
				where possible.		
Supplies and Services	Above Services Threshold		Formal tender	Full tender process	Find a Tender Service, Pro-Contract Specialist publication, if appropriate, after advertised on Find a Tender Service	As required by the PA 2023 and detailed in the CPPR's
Works	Services Threshold (£214,904)	Works Threshold (£5,372,609)	Request for Quotation	At least five quotations based on an ITT document with appropriate T&Cs At least two local suppliers to be invited where possible.	Find a Tender Service, Pro-Contract, and Contracts Finder Specialist publication if appropriate	Must be based on a written specification with appropriate terms and conditions

2.3 Legal Thresholds

2.3.1 The Thresholds that are prescribed by the Public Contracts Regulations 2015 are:

Type	Threshold
Supplies/ Services	£214,904
Works	£5,372,609
Light Touch Regime (applies to certain social, health, educational services)	£663,540

2.3.2 The PA2023 Schedule 1 Thresholds are updated by the Government every two years, most recently issued during January 2023, via a Procurement Policy Notice (PPN), when changes are made these CPPRs will be updated accordingly.

2.3.3 If the Total Contract Value is above these thresholds, then the Above Threshold process as outlined in this document must be followed. Failure to do so will result in a breach of the Procurement Regulations.

2.4 Pre-Procurement Considerations

2.4.1 Before undertaking a procurement, the officer shall:

- Consider all other means of satisfying the need (including recycling and re-use where appropriate);
- Take advice as necessary from the Council's Procurement Resource;
- Consider whether there is a Dynamic Market or Framework Agreement already in place that should be used;
- Engage with the market (see guidance within this document):

3 Governance and Exceptions to the Normal Tendering route

3.1 Governance

- 3.1.1 Prior to undertaking any procurement activity, the Officer must ensure that all the necessary governance processes have been followed and approvals obtained from Management Team, Commercial Board, Change Management Team or Committee and therefore plenty of time should be allowed for this.
- 3.1.2 Officers must seek advice from the relevant Procurement Resource to determine the correct procurement route.

3.2 Exceptions to the Normal Tendering Routes

- 3.2.1 Exceptions are provided for in exceptional circumstances where the Section 151 Officer believes that a normal tendering procedure cannot be followed.
- 3.2.2 If the Procurement Thresholds are exceeded, then an exception may not be legal. There are only limited circumstances where it is permitted to award a contract to a supplier without first running a competitive tendering procedure. Any exception must be discussed with the relevant Procurement Resource before any decision is made.
- 3.2.3 In these exceptional circumstances the authority must be obtained prior to contract award, from the following:

Contract Value		Who Approves	Process
From	To		
Above Threshold		Relevant Committee	Option A - Written Report via MT
£75,000	£214,904	Section 151 Officer in consultation with the Management Team	Option B - Written Report
£0	£75,000	Section 151 Officer	Option C - Written Report

Note: The Options are:

- A. Tendering exercise would not achieve best value, and the value of the contract is above the published threshold value.

- B. Quotation or Tender differs marginally from the original specification, only one potential supplier or contractor, and the value of the contract is between £75,000 and the CCS published threshold value.
 - C. Value is below £75,000 , the requirement is of an urgent nature , social value is of high importance there is only one supplier or contractor and there is an unforeseen event.
- 3.2.4 Advice to be sought from the relevant Procurement Resource prior to submission of any Report for the purpose of an Exception to the normal tendering route. Officers are to send a copy of any exception report to the Business Development Officer Contracts and Procurement to be kept on the Register of Exceptions.

3.3 Urgency

- 3.3.1 In the event of an unforeseeable urgent or emergency to the normal tendering routes, Section 5 of the Procurement Act 2023 allows for the Direct Award of a contract subject to the urgent emergency protocol criteria being met. These cannot be situations that are attributable to the actions of the Council. If an Officer considers an urgent requirement has arisen, then you must consult the relevant Procurement Resource prior to awarding a contract.
- 3.3.2 The relevant Procurement Resource must put in place a contract that includes a commercially acceptable set of terms and conditions and a specification.

4 Specific requirements for certain types of procurement

4.1 Procuring with External Grant Monies

- 4.1.1 If a Contract is being procured that is being funded either entirely or in part by External Grant Monies, then the Officer must ensure that they are operating in accordance with the conditions of those grant monies when undertaking any procurement or contracting activities. Officers should seek support from the relevant Procurement Resource in this regard.

4.2 Procuring utilising a Framework Agreement

- 4.2.1 The Council encourages the use of Framework Agreements where they offer Value for Money. Officers will be advised by the relevant Procurement Resource when using a Framework Agreement.
- 4.2.2 When selecting a Framework to use in an above threshold procurement the relevant Procurement Resource shall ensure that the Council is permitted to use the Framework by checking that the Council is named in the Tendering Notice (or Contract Notice if the Framework was established before 24th February 2025) and that the Framework provider is a Contracting Authority.
- 4.2.3 Contracts awarded under a Framework Agreement must always be awarded in accordance with the rules set out within the Framework Agreement Documentation. It is the responsibility of the relevant Procurement Resource to check the Framework Agreement Documentation, and this may need to be requested from the Framework provider.

4.3 Procuring utilising a Dynamic Market

- 4.3.1 Dynamic Markets can only be established for contract values above the threshold for good and services but below the threshold for works and construction.
- 4.3.2 The Procurement Resource must lead on any Dynamic Market procurement.

4.4 Appointment of Consultants

- 4.4.1 The following procedure applies when it is necessary to appoint a consultant to provide services to the Council.
- 4.4.2 The Officer must obtain approval to use a consultant using the Council's decision-making processes, i.e., through report to Management Team or relevant Board.

- 4.4.3 Consultants should only be used whereby they will be providing advice to fill a knowledge gap by either identifying options and recommendations or advice to implement solutions and therefore will be time limited.
- 4.4.4 If the request is approved the Officer must then comply with the procedural requirements based upon the Estimated Total Contract Value.
- 4.4.5 Payment for the Consultancy Service should be based on the satisfactory completion of defined outputs along with clear terms and conditions.
- 4.4.6 Advice should be obtained from the relevant Procurement Resource prior to entering a contract with a consultant.
- 4.4.7 All Consultancy contracts must be added to the Council's Contracts Register regardless of the value.
- 4.4.8 For Agency appointments the Officer must refer to the HR Manager for direction.
- 4.4.9 The Officer must not engage with any agency to secure CVs, without prior engagement with the Human Resources Service, and without a full understanding of the agency's terms and conditions.

NOTE: Some agencies require you to accept their terms and conditions prior to receipt of CVs. These terms and conditions may include clauses regarding 'introductory fees' which may be payable even if no appointment is made through that agency. These fees are often substantial and pose significant financial risk to the Council.

4.5 Concession Contracts

- 4.5.1 A concessions contract is an agreement between the Council and a Supplier where the Supplier is given the right to exploit works or services provided for their own gain. This may still be the case even if the Council contribute some income.
- 4.5.2 If you consider that a contract may be a concession contract, then you must seek advice from PL.

4.6 Subsidy Control

- 4.6.1 A subsidy (previously known as State Aid) is any advantage granted by a public authority through state resources on a selective basis to any organisation that could potentially distort competition. The definition of subsidy is very broad because "an advantage" can take many forms. It is anything which an organisation engaged in economic activity could not get on the open market.
- 4.6.2 Subsidy Control rules can (amongst other things) apply to
 - a) Grants
 - b) loans

- c) guarantees
- d) tax breaks
- e) the use or sale of state assets for free or less than market rate

4.6.3 Officers must seek advice from the PL who will seek advice from the Legal Resource before continuing with a procurement where there is any potential subsidy.

Below Threshold Procurements

5 Below threshold procurements

5.1 Principles of Below Threshold Procurement

- 5.1.1 Below threshold procurements are not subject to the all the requirements of the PA 2023. The specific legal requirements relating to below threshold procurements are listed in 5.2 below.
- 5.1.2 Even though below threshold procurements are not subject to full legislative requirements they must still follow the Council's processes as outlined in this section.

5.2 Requirements of the Procurement Act 2023

- 5.2.1 Proportionate to the value of the contract, the Procurement Resource should complete an appraisal of the market to assess Supplier interest, and advise as to whether conducting Pre-Market Engagement would benefit both the Council and the supply markets.
- 5.2.2 Within an open or below threshold tendering opportunity, Officers must not include an assessment of a bidder for the purpose of de-selection of bidders (i.e. short listing). The only exception to this is for works contracts that are above the supplies and services threshold but below the works threshold which can include a shortlisting stage.
- 5.2.3 Proportionate to the subject matter of the Contract, the procurement may assess a Bidders legal status; financial capacity or technical ability for performing the contract within an overall assessment.
- 5.2.4 Officers shall be mindful of the barriers that small and medium size enterprises (SMEs) may face when responding to opportunities and must take reasonable steps to remove these barriers. This might include requesting proportionate levels of insurance and experience.
- 5.2.5 The Procurement Resource must publish a Contract Details Notice on Find a Tender Service for all Contracts with a Total Contract Value of £30,000 (including VAT) and above.
- 5.2.6 All Contracts with a Total Contract Value of £5,000 or above shall be recorded on the Council's Contract register.

5.3 Advertising Contracts

- 5.3.1 Procurements below £30,000 are not required to be advertised on the Find a Tender Service.
- 5.3.2 In the interest of achieving value for money the Business Development Officer Contracts and Procurement may advise the advertising of a particular activity.

- 5.3.3 If the RFQ is valued at above £30, 000 the Procurement Resource must ensure it is advertised on Find a Tender Service before being advertised anywhere else.

5.4 Request for Quotations (RFQ) process

- 5.4.1 As outlined in this document, RFQs are the Council's preferred method of undertaking procurements that are below threshold.
- 5.4.2 The Business Development Officer Contracts and Procurement will work with the service area representative to ensure completion of standard format templated RFQ documents. The RFQ must state that the Council is not bound to accept any quotations received.
- 5.4.3 RFQs must contain:
- a) A specification which describes clearly the Council's Requirement in sufficient detail to enable the submission of competitive offers and to enable the Council to hold the supplier to account.
 - b) Relevant terms and conditions that are proportionate to the requirement
 - c) Simplified award criteria that outline how the RFQ will be evaluated.
 - d) Instructions on the performance and management of the contract.
- 5.4.4 For all RFQs the Council's electronic tendering platform must be used to invite suppliers and publish the RFQ documents. All Suppliers invited to quote must be issued with the same information at the same time and subject to the same conditions.
- 5.4.5 Records of the RFQ process including evaluation of the RFQ must be retained by the Business Development Officer Contracts and Procurement.

Above Threshold Procurements

6 Above threshold procurements

6.1 Pre-market Engagement

- 6.1.1 Officers should consult with the relevant Procurement Resource before engaging with the market. Before any discussions take place with any potential supplier(s) then a Preliminary Market Engagement Notice must be published on Find a Tender Service.
- 6.1.2 Throughout any market engagement all steps should be taken to ensure that suppliers are treated equally and fairly and that no advantage and disadvantage is afforded to any supplier.
- 6.1.3 Full records of pre-market engagement must be kept using the template provided by the Procurement Resource, ensuring that the process is fair and transparent. To avoid distorting competition Officers shall communicate to all Bidders any relevant information exchanged, in the context of, or resulting from any pre-market engagement when publishing the tender documentation.
- 6.1.4 Where pre-market engagement has taken place, but a Preliminary Market Engagement Notice was not published prior, the rationale for this must be recorded in your Contract Details Notice.

6.2 Selecting a procurement procedure

- 6.2.1 Under the PA 2023 there are 2 procurement procedures that can be used for above threshold procurements outside of an existing corporate contract, framework agreement or dynamic market:
 - i. Open procedure – Single stage where no shortlisting of suppliers take place
 - ii. Competitive Flexible Procedure – Multi-stage process where shortlisting of suppliers can take place.
- 6.2.2 To obtain the best commercial outcome and to ensure the process is proportionate the Competitive Flexible Procedure should only be conducted by an officer from PL.

6.3 Invitation to Tender (ITT)

- 6.3.1 Procurement Lincolnshire's template documents should be used for all above threshold procurements which are accessible through the Procurement Resource.

6.4 Communication with markets during a tender process

- 6.4.1 Officers will ensure that all communication with potential suppliers is fair and transparent and does not afford any suppliers an advantage or disadvantage.

- 6.4.2 During a live tender communication with any supplier must be in writing via the Council's e-tendering portal unless alternative communication is permitted under the competitive flexible procedure. Any communication outside the Council's e-tendering portal must be done in conjunction with the relevant Procurement Resource assigned to the procurement by PL and a detailed log kept of such communication.
- 6.4.3 Officers will bear in mind obligations around conflicts of interest and if an actual or perceived conflict of interest develops then the officer will consult with the assigned Procurement Resource who will consider what steps can be taken to avoid or remove conflicts of interest including the use of ethical walls agreements.

6.5 Conditions of Participation

- 6.5.1 Information about a Bidder's business standing, model and any exclusion grounds will be obtained by the Procurement Resource from the Central Digital Platform using the Supplier Information functionality. The platform is managed by the Crown Commercial Service and is designed so that Suppliers can submit and keep updated their business information, and it will then be available for all public bodies nationally to access.
- 6.5.2 The assigned Procurement Resource must ensure that this system is used and not use any local forms or processes. The use of the Supplier Information System is mandatory for all above threshold procurements.
- 6.5.3 The Officer assigned will ensure that Conditions of Participation are relevant to the subject matter of the contract and be proportionate.

6.6 Standards and Award Criteria

- 6.6.1 The Award Criteria is used to determine which of the Bidders will be awarded the contract and they are assessed as part of the ITT.
- 6.6.2 Public Contracts must be awarded based on the Most Advantageous Tender (MAT).
- 6.6.3 All Award Criteria and sub-criteria must be weighted, and these weightings must be set out in the Procurement Documentation.
- 6.6.4 Award criteria must provide for international equivalents for any British standards.
- 6.6.5 When determining the process that will be used to supplement an ITT there should be caution on the use of bidder presentations. This should only be assessed where presenting is a material part of the contract delivery or where a product demonstration is required. If an Officer considers the use of a presentation is necessary advice should be sought from the assigned PL Officer who shall coordinate proceedings during any such presentation.

6.7 Publishing the ITT

- 6.7.1 The ITT documentation should all be made available to all suppliers at the same time as publishing the Tender Notice on the councils e-tendering system. If this is not likely to be possible then advice must be obtained from the assigned Procurement Resource on how to manage the risk associated with this.
- 6.7.2 Suppliers must be given an adequate period to prepare and submit a Tender consistent with the urgency and or complexity of the contract requirements. Minimum timescales outlined in the PA 2023 must be complied with.
- 6.7.3 Late tenders will not be accepted unless approved by the assigned Procurement Resource and only if it is not in breach of the Procurement Act 2023.
- 6.7.4 Any Tender amendments, changes to instructions or clarifications should be issued in writing to all bidders unless the clarification is confidential to a specific bidder. Officers must review the Tender Notice to see if that also requires amendment. A Tender Notice amendment must be published if there are changes to the timescales for the return of the tender.
- 6.7.5 ITTs must not be amended following the submission of final bids.

6.8 Evaluation

- 6.8.1 Tenders must be evaluated, recorded and awarded in accordance with the published Award Criteria. The basis on which the tender will be evaluated must be determined before tenders are invited and must be included as part of the tender information.
- 6.8.2 The overall basis for any award of contract must be the 'most advantageous tender' (MAT).
- 6.8.3 Evaluation panels should be established with members of the panel being those who have a good level of knowledge of the requirement and the award criteria.
- 6.8.4 Prior to bids being received by the evaluation panel they must be asked to confirm, or reconfirm if they have already done so, that there are no conflicts of interest.
- 6.8.5 A meeting must be held as part of the evaluation process either to score or to agree a consensus score and this meeting should be ideally chaired by the assigned Procurement Officer who is not permitted to be an evaluator. The role of the Procurement Officer is to ensure that the scoring or consensus takes place transparently in accordance with the tender documentation.
- 6.8.6 Evaluating Officers are required to reach consensus and produce an agreed narrative detailing the reasons for the final agreed score(s) and the score(s).
- 6.8.7 As per this document if presentation or product demonstrations are used then Officers must ensure contemporaneous notes are made detailing all the questions, responses and points raised or full auditory records are kept.

6.8.8 Bids must be kept confidential.

6.9 Clarification of bids by Evaluators

- 6.9.1 If the Evaluation Panel determine that there are areas of ambiguity or lack of clarity, then consideration should be given to clarifying these issues with the Bidder(s). Clarifications must be sought in writing, using the Council's e-tendering platform unless an alternative process for clarification has been detailed in the ITT as part of the Competitive Flexible Procedure.
- 6.9.2 Clarifications requested of Bidders during the evaluation process shall not be an opportunity for Bidders to enhance their already submitted bids. Rather this should be an opportunity to clarify a specific element included in their already submitted bid.
- 6.9.3 Officers should seek the support of the assigned Procurement Resource where necessary and always in the event of a Competitive Flexible Procedure being used.
- 6.9.4 The clarification process must ensure that all Bidders are treated equally and fairly.

6.10 Assessment Summaries and Standstill

- 6.10.1 The assigned Procurement Resource will ensure that Assessment Summaries are completed using the standard Council template.
- 6.10.2 The assigned Procurement Officer will issue a Contract Award Notice to commence an 8 working day mandatory or voluntary Standstill Period prior to awarding a Contract.
- 6.10.3 Unless the award of the contract falls within the delegated authority of the Section 151 Officer, approval should be sought in line with the Council's Constitution.

6.11 Due diligence

- 6.11.1 Prior to awarding a Contract the assigned Procurement Resource will verify any standards that a Bidder has self-certified through a procurement process. This includes but is not limited to any professional qualifications, required internal standards and insurance levels.
- 6.11.2 Advice must be obtained from the relevant Procurement Resource to determine if the Bidder must be excluded from the process. The Procurement Resource must check the debarment list prior to any selection stage and/or the award of a Contract.

7 Light Touch Regime (LTR) and Provider Selection Regime

7.1 Light Touch Regime

- 7.1.1 The Light Touch Regime is for certain services contract in social, health and education services and are subject to more flexible procurement rules. For a contract to be a light touch contract the Common Procurement Vocabulary (CPV) code must be listed in Schedule 1 Procurement Act 2023.
- 7.1.2 Officers must seek advice from the relevant Procurement Resource prior to undertaking a LTR tender.
- 7.1.3 A different threshold exists for LTR contracts.
- 7.1.4 LTR contracts do still have to follow some of the provisions of the PA 2023 but have greater flexibility and freedoms.
- 7.1.5 LTR contracts must be advertised using a tender notice unless a direct award justification applies.
- 7.1.6 The Procurement Resource must determine if Bidders are excluded or excludable and consider Conflicts of Interest before awarding a contract.
- 7.1.7 The Procurement Resource will ensure transparency obligations through the publication requirements, by completing a contract award notice and a contracts details notice when a contract is over £5,000,000.
- 7.1.8 The Procurement Resource shall consider whether the requirement can be broken into lots and the services supplied under more than one contract.
- 7.1.9 The Procurement Resource will use either the open, competitive flexible procedure or direct award where justified. There are no mandated timescales for LTR contracts, but officers will ensure that the time scales are reasonable, taking into account the nature of the requirement and the complexity of the contract.
- 7.1.10 Officers should apply a voluntary standstill period to LTR contracts.
- 7.1.11 Contract managers are required to set and publish 3 KPIs for contracts with a Total Contract Value of above £5,000,000.
- 7.1.12 Contract Managers are permitted to amend LTR contracts if amendments are in accordance with the objectives outlined in this document. LTR contracts do not require the publication of Contract Change notices.

8 Other Considerations

These considerations apply to above and below threshold procurements.

8.1 Information Assurance and Data protection

- 8.1.1 The relevant Procurement Resource must consider the information assurance requirements of the Contract if they anticipate any Personal Data is to be processed as part of the contract.
- 8.1.2 Where personal data may be processed as part of the contract, officers must seek further advice from the Data Protection Officer.

8.2 Sustainable Commissioning

- 8.2.1 For all above Threshold contracts then consideration must be given as to how the Contract might improve the economic, social and environmental wellbeing of Lincolnshire, as required by the Public Services (Social Value) Act 2012. This duty also relates to Light Touch Regime (LTR) as described in section 7.1, where the Estimated Total Contract Value exceeds the Services PCR 2015 Threshold.
- 8.2.2 The Council must consider in the form of a Social Value appraisal, whilst recognising the principle of Proportionality:
 - a) How, what is proposed to be procured, might improve the economic, social and environmental well-being of the relevant area.
 - b) How, in conducting the process of procurement, it might act with a view to securing that improvement; and
 - c) Whether to carry out any consultation in relation to the above matters.

8.3 TUPE

- 8.3.1 Where TUPE may apply the relevant Procurement Resource should seek advice from their Monitoring Officer.

Contract Formation

9 Contract Formation

9.1 Contract Formation

- 9.1.1 The Section 151 Officer has the responsibility to ensure that a Scheme of Delegation is in place, and contracts should be signed in accordance with this scheme.
- 9.1.2 The Procurement Resource is responsible for securing signature of the contract by both parties prior to commencement of the contract.
- 9.1.3 Where the value of the contract exceeds £75,000, legal advice should be obtained as to whether the contract is executed under hand or under seal.

9.2 Contracts signed under hand

- 9.2.1 The Procurement Resource must ensure that when a contract is signed under hand (by either wet or electronic signature) the signatory has authority to do so.
- 9.2.2 Contract signed under hand are generally contracts with a total contract value under the FTS threshold.
- 9.2.3 The limitation period for a claim is 6 years from the date of the breach.

9.3 Contracts signed under seal

- 9.3.1 Where contracts are completed by each side adding their formal Seal, the fixing of the Council's Seal must be witnessed by or on behalf of the Chairman of the Council.
- 9.3.2 Every Council sealing will be consecutively numbered, recorded and signed by the person witnessing the Seal. The Seal must not be affixed without the authority of the Chief Executive Officer, a duly authorised Committee, or the Chairman of the Council.
- 9.3.3 A contract should be sealed where:
 - a) The Council may wish to ensure a limitation period of 12 years from the date of the breach;
 - b) Where the Council has paid no consideration for goods or services, or the carrying out of works; or
 - c) Legal advice has been provided to this effect.

9.4 Contract Publication

- 9.4.1 Where a contract is above £5,000,000 or if a works contract above the works threshold, then a redacted version of the Contract must be published in a notice.
- 9.4.2 Contract publication and redaction must be conducted by the relevant Procurement Resource.

9.5 Document Retention

- 9.5.1 All relevant documentation must be kept in accordance with the Council's document retention policy.

9.6 Bonds And Parent Company Guarantees

- 9.6.1 The Officer must consult the Director of Corporate Services to identify whether a Parent Company Guarantee or Bond is needed;
