Key Decision:		

- 1. The Annual Internal Audit Report aims to present a summary of the audit work undertaken over the past year. In particular:
 - Include an opinion on the overall adequacy of and effectiveness of the governance framework and internal control system and the extent to which the Council can rely on it;
 - Inform how the plan was discharged and of overall outcomes of the work undertaken;
 - Draw attention to any issues particularly relevant to the Annual Governance Statement.
- 2. Our internal audit service continues to work well with the Governance and Audit Committee and Management to help the Council maintain effective governance, risk and control processes.
