

APPENDIX 6: RAF SCAMPTON UPDATE

On 19th December 2023 this committee considered a comprehensive legal and financial update regarding the ongoing matters at RAF Scampton. The committee determined to progress with an application to the Court of Appeal which was submitted on 27th December 2023. Subsequent to the committee meeting it was confirmed that Braintree District Council and Mr Clarke-Holland would also make an application to appeal. This reduces the financial exposure to WLDC of the Court of Appeal process as noted in the committee paper.

At the time of writing this report on the 4th of January 2024 legal costs to date were £0.164m.
