Black	Precedent of Neighbour Plans	Extract from mins of mtg 24/6/24 Members sought to understand if the newly adopted Neighbourhood Plan, took precedent over the Central Lincolnshire Local Plan. Members were provided with an initial response and Officers undertook to get a definitive position from the Neighbourhood Planning Officer and circulate this to Members.	<p>Awaiting entry on to a work plan</p> <p>Legal guidance on the relationship between a neighbourhood plan (Scothern NP Review June 2024) which is more recently adopted than a local plan (Central Lincolnshire Local Plan April 2023) is provided by the National Planning Policy Framework (NPPF, Dec 2023). It states:</p> <p><i>"Neighbourhood plans must be in general conformity with the strategic policies contained in any development plan that covers their area."</i></p> <p>As part of its examination, the examiner reaffirmed that the Scothern NP Review met this requirement with the CLLP 2023 (development plan).</p> <p><i>"Once a neighbourhood plan has been brought into force, the policies it contains take precedence over existing non-strategic policies in a local plan covering the neighbourhood area, where they are in conflict; unless they are superseded by strategic or non-strategic policies that are adopted subsequently."</i></p> <p>The CLLP 2023 has 84 policies of which 76 are strategic and only 8 are non-strategic. Of the latter, only 4 apply to Scothern. As part of the NP Review's examination, no conflicts were found to exist between these 4 non-strategic policies and any related policies in the Scothern NP Review.</p>	30/6/24	Nev Brown / Lisa Langdon
