In relation to this application, the following Guidance issued under Section 182 of the Licensing Act 2003 has been considered –

From Section 9.2 - The police should be the licensing authority's main source of advice on matters relating to the promotion of the crime and disorder licensing objectives.....The licensing authority should accept all reasonable and proportionate representations made by the police unless the authority has evidence that to do so would not be appropriate for the promotion of the licensing objectives.

Although not objecting to the application in principle, it is Lincolnshire Police's belief the submitted conditions are inadequate and do not fully promote the Licensing Objectives.

No direct consultation regarding the wording of the conditions has been made with The Licensing Department at Lincolnshire Police prior to the application being submitted.

Due to licence conditions not being allowed to be agreed once an application has been made, without the submission of a Representation, there is *no* alternative but to submit this Representation.

If possible, please suggest alterations to the application that would resolve the problem mentioned above, again paying attention to the **Licensing Objectives**:

Until the applicant has discussed conditions with Lincolnshire Police, there are no alterations to the application that can be suggested or agreed.
