FEES AND CHARGES REPORT

APPENDIX C - ENVIRONMENT SERVICES

1. Description of service

The Environmental Regulatory Service has a number of Fees and Charges namely;

• Statutory Fees

- Environmental Services Part B installations & Mobile plant and solvent emission activities.
- Environmental Services Part A(2) installations & small waste incineration plant.
- Private water Supply Work all fees are set as a maximum charge.
- Request for Information

Non Statutory Fees

- Health Certificate
- Food Advisory service

2. Prior years analysis, current financial year projections

The graph below demonstrates the total income received by the service for statutory fees over the last 3 years.

Environmental Services	Total	Budget	Under/(over)
Income received 2017/18	5,036	4,600	(436)
Income received 2016/17	4,484	10,800	6,316
Income received 2015/16	5,941	10,800	4,859

Statutory Fees are set at a maximum and cannot be increased.

All works charged the actual time taken up to the maximum. In the last 12 months the maximum fee set by statute has been sufficient to cover costs.

Non Statutory:

Non Statutory Income generated for 2016/17 totalled £2,026 and was based on cost recovery.

3. Pricing

Statutory Fees

These charges are all set by DEFRA. The charges for 2018/19 will be set in January 2018 and the schedule of charges will be updated to reflect any changes. The current rates of fees are charges are those agreed for 2017-18 (information released August 17, later than normal due to general elections).

All works undertaken are charged on a case by case basis, costed on the actual time taken up to a maximum charge that is set by statute. In the last 12 months the maximum fee set by statute has been sufficient to cover costs, they have increased by 4.5% from the 2016-17 rates.

Non statutory Fees

Health Certificates – current service is proposing to round up to the nearest pound for 2018/19.

Food Advisory Service – this was a new service for 2017/18 to provide businesses with advice and support in order to ensure legal compliance. The rates have been increased to meet latest costs associated with the provision of service.

Food Hygiene Rating scheme – we have introduced the rate as advised for the re-inspection of food outlets at owners request in respect of food hygiene ratings. The rate has been set at full cost recovery and comes to £160 per visit. We will revisit in future to check the actual time spent in relation to our estimates used in establishing the rates to ensure they are correct.

The costing for all non statutory rates has been calculated based on a proportionate hourly rate for staff time with absorption of overheads and additional costs. The proposed price will give full cost recovery.

4. Understanding Customers and Markets

The majority of fees and charges are statutory and set by the Government.

With regard to the proposed new charge for advisory visits to businesses within the District. These visits will be to give businesses advice and support in order to ensure that their businesses comply with legal requirements. It is felt that this value adding service will enable businesses to attain a higher star rating.

5. Proposed Charges

Statutory charges will be applied in accordance with legislation, after a Defra consultation the fees have been increased by 4.5% in 2017-18, we are not anticipating an additional increase for 2018-19.

Non statutory amendments:

Health Certificate – Round up to £52.00 achieving full cost recovery

Request for Information – Rounded up to £72.00. This is in line with benchmarking information received from other local authorities.

Regulatory Advisory visits - These have been assessed and increased by £5 for the first two hours of service to a total of £130.00. The £130.00 covers officer time (including admin support and travel costs). The additional hours are charges at £42.00, this is for officer time and has been set at this level after benchmarking with other authorities charges. The additional hour fee now mirrors the rate for the additional hour for Requests for information for consistency.

Health Act 2006 – Failure to display No Smoking signs £200

6. Recommendation

Members are requested to recommend to Council the charges for 2018/19 as set out below.

osperous Communities Committee				Environment Services - Part A (2) Installa small waste incineration plant
